*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 20-9-343, MCA, is amended to read:

**"20-9-343. Definition of and revenue for state equalization aid.** (1) As used in this title, the term "state equalization aid" means those

moneys deposited in the state special revenue fund as required in this section plus any legislative appropriation of moneys from other sources for distribution to the public schools for the purpose of equalization of the foundation program.

(2) The legislative appropriation for state equalization aid shall be made in a single sum for the biennium. The superintendent of public instruction has authority to spend such appropriation, together with the earmarked revenues provided in subsection (3), as required for foundation program purposes throughout the biennium.

(f) income from the local impact and education trust fund account; and

(g) in addition to these revenues, the surplus revenues collected by the counties for foundation program support according to 20-9-331 and 20-9-333 shall be paid into the same state special revenue fund.

(4) Any surplus revenue in the state equalization aid account in the second year of a biennium may be used to reduce the appropriation required for the next succeeding biennium [or may be transferred to the state permissive account if revenues in that fund are insufficient to meet the state's permissive amount obligation]."

## CHAPTER NO. 3

[HB 22]

AN ACT TO CLARIFY NOTICE REQUIREMENTS RELATING TO SALE, RETENTION, OR OTHER DISPOSITION OF COLLATERAL AFTER DEFAULT; AMENDING SECTIONS 30-9-504 AND 30-9-505, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 30-9-504, MCA, is amended to read:

**"30-9-504. Secured party's right to dispose of collateral after default — effect of disposition.** (1) A secured party after default may sell, lease, or otherwise dispose of any or all of the collateral in its then condition or following any commercially reasonable preparation or processing. Any sale of goods is subject to the chapter on sales (chapter 2). The proceeds of disposition shall be applied in the order following to:

(a) the reasonable expenses of retaking, holding, preparing for sale or lease, selling, leasing, and the like and, to the extent provided for in the agreement and not prohibited by law, the reasonable attorneys' fees and legal expenses incurred by the secured party;

(b) the satisfaction of indebtedness secured by the security interest under which the disposition is made;

(c) the satisfaction of indebtedness secured by any subordinate security interest in the collateral if written notification of demand therefor is received before distribution of the proceeds is completed. If requested by the secured party, the holder of a subordinate security interest must

seasonably furnish reasonable proof of his interest, and unless he does so, the secured party need not comply with his demand.

(2) If the security interest secures an indebtedness, the secured party must account to the debtor for any surplus, and, unless otherwise agreed, the debtor is liable for any deficiency. But if the underlying transaction was a sale of account or chattel paper, the debtor is entitled to any surplus or is liable for any deficiency only if the security agreement so provides.

(3) (a) Disposition of the collateral may be by public or private proceedings and may be made by way of one or more contracts. Sale or other disposition may be as a unit or in parcels and at any time and place and on any terms, but every aspect of the disposition including the method, manner, time, place, and terms must be commercially reasonable. Unless collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, reasonable notification of the time and place of any public sale or reasonable notification of the time after which any private sale or other intended disposition is to be made shall be sent by the secured party to the debtor if he has not signed after default a statement renouncing or modifying his right to notification of sale. In the case of consumer goods no other notification need be sent. In other cases notification shall be sent to any other secured party from whom the secured party has received (before sending his notification to the debtor or before the debtor's renunciation of his rights) written notice of a claim of an interest in the collateral. The secured party may buy at any public sale, and if the collateral is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, he may buy at private sale.

*(b) Notification by the secured party is reasonable under subsection (3)(a) and constitutes steps reasonably required to inform another in the ordinary course under 30-1-201(26) if it is sent by certified mail to the most recent address provided by the debtor or another secured party as follows:*

*(i) the address stated on the security agreement or other applicable loan document in the case of a debtor or on the written notice of claim in the case of another secured party; or*

*(ii) such other address of which the secured party receives notice in writing from the debtor or other secured party prior to the time notification is sent to the most recent address previously given under subsection (3)(b)(i) or this subsection (3)(b)(ii).*

(4) When collateral is disposed of by a secured party after default, the disposition transfers to a purchaser for value all of the debtor's rights therein, discharges the security interest under which it is made and any security interest or lien subordinate thereto. The purchaser takes free of all such rights and interests even though the secured party fails to comply with the requirements of this part or of any judicial proceedings:

(a) in the case of a public sale, if the purchaser has no knowledge of any defects in the sale and if he does not buy in collusion with the secured party, other bidders, or the person conducting the sale; or

(b) in any other case, if the purchaser acts in good faith.

(5) A person who is liable to a secured party under a guaranty, endorsement, repurchase agreement, or the like and who receives a transfer of collateral from the secured party or is subrogated to his rights has thereafter the rights and duties of the secured party. Such a transfer of collateral is not a sale or disposition of the collateral under this chapter."

Section 2. Section 30-9-505, MCA, is amended to read:

**"30-9-505. Compulsory disposition of collateral — acceptance of the collateral as discharge of obligation.** (1) If the debtor has paid 60% of the cash price in the case of a purchase money security interest in consumer goods or 60% of the loan in the case of another security interest in consumer goods and has not signed after default a statement renouncing or modifying his rights under this part, a secured party who has taken possession of collateral must dispose of it under 30-9-504, and if he fails to do so within 90 days after he takes possession the debtor at his option may recover in conversion or under 30-9-507(1) on secured party's liability.

(2) (a) In any other case involving consumer goods or any other collateral a secured party in possession may, after default, propose to retain the collateral in satisfaction of the obligation. Written notice of such proposal shall be sent to the debtor if he has not signed after default a statement renouncing or modifying his rights under this subsection (2). In the case of consumer goods, no other notice need be given. In other cases notice shall be sent to any other secured party from whom the secured party has received (before sending his notice to the debtor or before the debtor's renunciation of his rights) written notice of a claim of an interest in the collateral.

(b) *Notice by the secured party is sufficient under subsection (2)(a) and constitutes steps reasonably required to inform another in the ordinary course under 30-1-201(26) if it is sent by certified mail to the most recent address provided by the debtor or another secured party as follows:*

(i) *the address stated on the security agreement or other applicable loan document in the case of a debtor or on the written notice of claim in the case of another secured party; or*

(ii) *such other address of which the secured party receives notice in writing from the debtor or other secured party prior to the time notification is sent to the most recent address previously given under subsection (2)(b)(i) or this subsection (2)(b)(ii).*

(c) If the secured party receives objection in writing from a person entitled to receive notification within 21 days after the notice was sent, the secured party must dispose of the collateral under 30-9-504. In the absence of such written objection the secured party may retain the collateral in satisfaction of the debtor's obligation."

Approved February 5, 1987.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Statement of policy.** The legislature hereby establishes a state policy that governmental agencies publicly announce requirements for architectural, engineering, and land surveying services and negotiate contracts for such professional services on the basis of demonstrated competence and qualifications for the type of professional services required and at fair and reasonable prices.

**Section 2. Definitions.** Unless the context clearly indicates otherwise, the following definitions apply to [this act]:

(1) "Agency" means a state agency as defined in subsection (7), local agency as defined in subsection (4), or special district as defined in subsection (6).

(2) "Architectural, engineering, and land surveying" means services rendered by a person, other than as an employee of an agency, contracting to perform activities within the scope of the general definition of professional practice and licensed for the respective practice as an architect pursuant to Title 37, chapter 65, or an engineer or land surveyor pursuant to Title 37, chapter 67.

(3) "Licensed professional" or "licensed architect, professional engineer, professional land surveyor" means a person providing professional services who is not an employee of the agency for which the services are provided and who is exempt under 18-8-103.

(4) **"Local agency"** means a city, town, county, special district, municipal corporation, agency, port district or authority, airport authority, political subdivision of any type, or any other entity or authority of local government, in corporate form or otherwise.

(5) **"Person"** means an individual, organization, group, association, partnership, firm, joint venture, or corporation.

(6) **"Special district"** means a unit of local government, other than a city, town, or county, authorized by law to perform a single function or a limited number of functions, including but not limited to water districts, irrigation districts, fire districts, school districts, community college districts, hospital districts, sewer districts, and transportation districts.

(7) **"State agency"** means a department, agency, commission, bureau, office, or other entity or authority of state government.

**Section 3. Public notice of agency requirements.** Each agency shall publish in advance its requirement for professional services. The announcement must state concisely the general scope and nature of the project or work for which the services are required and the address of a representative of the agency who can provide further details. An agency may comply with this section by:

- (1) publishing an announcement on each occasion when professional services provided by a licensed professional are required by the agency; or
- (2) announcing generally to the public its projected requirement for any category or type of professional services.

**Section 4. Procedures for selection.** (1) In the procurement of architectural, engineering, and land surveying services, the agency may encourage firms engaged in the lawful practice of their profession to submit annually a statement of qualifications and performance data. The agency shall evaluate current statements of qualifications and performance data on file with the agency, together with those that may be submitted by other firms regarding the proposed project, and conduct discussions with one or more firms regarding anticipated concepts and the relative utility of alternative methods of approach for furnishing the required services.

(2) The agency shall then select, based on criteria established under agency procedures and guidelines and the law, the firm considered most qualified to provide the services required for the proposed project. The agency procedures and guidelines must be available to the public and include at a minimum the following criteria as they relate to each firm:

In making its determination, the agency shall take into account the estimated value of the services to be rendered, as well as the scope, complexity, and professional nature thereof.

(2) If the agency is unable to negotiate a satisfactory contract with the firm selected at a price the agency determines to be fair and reasonable, negotiations with that firm must be formally terminated and the agency shall select other firms in accordance with [section 4] and continue as directed in this section until an agreement is reached or the process is terminated.

**Section 6. Coordination with other statutes.** (1) [This act] need not be complied with by an agency when the contracting authority makes a finding in accordance with this or any other applicable law that an emergency requires the immediate execution of the work involved. Nothing in [this act] relieves the contracting authority from complying with applicable law limiting emergency expenditures.

(2) The limitation on the preparation of working drawings contained in 18-2-111 applies to [this act].

(3) The procedure for appointment of architects and consulting engineers pursuant to 18-2-112 applies to [this act], except that agency shall select its proposed list of three architects or consulting engineers in accordance with [this act] prior to submission to the department of administration.

**Section 7. Exception.** (1) All agencies securing architectural, engineering, and land surveying services for projects for which the fees are estimated not to exceed \$5,000 may contract for those professional services by direct negotiation.

(2) No agency may separate service contracts or split or break projects for the purpose of circumventing the provisions of [this act].

**Section 8. Extension of authority.** Any existing authority of the department of administration to make rules on the subject of the provisions of this act is extended to the provisions of this act.

act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Purposes.** The legislature finds and declares that the purposes of 16-3-221 through 16-3-226 and [this act] are to assure continued interbrand competition in malt beverage sales through competing independent wholesalers and to assure breweries the ability to protect the reputations of their products through quality control arrangements.

Section 2. Section 16-3-301, MCA, is amended to read:

**"16-3-301. Unlawful purchases, transfers, sales, or deliveries.**

(1) It is unlawful for a licensed retailer to purchase or acquire beer from anyone except a brewer or wholesaler licensed under the provisions of this code.

(2) *It is unlawful for a licensed retailer to transport beer from one licensed premises or other facility to any other licensed premises owned by the licensee.*

(3) It is unlawful for any licensee, his or her employee or employees, or any other person to sell, deliver, or give away or cause or permit to be sold, delivered, or given away any alcoholic beverage to:

(a) any person under 19 years of age;

(b) any intoxicated person or any person actually, apparently, or obviously intoxicated.

(4) Any person under 19 years of age or other person who knowingly misrepresents his or her qualifications for the purpose of obtaining an alcoholic beverage from such licensee is equally guilty with said licensee and,

upon conviction thereof, is subject to the penalty provided in 45-5-624. *However, nothing herein contained may be construed as authorizing or permitting the sale of an alcoholic beverage to any person in violation of any federal law.*

(5) It is further mandatory under the provisions of this code that all licensees display in a prominent place in their premises a placard as issued by the department stating fully the consequences for violations of the provisions of this code by persons under 19 years of age."

**Section 3. "Distribute" defined.** As used in [sections 4 and 5], 16-4-103, and 16-4-108, "distribute" means to deliver beer or wine to a retailer's premises licensed to sell beer or table wine.

An all-beverages licensee may upon presentation of his license or a photocopy of his license personally obtain from any wholesaler's warehouse such quantities of beer as he and the wholesaler may agree to buy and sell.

**Section 5. Wholesalers' service obligations — applicability.** (1) A wholesaler appointed to distribute a brand of beer within a territory specified by agreement pursuant to 16-3-221(3) shall call on and offer that brand to at least 75% of the retailers within that territory at least every 3 weeks.

The wholesaler shall offer to deliver the beer to such retailer at least every 3 weeks.

(3) This section applies to all beer distribution agreements entered into, assigned, or amended after July 1, 1986. It does not apply to a distribution agreement for a named brand entered into before July 1, 1986, but does not prohibit a brewer party to such an agreement from requiring the appointed wholesaler to fulfill similar service obligations in the territory.

**Section 6.** Section 16-4-103, MCA, is amended to read:

**"16-4-103. Wholesalers' licenses — application for and issuance — subwarehouses — imported beer handled through warehouse or subwarehouse.** (1) Any person desiring to sell and distribute beer as a wholesaler under the provisions of this code shall apply to the department for a license to do so and tender with his application the license fee provided for, and the department is hereby empowered, authorized, and directed to issue wholesale licenses to qualified applicants in accordance with the provisions of this code. Such license shall be at all times prominently displayed in the place of business of such wholesaler.

(2) An applicant shall have a fixed place of business, sufficient capital, the facilities, storehouse, receiving house, or warehouse for the receiving of,

A duplicate license may be issued for one subwarehouse only, in Montana, for each wholesale licensee. The duplicate license shall at all times be prominently displayed at said subwarehouse.

(3) No license fee may be imposed upon table wine distributors by a municipality or any other political subdivision of the state.

(4) The license shall be at all times prominently displayed in the place of business of such table wine distributor.

(5) An applicant shall have a fixed place of business, sufficient capital, the facilities, storehouse, receiving house or warehouse for the receiving of, storage, handling, and moving of table wine in large and jobbing quantities for distribution and sale in original packages to other licensed table wine distributors or licensed retailers. Each table wine distributor is entitled to only one wholesale table wine license, which license shall be issued for his principal place of business in Montana. A duplicate license may be issued for one subwarehouse only in Montana for each table wine distributor's license. The duplicate license shall at all times be prominently displayed at said subwarehouse. A table wine distributor may also hold a license to sell beer at wholesale but shall not hold or have any interest, direct or indirect, in any license to sell beer, wine, or liquor at retail.

(11) "Contour strip mining" means that strip-mining method commonly carried out in areas of rough and hilly topography in which the coal or mineral seam outcrops along the side of the slope and entrance is made to the seam by excavating a bench or table cut at and along the site of the seam outcropping with the excavated overburden commonly being cast down the slope below the mineral seam and the operating bench.

(12) "Degree" means from the horizontal and in each case is subject to a tolerance of 5% error.

(13) "Department" means the department of state lands provided for in Title 2, chapter 15, part 32.

(14) "Failure to conserve coal" means the nonremoval or nonutilization of minable and marketable coal by an operation, provided that the nonremoval or nonutilization of minable and marketable coal in accordance with reclamation standards established by the department shall not be considered failure to conserve coal.

(15) "Fill bench" means that portion of a bench or table which is formed by depositing overburden beyond or downslope from the cut section as formed in the contour method of strip mining.

(16) "Imminent danger to the health and safety of the public" means the existence of any condition or practice or any violation of a permit or other requirement of this part in a strip- or underground-coal-mining and reclamation operation that could reasonably be expected to cause substantial physical harm to persons outside the permit area before such condition, practice, or violation can be abated. A reasonable expectation of death or

serious injury before abatement exists if a rational person, subjected to the same conditions or practices giving rise to the peril, would not expose himself or herself to the danger during the time necessary for abatement.

(17) "Marketable coal" means a minable coal that is economically feasible to mine and is fit for sale in the usual course of trade.

(18) "Method of operation" means the method or manner by which the cut, open pit, shaft, or excavation is made, the overburden is placed or handled, water is controlled, and other acts are performed by the operator in the process of uncovering and removing the minerals that affect the reclamation of the area of land affected.

(19) "Minaable coal" means that coal which can be removed through strip- or underground-mining methods adaptable to the location that coal is being mined or is planned to be mined.

(20) "Mineral" means coal and uranium.

(21) "Operation" means all of the premises, facilities, railroad loops, roads, and equipment used in the process of producing and removing mineral from and reclaiming a designated strip-mine or underground-mine area, *including coal preparation plants*, and all activities, including excavation incident thereto, or prospecting for the purpose of determining the location, quality, or quantity of a natural mineral deposit.

(23) "Overburden" means all of the earth and other materials which lie above a natural mineral deposit and also means such earth and other material after removal from their natural state in the process of mining.

(24) "Person" means a person, partnership, corporation, association, or other legal entity or any political subdivision or agency of the state or federal government.

(25) "Prime farmland" means that land previously prescribed by the United States secretary of agriculture on the basis of such factors as moisture availability, temperature regime, chemical balance, permeability, surface-layer composition, susceptibility to flooding, and erosion characteristics and which historically has been used for intensive agricultural purposes and as defined in the Federal Register.

(26) "Prospecting" means the removal of overburden, core drilling, construction of roads, or any other disturbance of the surface for the purpose of determining the location, quantity, or quality of a natural mineral deposit.

(27) "Reclamation" means backfilling, subsidence stabilization, water control, grading, highwall reduction, topsoiling, planting, revegetation, and

other work to restore an area of land affected by strip mining or underground mining under a plan approved by the department.

(28) "*Remining*" means conducting surface coal mining and reclamation operations that affect previously mined areas; for example, the recovery of additional mineral from existing gob or tailings piles.

(29) "*Strip mining*" means any part of the process followed in the production of mineral by the opencut method, including mining by the auger method or any similar method which penetrates a mineral deposit and removes mineral directly through a series of openings made by a machine which enters the deposit from a surface excavation or any other mining method or process in which the strata or overburden is removed or displaced in order to recover the mineral. *For the purposes of this part only, strip mining also includes remining and coal preparation. The terms "remining" and "coal preparation" are not included in the definition of "strip mining" for purposes of Title 15, chapter 35, part 1.*

(30) "*Subsidence*" means a vertically downward movement of overburden materials resulting from the actual mining of an underlying mineral deposit or associated underground excavations.

(31) "*Surface owner*" means a person who holds legal or equitable title to the land surface and whose principal place of residence is on the land or who personally conducts farming or ranching operations upon a farm or ranch unit to be directly affected by strip-mining operations or who receives directly a significant portion of his income, if any, from such farming or ranching operations or the state of Montana where the state owns the surface.

(32) "*Topsoil*" means the unconsolidated mineral matter naturally present on the surface of the earth that has been subjected to and influenced by genetic and environmental factors of parent material, climate, macro- and microorganisms, and topography, all acting over a period of time, and that is necessary for the growth and regeneration of vegetation on the surface of the earth.

(33) "*Underground mining*" means any part of the process followed in the production of a mineral such that vertical or horizontal shafts, slopes, drifts, or incline planes connected with excavations penetrating the mineral stratum or strata are utilized and includes mining by in situ methods.

(34) "*Unwarranted failure to comply*" means the failure of a permittee to prevent the occurrence of any violation of his permit or any requirement of this part due to indifference, lack of diligence, or lack of reasonable care, or the failure to abate any violation of such permit or this part due to indifference, lack of diligence, or lack of reasonable care.

(35) "*Waiver*" means any document which demonstrates the clear intention to release rights in the surface estate for the purpose of permitting the extraction of subsurface minerals by strip-mining methods.

(36) "*Written consent*" means such written statement as is executed by the owner of the surface estate, upon a form approved by the department, demonstrating that such owner consents to entry of an operator for the

purpose of conducting strip-mining operations and that such consent is given only to such strip-mining and reclamation operations which fully comply with the terms and requirements of this part."

Section 2. Section 82-4-222, MCA, is amended to read:

**"82-4-222. Such plan shall reflect thorough advance investigation and study by the operator and shall include all known or readily discoverable past and present uses of the land and water to be affected and the approximate periods of such use and shall state:

(a) the location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;

If test borings or core samplings are submitted, each permit application shall contain two copies each of two sets of geologic cross sections accurately depicting the known geologic makeup beneath the surface of the affected land. Each set shall depict subsurface conditions at such intervals as the department requires across the surface and shall run at a 90-degree angle to the other set. The department may not require intervals of less than 500 feet. Each cross section shall depict the thickness and geologic character of all known strata beginning with the topsoil. In addition, each application for an underground-mining permit shall be accompanied by cross sections and maps showing the proposed underground locations of all shafts, entries, and haulageways or other excavations to be excavated during the permit period. These cross sections shall also include all existing shafts, entries, and haulageways.

(m) be certified as follows: "I, the undersigned, hereby certify that this map is correct and shows to the best of my knowledge and belief all the information required by the mining laws of this state." The certification shall be signed and notarized. The department may reject a map as incomplete if its accuracy is not so attested.

(n) contain such other or further information as the department may require.

(3) If the department finds that the probable total annual production at all locations of any strip- or underground-coal-mining operation applied for will not exceed 100,000 tons, any determination of probable hydrologic consequences that the department requires and the statement of result of test borings or core samplings shall, upon written request of the operator, be performed by a qualified public or private laboratory designated by the department. This policy shall provide for personal injury and property damage protection in an amount adequate to compensate any persons damaged as a result of strip- or underground-coal-mining and reclamation operations, including use of explosives, and entitled to compensation under applicable provisions of state law. The permittee must maintain the policy in full force and effect during the term of the permit and any renewal until all reclamation operations have been completed.

(6) Each applicant for a strip-mining or underground-mining reclamation permit shall file a copy of his application for public inspection with the clerk and recorder at the courthouse of the county where the major portion of mining is proposed to occur."

Section 3. Section 82-4-223, MCA, is amended to read:

**"82-4-223. Permit fee and surety bond.** (1) An application fee of \$100 shall be paid before the permit required in this part shall be issued.

(2) Before a permit may be issued, the operator shall file with the department a bond payable to the state of Montana with surety satisfactory to the department in the penal sum to be determined by the board, on the recommendation of the commissioner, of not less than \$200 for each acre or fraction thereof of the area of land affected, with a minimum bond of \$10,000, conditioned upon the faithful performance of the requirements set forth in this part and of the rules of the board. The operator may elect to deposit cash, negotiable bonds, or negotiable certificates of deposit of any bank organized or transacting business in the United States. The cash deposit or market value of such securities shall be equal to or greater than the amount of the bond required for the bonded area. The level of bonding shall be relative to the degree of disturbance projected by the original permit and the annual report. A political subdivision or agency of the state need not file a bond unless required to do so by the board. The board shall adjust the amount of bond required if the cost of reclamation changes.

(3) In determining the amount of the bond, the board shall take into consideration the character and nature of the overburden, the future suitable use of the land involved, and the cost of backfilling, grading, highwall reduction, subsidence stabilization, water control, topsoiling, and reclamation to be required, but in no event shall the bond be less than the total estimated cost to the state of completing the work described in the reclamation plan."

**Section 4. Extension of authority.** Any existing authority of the department of state lands or the board of land commissioners to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 13, 1987.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 19-3-504, MCA, is amended to read:

**"19-3-504. Absence due to illness or injury.** (1) Time, not to exceed 5 years, during which a member is absent from service by reason of injury or illness determined within 1 year after the end of such absence as arising out of and in the course of his employment shall be considered as spent in service for the purpose of qualification for service retirement benefits under Title 19, chapter 3, part 9, or survivorship allowances under Title 19, chapter 3, part 12, but not for the calculation of such benefits unless the member complies with subsections (2) through (4) of this section, in which case the absence shall be considered as time spent in service for both the calculation and qualification of benefits.

(2) (a) Any member absent because of an employment-related injury which entitles him to workers' compensation payments may contribute to the retirement system, upon his return to service, an amount equal to the contributions which would have been made by him to the system on the basis of his compensation at the commencement of his absence plus interest accruing from 1 year from the date after he returns to covered employment to the date he contributes for his period of absence.

(b) Whenever a member elects to contribute under subsection (2)(a), the employer shall contribute an amount equal to what its employer contributions would have been had the member not been absent from service. In addition, the employer may contribute an amount equal to the interest accruing on the employer's contribution calculated in the same manner as interest on the employee's contribution under subsection (2)(a). If the employer elects not to pay the interest costs, this amount must be paid by the employee.

(3) At some time after returning to covered employment, a member must file with the board a written notice of his intent to pay the contributions under subsection (2).

(4) Payment of the employee's contributions which are due because of the period of absence may be made in one sum at the time of filing the notice or on an installment basis *before termination of covered employment.*

(5) A member so absent loses his right to contribute under this section if all of his accumulated normal contributions are refunded pursuant to 19-3-703."

Section 2. Section 19-3-505, MCA, is amended to read:

**"19-3-505. Qualification of service with employer.** (1) Subject to the provisions of this section, any person who has service with an employer which is not creditable service may convert all or a portion of such service to membership service by filing written notice thereof with the board.

(2) (a) The person must pay to the retirement system the sum of the amount which he and his employer would have contributed during the period of service so converted if the employer had then been an employer and the interest which would have accumulated thereon to the time of such payment; provided that the employer may pay the employer's portion including accrued interest.

(b) The employer must establish a policy as to the retroactive employer contributions and apply this policy indiscriminately for all employees and former employees. All employee appeals of discrimination will be subject to the determination of the board. All successful appeals will obligate the employer to pay the employer and employee contributions with accrued interest for that employee filing such appeal with the board. Each appeal will be heard on its individual merits and will not bind the employer to pay all retroactive payments for all former and present employees.

(3) A member may secure service credit not previously credited by submitting salary information certified by the member's employer or former employer to the board. The board will determine the eligibility of all service credit requests as prescribed in 19-3-304.

(4) Payment may be made in one sum at the time of filing notice or on an installment basis *before termination of covered employment*. Failure to make regular monthly payments in any month where the member receives his normal compensation shall thereafter forfeit such person's right to make any further installment payments, unless permission is granted to do so by the board."

Section 3. Section 19-7-306, MCA, is amended to read:

**"19-7-306. Reinstatement after withdrawal of contributions.** (1) A member may deposit in the retirement fund, in one sum or *on an installment basis before termination of covered employment*, an amount equal to that which was withdrawn at the last termination of membership plus an amount equal to the interest which would have been credited to the account had the member not withdrawn the contributions upon termination of membership, subject to minimum monthly or semimonthly payments as fixed by the board.

(2) If a member who is reentering the retirement system after a termination of membership does not elect to make or does not make the redeposit, he must reenter as a new member without credit for any service except the prior service credited before the termination. If a member does make the redeposit, his membership is continuous and unbroken by the last termination.

(3) Regardless of whether the redeposit is made, the documents held by the retirement system, as executed by the member prior to termination of membership, shall be held by the system for the same purposes as prior to the termination and beneficiaries nominated shall remain unchanged."

Section 4. Section 19-9-603, MCA, is amended to read:

**"19-9-603. *Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 77-2-329, MCA, is amended to read:

**"77-2-329. Terms of payment.** (1) Every purchaser of state land shall pay on the day of sale that portion of the purchase price as he may

This plan is defined as being that plan under which part of the principal is required to be paid each time interest becomes due and payable and under which this part payment on the principal increases at each succeeding installment in the same amount that the interest payment decreases so that the combined amount due on principal and interest on each due date remains the same until the loan or bond is paid in full. However, the amount of the last installment may vary from the other installments to the extent resulting from disregarding fractional cents in the previous installments. The balance of the purchase price on town and city lots shall be payable on the amortization plan through a period of 20 years, but the board may at any time fix a shorter period than 20 years for the payment of the balance on town and city lots. Different periods of time may be established for different towns and cities as the best interests of the state demand. The board shall annually review the interest rate prior to December 31 of each year and *may review the interest rate at any time the board determines such review is necessary. The interest rate fixed by the board applies to all contracts entered into until the board fixes a different interest rate.*

Section 1. **Compact adopted — text.** The Interstate Corrections Compact is entered into by this state with any and all other states legally joining therein in the form substantially as follows:

#### INTERSTATE CORRECTIONS COMPACT

##### Article I. Purpose and Policy

The party states, desiring by common action to fully utilize and improve their institutional facilities and provide adequate programs for the confinement, treatment and rehabilitation of various types of offenders, declare that it is the policy of each of the party states to provide such facilities and programs on a basis of cooperation with one another, thereby serving the best interests of such offenders and of society and effecting economies in capital expenditures and operational costs. The purpose of this compact is to provide for the mutual development and execution of such programs of cooperation for the confinement, treatment and rehabilitation of offenders with the most economical use of human and material resources.

## Article II. Definitions

As used in this compact, unless the context requires otherwise:

(a) "State" means a state of the United States; the United States of America; a territory or possession of the United States; the District of Columbia; the Commonwealth of Puerto Rico.

(b) "Sending state" means a state party to this compact in which conviction or court commitment was had.

(c) "Receiving state" means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction or court commitment was had.

(d) "Inmate" means a male or female offender who is committed under sentence to or confined in a penal or correctional institution.

(e) "Institution" means any penal or correctional facility, including but not limited to a facility for the mentally ill or mentally defective, in which inmates may lawfully be confined.

## Article III. Contracts

(a) Each party state may make one or more contracts with any one or more of the other party states for the confinement of inmates on behalf of a sending state in institutions situated within receiving states. Any such contract shall provide for:

1. Its duration.

2. Payments to be made to the receiving state by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facilities, programs or treatment not reasonably included as part of normal maintenance.

3. Participation in programs of inmate employment, if any; the disposition or crediting of any payments received by inmates on account thereof; and the crediting of proceeds from or disposal of any products resulting therefrom.

4. Delivery and retaking of inmates.

5. Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

(b) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto, and nothing in any such contract shall be inconsistent therewith.

## Article IV. Procedures and Rights

(a) Whenever the duly constituted authorities in a state party to this compact, and which has entered into a contract pursuant to Article III, shall decide that confinement in, or transfer of an inmate to, an institution within the territory of another party state is necessary or desirable in order

to provide adequate quarters and care or an appropriate program of rehabilitation or treatment, said officials may direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

(b) The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

(c) Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state. For transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state; provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of Article III.

(d) Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact including a conduct record of each inmate and certify said record to the official designated by the sending state, in order that each inmate may have official review of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

(e) All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if confined in an appropriate institution of the sending state.

(f) Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record together with any recommendations of the hearing officials shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subsection, the officials of the receiving state shall act solely as agents of the sending state and no final determination shall

be made in any matter except by the appropriate officials of the sending state.

(g) Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.

(h) Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if confined in any appropriate institution of the sending state located within such state.

(i) The parent, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise, or otherwise function with respect to any inmate shall not be deprived of or restricted in his exercise of any power in respect of any inmate confined pursuant to the terms of this compact.

#### Article V. Acts Not Reviewable in Receiving State — Extradition

(a) Any decision of the sending state in respect of any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is formally accused of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharged from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this compact through any and all states party to this compact without interference.

(b) An inmate who escapes from an institution in which he is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition or rendition proceedings shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

#### Article VI. Federal Aid

Any state party to this compact may accept federal aid for use in connection with any institution or program, the use of which is or may be affected by this compact or any contract pursuant hereto and any inmate in a receiving state pursuant to this compact may participate in any such federally aided program or activity for which the sending and receiving states have made contractual provision, provided that if such program or activity

is not part of the customary correctional regimen, the express consent of the appropriate official of the sending state shall be required therefor.

#### Article VII. Entry Into Force

This compact shall enter into force and become effective and binding upon the states so acting when it has been enacted into law by any two states. Thereafter, this compact shall enter into force and become effective and binding as to any other of said states upon similar action by such state.

#### Article VIII. Withdrawal and Termination

This compact shall continue in force and remain binding upon a party state until it shall have enacted a statute repealing the same and providing for the sending of formal written notice of withdrawal from the compact to the appropriate officials of all other party states. An actual withdrawal shall not take effect until one year after the notices provided in said statute have been sent. Such withdrawal shall not relieve the withdrawing state from its obligations assumed hereunder prior to the effective date of withdrawal. Before the effective date of withdrawal, a withdrawing state shall remove to its territory, at its own expense, such inmates as it may have confined pursuant to the provisions of this compact.

#### Article IX. Other Arrangements Unaffected

Nothing contained in this compact shall be construed to abrogate or impair any agreement or other arrangement which a party state may have with a nonparty state for the confinement, rehabilitation or treatment of inmates nor to repeal any other laws of a party state authorizing the making of cooperative institutional arrangements.

#### Article X. Construction and Severability

The provisions of this compact shall be liberally construed and shall be severable. If any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

**Section 2. ## CHAPTER NO. 120

[HB 254]

**AN ACT REGULATING THE GROUNDS ON WHICH PROPERTY OR CASUALTY INSURANCE MAY BE CANCELED OR NOT RENEWED; AND REQUIRING NOTICE OF CANCELLATION OR NONRENEWAL OF A PROPERTY OR CASUALTY POLICY.**

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Purpose — applicability.** (1) The purpose of [sections 1 through 9] is to protect the public with regard to insurance transactions that involve cancellation, renewal, nonrenewal, or premium increases on contracts of property or casualty insurance by:

(a) regulating the grounds for midterm cancellation of an insurance policy;

(b) prohibiting midterm increases in premiums;

(c) increasing the opportunity for insureds to shop for replacement or substitute insurance;

(d) reducing the opportunity for breach of contract, misrepresentation by omission or untimely disclosure, and unfair discrimination among insureds; and

(e) increasing the opportunity for agents to compete freely.

(2) [Sections 1 through 9] apply to those forms of insurance defined in 33-1-206 and 33-1-210, except to the extent they conflict with chapter 23 of this title.

(3) [Sections 1 through 9] do not limit the activities that may constitute undefined unfair trade practices prohibited by 33-18-1003. The commissioner may apply other provisions of this code to insurance transactions involving cancellation, renewal, nonrenewal, or premium increases on contracts of property or casualty insurance. Policies may provide terms more favorable to insureds than are required by [sections 1 through 9]. The rights provided by [sections 1 through 9] are in addition to and do not prejudice any other rights that the insured may have under common law, statutes, or rules.

**Section 2. Definitions.** As used in [sections 1 through 9], the following definitions apply unless the context requires otherwise:

(1) "Anniversary date" means the month and day that rates, rating plans, and rating systems are initially applied to a policy in effect. The term includes each annual anniversary thereafter unless the insurer establishes a different date by a filing with the commissioner.

(2) "Cancellation" means the decision by the insurer to terminate an insurance policy prior to the expiration of its term.

(3) "Classification" means an arrangement of insurance risks into an underwriting or rating group according to a classification system used by an insurer as a basis for tabulating statistical experience and determining premium rates.

(4) "Classification system" means a schedule of classifications and a rule used by an insurer for determining the classifications applicable to an insured.

(5) "Insurer" means an insurer authorized to transact property or casualty insurance in this state.

(6) "Premium" means the contractual consideration charged to an insured for insurance for a specified period of time, regardless of the timing of actual charges.

(7) "Rate" means a monetary amount applied to the units of exposure assigned to a classification and used by an insurer to determine the premium for an insured.

(8) "Rating plan" means a rule used by an insurer to calculate:

(a) the premium for an insured; and

(b) the parameter values used in such calculation after application of classification premium rates to units of exposure.

(9) "Renewal" means an agreement between an insurer and an insured to extend or continue an existing insurance policy for 90 days or more.

**Section 3. Midterm cancellation.** (1) An insurer may not cancel an insurance policy before either the expiration of the agreed term or 1 year

from the effective date of the policy or renewal date, whichever is less, except:

- (a) for reasons specifically allowed by statute;
- (b) for failure to pay a premium when due; or
- (c) on grounds stated in the policy which pertain to the following:
  - (i) material misrepresentation;
  - (ii) substantial change in the risk assumed, except to the extent that the insurer should reasonably have foreseen the change or contemplated the risk when the contract was written;
  - (iii) substantial breaches of contractual duties, conditions, or warranties;
  - (iv) determination by the commissioner that continuation of the policy would place the insurer in violation of this code;
  - (v) financial impairment of the insurer; or
  - (vi) any other reason approved by the commissioner.

(2) Cancellation under subsection (1) is not effective until 10 days after a notice of cancellation is either delivered or mailed to the insured.

(3) Subsections (1) and (2) do not apply to a newly issued insurance policy if the policy has been in effect less than 60 days at the time the notice of cancellation is mailed or delivered. No cancellation under this subsection is effective until 10 days after the notice is delivered or mailed to the insured.

(4) If a policy has been issued for a term longer than 1 year and if either the premium is prepaid or an agreed term is guaranteed for additional premium consideration, the insurer may not cancel the policy except:

- (a) for reasons specifically allowed by statute;
- (b) for failure to pay a premium when due; or
- (c) on grounds stated in the policy which pertain to those grounds listed in subsection (1)(c).

**Section 4. Anniversary cancellation — anniversary rate increases.** (1) An insurer may issue a policy for a term longer than 1 year or for an indefinite term if the policy contains a clause that allows cancellation by the insurer if the insurer gives notice 30 days prior to an anniversary date.

(2) If a policy has been issued for a term longer than 1 year and for additional premium consideration an annual premium has been guaranteed, the insurer may not increase the annual premium for the term of that policy.

**Section 5. Nonrenewal — renewal premium.** (1) An insured has a right to reasonable notice of nonrenewal. Unless otherwise provided by statute or unless a longer term is provided in the policy, at least 30 days prior to the expiration date provided in the policy, an insurer who does not

intend to renew a policy beyond the agreed expiration date shall mail or deliver to the insured a notice of such intention. The insurer shall also mail or deliver a copy to the insured's agent.

(2) An insurer shall give notice of premium due not more than 60 days or less than 10 days before the due date of a renewal premium. The notice must clearly state the effect of nonpayment of the premium on or before the due date.

(3) Subsections (1) and (2) do not apply if:

(a) the insured has obtained insurance elsewhere, has accepted replacement coverage, or has requested or agreed to nonrenewal; or

(b) the policy is expressly designated as nonrenewable.

**Section 6. Renewal with altered terms.** (1) If an insurer offers or purports to renew a policy but on less favorable terms, at a higher rate, or at a higher rating plan, the new terms, rates, or rating plan take effect on the policy renewal date only if the insurer has mailed or delivered notice of the new terms, rates, or rating plan to the insured at least 30 days before the expiration date. If the insured has not been so notified, he may cancel the renewal policy within 30 days after receiving the notice. The insurer shall continue coverage for a period of not less than 30 days after mailing or delivery of the notice. If the insured terminates the policy within the 30-day period, the insurer shall calculate earned premium pro rata based upon the prior policy's rate. The new rate is effective only after the required 30-day notification period has been met. If the insured does not terminate the policy, the premium increase and other changes are effective the day following the prior policy's expiration or anniversary date.

(2) This section does not apply if:

(a) the change is a rate or rating plan filed with the commissioner and applicable to the entire classification or classification system to which the policy belongs; or

(b) the increase in the rate or the rating plan, or both, results from a classification change based on the altered nature or extent of the risk insured against.

**Section 7. Information about grounds of nonrenewal.** (1) If an insured questions the facts upon which an insurer's decision to cancel or not renew is based, the insurer shall mail or deliver such information to the insured within 15 working days of receiving a written request from the insured. A notice is not effective unless it contains adequate information about the insured's right to make the request.

(2) This section does not apply if the grounds for cancellation or nonrenewal is nonpayment of the premium and the notice so states.

**Section 8. Homeowners insurance not affected by day-care operations.** (1) No insurer writing homeowners insurance in this state may deny an applicant homeowners insurance or cancel or refuse to renew a homeowners insurance policy covering a dwelling located in this state for the principal reason that an insured under the policy operates at the

insured location a day-care facility, as defined in 53-4-501, that satisfies the requirements of 53-4-508 or 53-4-509.

(2) This section does not prevent an insurer from excluding or limiting coverage with respect to liability or property losses arising out of an insured's business pursuits, including those related to the operation of a day-care facility.

**Section 9. Unfair trade practices.** (1) The failure of an insurer to comply with [sections 3 through 8] constitutes an unfair trade practice under 33-18-1003.

(2) Midterm premium increases and policy coverage reductions not in compliance with [sections 1 through 8] that are attempted or executed constitute unfair trade practices under 33-18-1003.

**Section 10. Extension of authority.** Any existing authority of the commissioner of insurance to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 11. Codification instruction.** Sections 1 through 9 are intended to be codified as an integral part of Title 33, and the provisions of Title 33 apply to sections 1 through 9.

**Section 12. Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Approved March 17, 1987.

(2) No money from the Montana in-state investment fund may be used to make direct loans to individual borrowers. *The purchase of debentures issued by a capital company and loans or portions thereof originated by a financial institution that are sold to the trust are not direct loans.*"

**"90-8-102. Declaration of policy.** (1) The legislature finds and declares that:

(a) economic insecurity due to unemployment is a serious menace to the health, safety, and general welfare of not only the affected people but of the people of the entire state;

(b) involuntary unemployment, with its resulting burden of indigency, falls with crushing force upon unemployed workers and ultimately on the state itself in the form of public assistance and unemployment compensation payments; and

(c) unemployment causes a migration of Montana workers and families seeking jobs and establishing homes elsewhere, which deprives the state of its most valuable resource, its people, and reduces the tax base of local governments, impairing their ability to provide basic services.

(2) (a) The legislature further finds that the best method of combating unemployment and protecting Montana against the loss of its people is by promoting, stimulating, developing, rehabilitating, and revitalizing the business prosperity and economic welfare of the state and its citizens.

(b) To accomplish this goal, the legislature seeks to encourage the formation of venture and equity capital in Montana for use in diversifying, strengthening, and stabilizing the Montana economy by increasing Montana employment and business opportunities while protecting the people's constitutional right to a clean and healthful environment.

(3) The legislature further finds that:

(a) private investment of venture and equity capital in the Montana economy will be encouraged and promoted by making tax credits available to taxpayers investing in Montana capital companies;

(b) demands on state revenues restrict the financial ability of the state to make unlimited tax credits available for investment purposes and require that the state place reasonable limits on the total amount of tax credits to be made available for investment incentive;

(c) establishment of a rational tax credit program which gives priority to investments in capital companies in the order in which they are qualified will encourage prompt private investment in Montana businesses.

(4) *The legislature further finds that use of money from the Montana in-state investment fund established by 17-6-305 to purchase debentures issued by a capital company will promote the business prosperity and economic welfare of the state and its citizens."*

Section 7. Section 90-8-303, MCA, is amended to read:

**"90-8-303. Conflict of interest.** (1) (a) The members of the board, the commissioner of financial institutions, or a bank examiner may not have a monetary interest in or be a borrower from any Montana capital company, either directly or indirectly.

(b) *These restrictions do not prohibit the board, acting as a whole, from purchasing debentures issued by a Montana capital company.*

(2) A member of the investment committee of a Montana capital company who has an interest in a venture that comes before the committee for a vote shall disclose such interest and abstain from voting on investment in the venture."

**Section 8. Extension of authority.** Any existing authority of the Montana economic development board to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 19, 1987.

**Section 1. Discontinuance or nonrenewal — alternate policy — same insurer.** (1) If a disability insurer discontinues or does not renew a medicare supplement policy product and offers an alternate medicare supplement policy to its insureds within this state, it may not deny benefits under the replacing policy to an insured who receives treatment for a condition that was a covered expense under the replaced policy and is a covered expense under the replacing policy if the insured enrolls in and pays the premium for the replacing policy within 31 days after the termination of the replaced policy.

(2) A disability insurer who discontinues or does not renew a medicare supplement policy product and offers an alternate medicare supplement policy shall base its premium for the alternate policy on the rates currently in place for that policy.

(3) If the insured has not satisfied the preexisting condition limitation under the replaced medicare supplement policy, any period of time that was covered by that policy must be credited toward the preexisting condition limitation period of the replacing policy.

**Section 2. Discontinuance or nonrenewal — alternate policy — unauthorized bulk reinsurance.** (1) Alternate medicare supplement coverage as provided in [section 1] must be offered to its insureds by a disability insurer that:

(a) bulk cedes its medicare supplement policy business to an insurer that does not meet the requirements of chapter 2;

(b) authorizes the bulk reinsurer to administer the medicare supplement policies on its behalf; and

(c) discontinues or does not renew a medicare supplement policy product.

(2) The premium for the alternate policy referred to in subsection (1) must be based on actuarially justified rates.

**Section 3. Replacement policy — different insurer.** (1) If a disability insurer replaces a medicare supplement policy, it may not deny benefits under the replacing policy to an insured who receives treatment for a condition that was a covered expense under the replaced policy and is a covered expense under the replacing policy if the insured pays the premium for the replacing policy when due or within 31 days after the termination of the replaced policy.

(2) An insurer who replaces a medicare supplement policy shall base its premium for the replacement policy on the rates currently in place for that policy.

(3) If the insured has not satisfied the preexisting condition limitation under the replaced medicare supplement policy, any period of time that was covered by that policy must be credited toward the preexisting condition limitation period of the replacing policy.

**Section 4. Renewal requirement.** (1) If a person pays a renewal premium on the date it is due or within 31 days after it is due, an insurer may not refuse to renew a medicare supplement policy unless the insurer:

(a) refuses to renew all policies in this state that are of the same form and issued to persons of the same class; and

(b) offers a replacement policy at actuarially justified rates.

(2) If an insurer refuses to renew all policies in this state that are of the same form and issued to persons of the same class, the policies will remain in force during the grace period stated in the replaced policy. An insurer's refusal to renew a policy may not affect a claim that arose under the replaced policy during the period in which an insured was confined without interruption to a medical care facility for treatment.

**Section 5. Extension of authority.** Any existing authority of the commissioner of insurance to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 6. Codification instruction.** Sections 1 through 4 are intended to be codified as an integral part of Title 33, chapter 22, part 9, and the provisions of Title 33, chapter 22, part 9, apply to sections 1 through 4.

## CHAPTER NO. 127

[HB 58]

AN ACT TO AUTHORIZE LICENSED CLINICAL PSYCHOLOGISTS TO HAVE THE SAME AUTHORITY AS PSYCHIATRISTS TO EXAMINE PERSONS RELYING ON MENTAL DISEASE OR DEFECT AS AN ISSUE IN CRIMINAL ACTIONS; AND AMENDING SECTIONS 46-14-202, 46-14-212, 46-14-213, 46-14-221, AND 46-14-302, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 46-14-202, MCA, is amended to read:

**"46-14-202. Psychiatric examination of defendant.** (1) If the defendant or his counsel files a written notice of his intent to rely on a mental disease or defect under 46-14-201 or raises the issue of his fitness to proceed, the court shall appoint at least one qualified psychiatrist or *licensed clinical psychologist* or shall request the superintendent of the Montana state hospital to designate at least one qualified psychiatrist or *licensed clinical psychologist*, which designation may be or include himself, to examine and report upon the mental condition of the defendant.

(2) The court may order the defendant to be committed to a hospital or other suitable facility for the purpose of the examination for a period of not exceeding 60 days or such longer period as the court determines to be necessary for the purpose and may direct that a qualified psychiatrist or *licensed clinical psychologist* retained by the defendant be permitted to witness and participate in the examination.

(3) In the examination any method may be employed which is accepted by the medical profession for the examination of those alleged to be suffering from mental disease or defect.

(4) The cost of the examination must be paid by the county or the state, or both, according to procedures established under 3-5-902(1)."

Section 2. Section 46-14-212, MCA, is amended to read:

**"46-14-212. Examination by expert chosen by state or defendant.** If either the defendant or the state wishes the defendant to be examined by a qualified psychiatrist, *licensed clinical psychologist*, or other expert selected by the one proposing the examination in order to determine the defendant's fitness to proceed or whether he had, at the time the

offense was committed, a particular state of mind which is an essential element of the offense, the examiner shall be permitted to have reasonable access to the defendant for the purpose of the examination."

Section 3. Section 46-14-213, MCA, is amended to read:

**"46-14-213. Psychiatric testimony upon trial.** (1) Upon the trial, any psychiatrist or *licensed clinical psychologist* who reported under 46-14-202 and 46-14-203 may be called as a witness by the prosecution or by the defense. If the issue is being tried before a jury, the jury may not be informed that the psychiatrist or *licensed clinical psychologist* was designated by the court or by the superintendent of the Montana state hospital. Both the prosecution and the defense may summon any other qualified psychiatrist, *licensed clinical psychologist*, or other expert to testify, but no one who has not examined the defendant is competent to testify to an expert opinion with respect to the mental condition of the defendant, as distinguished from the validity of the procedure followed by or the general scientific propositions stated by another witness.

(2) When a psychiatrist, *licensed clinical psychologist*, or other expert who has examined the defendant testifies concerning the defendant's mental condition, he may make a statement as to the nature of his examination, his diagnosis of the mental condition of the defendant at the time of the commission of the offense charged, and his opinion as to the ability of the defendant to have a particular state of mind which is an element of the offense charged. The expert may make any explanation reasonably serving to clarify his diagnosis and opinion and may be cross-examined as to any matter bearing on his competency or credibility or the validity of his diagnosis or opinion."

Section 4. Section 46-14-221, MCA, is amended to read:

**"46-14-221. Determination of fitness to proceed — effect of finding of unfitness — expenses.** (1) The issue of the defendant's fitness to proceed may be raised by the defendant or his counsel or by the county attorney. When the issue is raised, it shall be determined by the court. If neither the county attorney nor counsel for the defendant contests the finding of the report filed under 46-14-203, the court may make the determination on the basis of the report. If the finding is contested, the court shall hold a hearing on the issue. If the report is received in evidence upon the hearing, the parties have the right to summon and cross-examine the psychiatrists or *licensed clinical psychologists* who joined in the report and to offer evidence upon the issue.

(2) If the court determines that the defendant lacks fitness to proceed, the proceeding against him shall be suspended, except as provided in subsection (4) of this section, and the court shall commit him to the custody of the director of the department of institutions to be placed in an appropriate institution of the department of institutions for so long as the unfitness endures. The committing court shall, within 90 days of commitment, review the defendant's fitness to proceed. If the court finds that he is still unfit to proceed and that it does not appear that he will become fit to proceed within the reasonably foreseeable future, the proceeding against him shall be dismissed, except as provided in subsection (4) of this section, and

the county attorney shall petition the court in the manner provided in chapter 20 or 21 of Title 53, whichever is appropriate, to determine the disposition of the defendant pursuant to those provisions.

(3) If the court determines that the defendant lacks fitness to proceed because he is developmentally disabled as provided in 53-20-102(4), the proceeding against him shall be dismissed and the county attorney shall petition the court in the manner provided in chapter 20 of Title 53.

(4) The fact that the defendant is unfit to proceed does not preclude any legal objection to the prosecution which is susceptible to fair determination prior to trial and without the personal participation of the defendant.

(5) The expenses of sending the defendant to the custody of the director of the department of institutions to be placed in an appropriate institution of the state department of institutions, of keeping him there, and of bringing him back are chargeable to the state and payable according to procedures established under 3-5-902(1)."

Section 5. Section 46-14-302, MCA, is amended to read:

**"46-14-302. Discharge or release upon motion of superintendent.** (1) If the superintendent of the Montana state hospital believes that a person committed to his custody under 46-14-301 may be discharged or released on condition without danger to himself or others, he shall make application for the discharge or release of the person in a report to the court by which the person was committed and shall send a copy of the application and report to the county attorney of the county from which the defendant was committed.

(2) The court shall then appoint at least two *persons who are qualified psychiatrists or licensed clinical psychologists* to examine the person and to report their opinion as to his mental condition within 60 days or a longer period which the court determines to be necessary for the purpose. To facilitate the examinations and the proceedings thereon, the court may have the person confined in any institution located near the place where the court sits which may hereafter be designated by the superintendent of the Montana state hospital as suitable for the temporary detention of irresponsible persons.

(3) If the court is satisfied by the report filed under subsection (1) of this section and the testimony of the reporting *psychiatrists or licensed clinical psychologists* which the court considers necessary that the committed person may be discharged or released on condition without danger to himself or others, the court shall order his discharge or his release on conditions which the court determines to be necessary.

(4) If the court is not satisfied, it shall promptly order a hearing to determine whether the person may safely be discharged or released. A hearing is considered a civil proceeding, and the burden is upon the committed person to prove by a preponderance of the evidence that he may safely be

discharged or released. According to the determination of the court upon the hearing, the committed person shall then be discharged or released on conditions which the court determines to be necessary or shall be recommitted to the custody of the superintendent of the Montana state hospital, subject to discharge or release only in accordance with the procedures prescribed in this section and 46-14-303."

Approved March 19, 1987.

**Section 1. Medical support obligation enforcement.** (1) In all proceedings initiated pursuant to this part, the department shall require parents obligated to pay child support to secure and maintain health insurance coverage for each dependent child, at a cost not to exceed 5% of net income, whenever such health insurance is available through their employment. However, if a court of competent jurisdiction has entered an order establishing a current support obligation and has ordered the obligated parent to secure and maintain health insurance coverage for each dependent child, the department shall enforce the obligation as ordered by the court.

(b) has not been continuously maintained, the department may enter a final order requiring the obligated parent to pay the sum assessed in accordance with this section for each month coverage was not maintained.

(5) Any amounts collected pursuant to this section must be returned to the general fund to help offset expenditures for medicaid.

(a) the amount of money necessary to pay the special improvement district assessments levied against the school district which become due during the ensuing school fiscal year; and

(b) a limited cash reserve for the school fiscal year following the ensuing school fiscal year as provided in subsection (3).

(3) At the end of each school fiscal year, the trustees of a school district may designate a portion of the end-of-the-year cash balance of the debt service fund to be earmarked as a limited cash reserve for the purpose of paying, whenever a cash flow shortage occurs, debt service fund warrants and bond obligations which must be paid from July 1 through November 30 of the school fiscal year following the ensuing school fiscal year. (iii) any other moneys anticipated by the trustees to be available in the debt service fund during the ensuing school fiscal year from such sources as legally authorized money transfers into the debt service fund or from rental income;

(b) the total amount available to reduce the property tax, determined in subsection (1)(a), shall be subtracted from the final budget expenditure amount for the debt service fund as established in 20-9-438;

(c) the net debt service fund levy requirement determined in subsection (1)(b) shall be reported to the county commissioners on the second Monday of August by the county superintendent as the net debt service fund levy requirement for the district, and a levy shall be made by the county commissioners in accordance with 20-9-142.

If, upon the hearing of such application, it shall appear to the satisfaction of the court that the board of county commissioners of such county has failed to make a levy or has made a levy that is insufficient to raise the amount required to be raised as established in the manner provided in this section, the court shall determine the amount of such deficiency and shall issue a writ of mandate directed to and requiring the board of county commissioners, at the next meeting for the purpose of fixing tax levies for county purposes, to fix and make a levy against all taxable property in such school district that is sufficient to raise the amount of such deficiency. Such levy shall be in addition to any levy required to be made at that time for the then-ensuing school fiscal year. Any costs which may be allowed or awarded the petitioner in any such proceeding shall be paid by the members of the board of county commissioners and shall not be a charge against the school district or the county."

**"70-22-205. Technical description of zones.** For purposes of more precisely defining the Montana coordinate systems *NAD 27* and *NAD 83*, the following description by the national ocean survey/national geodetic survey (formerly the United States coast and geodetic survey) is adopted:

(1) The Montana coordinate system *NAD 27*, north zone, is a Lambert conformal projection of the Clarke spheroid of 1866, having standard parallels at north latitudes 47° 51' and 48° 43', along which parallels the scale shall be exact. The origin of coordinates is at the intersection of the meridian 109° 30' west of Greenwich and the parallel 47° 00' north latitude. This origin is given the coordinates:  $x = 2,000,000$  feet and  $y = 0$  feet.

(2) The Montana coordinate system *NAD 27*, central zone, is a Lambert conformal projection of the Clarke spheroid of 1866, having standard parallels at north latitudes 46° 27' and 47° 53', along which parallels the scale shall be exact. The origin of coordinates is at the intersection of the meridian 109° 30' west of Greenwich and the parallel 45° 50' north latitude. This origin is given the coordinates:  $x = 2,000,000$  feet and  $y = 0$  feet.

(3) The Montana coordinate system *NAD 27*, south zone, is a Lambert conformal projection of the Clarke spheroid of 1866, having standard parallels at north latitudes 44° 52' and 46° 24', along which parallels the scale shall be exact. The origin of coordinates is at the intersection of the meridian 109° 30' west of Greenwich and the parallel 44° 00' north latitude. This origin is given the coordinates:  $x = 2,000,000$  feet and  $y = 0$  feet.

(4) The Montana coordinate system *NAD 83* is a Lambert conformal conic projection of the GRS 80 (Geodetic Reference System 1980) ellipsoid, having standard parallels of north latitudes 45° 00' and 49° 00', along which parallels the scale shall be exact. The origin of coordinates is at the intersection of the meridian 109° 30' west of Greenwich and the parallel 44° 15' north latitude. This origin is given the coordinates:  $x = 600,000$  meters and  $y = 0$  meters."

Section 6. Section 70-22-206, MCA, is amended to read:

**"70-22-206. Conformity to standards required for use of coordinates in recorded instrument.** No coordinates based on the Montana coordinate systems *NAD 27* and *NAD 83* purporting to define the position of a point on a land boundary shall be presented to be recorded in any public land records or deed records unless the coordinates have been established in conformity with the national prescribed standards for third-order class II horizontal control surveys and provided that these surveys have been tied to or originated from monumented first- or second-order horizontal control stations that are adjusted to and published in the national network of geodetic control and are within 3 miles of said land boundaries. Standards of accuracy and specifications apply for first-, second-, and third-order geodetic surveying as prepared and published by the federal geodetic control committee (FGCC) of the United States department of commerce or its successors. Publication of the existing control stations or acceptance with intent to publish newly established control stations by the national ocean survey/national geodetic survey constitutes evidence of adherence to FGCC specifications."

**"70-22-207. Use of term Montana coordinate system limited.** The use of the term "Montana coordinate system NAD 27 north, central, or south zone" or "Montana coordinate system NAD 83" on any map, report of survey, or other document shall be limited to coordinates based on the Montana coordinate systems as defined in this part."

Section 8. Section 70-22-208, MCA, is amended to read:

**"70-22-208. Public land survey description to prevail.** Whenever coordinates based on the Montana coordinate system are used to describe any tract of land which in the same document is also described by reference to any subdivision, line, or corner of the United States public land surveys, the description by coordinates shall be construed as supplemental to the basic description of such subdivision, line, or corner contained in the official plats and field notes filed of record."

Section 9. Section 70-22-209, MCA, is amended to read:

**"70-22-209. Purchaser or mortgagee not required to rely on description using systems.** Nothing contained in this part shall require any purchaser or mortgagee to rely on a description, any part of which depends exclusively upon the Montana coordinate systems."

Section 10. **Limit on use of Montana coordinate system NAD 27.** The Montana coordinate system NAD 27 north, central, and south zone may not be used after July 1, 1993; the Montana coordinate system NAD 83 is the sole system to be used after this date.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 33-2-117, MCA, is amended to read:

**"33-2-117. Continuance, expiration, reinstatement, and amendment of certificate of authority.** (1) Certificates of authority issued or

renewed under this code shall continue in force as long as the insurer is entitled thereto under this code and until suspended or revoked or otherwise terminated; subject, however, to continuance of the certificate by the insurer each year by payment prior to May 15 of the continuation fee provided in 33-2-708.

(2) If not so continued by the insurer, its certificate of authority shall expire at midnight on May 31 next following such failure of the insurer so to continue it in force. The commissioner shall promptly notify the insurer of the occurrence of any such failure resulting in impending expiration of its certificate of authority.

(3) The commissioner may, in his discretion, reinstate a certificate of authority which the insurer has inadvertently permitted to expire, after the insurer has fully cured all its failures which resulted in such expiration and upon payment by the insurer of the fee for reinstatement in addition to the current continuation fee, as provided in 33-2-708. Otherwise, the insurer shall be granted another certificate of authority only after filing application therefor and meeting all other requirements as for an original certificate of authority in this state.

(4) The commissioner may amend a certificate of authority at any time to accord with changes in the insurer's charter of insuring powers."

Section 2. Section 33-7-101, MCA, is amended to read:

No law hereafter enacted shall apply to them unless they be expressly designated therein.

(2) In addition to the provisions contained in this chapter, other chapters and provisions of this title shall apply to fraternal benefit societies to the extent applicable and not in conflict with the express provisions of this chapter and the reasonable implications thereof, as follows: parts 1, 2, 3, 4, and 7 of chapter 1; 33-2-104; 33-2-107; 33-2-112; chapter 2, part 13; 33-3-308; 33-15-502; chapter 18; *chapter 20; and chapter 22.*"

A deductible or reduction in benefits applicable to the coverage for newborn infants is not permissible unless it conforms and is consistent with the deductible or reduction in benefits applicable to all other covered persons.

(3) No policy or certificate of insurance may be issued or amended in this state if it contains any disclaimer, waiver, or other limitation of coverage relative to the accident and sickness coverage or insurability of newborn infants of an insured from and after the moment of birth.

(4) If payment of a specific premium or subscription fee is required to provide coverage for a child, the policy or contract may require that notification of birth of a newly born child and payment of the required premium or fees must be furnished to the insurer or nonprofit service or indemnity corporation within 31 days after the date of birth in order to have the coverage continue beyond such 31-day period."

(a) the limit of insurance coverage available for any one accident is the limit specified for the *motor* vehicle involved in the accident;

(b) if no *motor* vehicle insured under the policy is involved in the accident, the limit of insurance coverage available for any one accident is the highest limit of coverage specified for any one *motor* vehicle insured under the policy; and

(c) the limits of coverage specified for each *motor* vehicle insured under the policy *may* not be added together to determine the limit of insurance coverage available under the policy for any one accident.

(4) This section *does not* apply to nonrenewal of a *motor vehicle liability policy*."

Section 11. Section 33-23-212, MCA, is amended to read:

**"33-23-212. Notice required for cancellation — exception — statement that insurer will specify reason upon request — penalty.**

(1) Notwithstanding any other provision of this code, no cancellation by an insurer of a *motor vehicle* liability insurance policy may be effective prior to the mailing or delivery to the named insured at the address shown in the policy of a written notice of the cancellation stating when, not less than 30 days after the date of such mailing or delivery, the date the cancellation shall become effective.

(2) No notice of cancellation of a policy to which 33-23-211 applies may be effective unless mailed or delivered by the insurer to the named insured at least 30 days prior to the effective date of cancellation; provided, however, that where cancellation is for nonpayment of premium, at least 10 days' notice of cancellation accompanied by the reason therefor *must* be given. Unless the reason accompanies or is included in the notice of cancellation, the notice of cancellation *must* state or be accompanied by a statement that upon written request of the named insured, mailed or delivered to the insurer not less than 15 days prior to the effective date of cancellation, the insurer will specify the reason for such cancellation.

Such notice *must* contain or be accompanied by a statement that upon written request made not later than 1 month following the termination date of the policy of the named insured mailed or delivered to the insurer, the insurer will notify the insured in writing, within 15 days of his request, of the reason or reasons for such nonrenewal.

(2) Notwithstanding the failure of an insurer to comply with this section, the *motor vehicle liability* policy *must* terminate on the effective date of any other replacement or succeeding *motor vehicle liability* policy procured by the insured with respect to any *motor vehicle* designated in both policies.

(3) This section *does* not apply where the named insured has failed to discharge when due any of his obligations in connection with the payment of premiums for the policy or the renewal thereof or any installment payments therefor, whether payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit.

(c) if the insured’s agent or broker has secured other coverage acceptable to the insured at least 20 days prior to the anniversary date of the policy or termination of the policy period.

[SB 281]

AN ACT TO CLARIFY THE STATE'S SUPERVISION OF COUNTY WELFARE DEPARTMENTS; TO SET FORTH WHO HAS THE DISMISSAL AUTHORITY FOR COUNTY WELFARE EMPLOYEES; TO REQUIRE THE DEPARTMENT OF SOCIAL AND REHABILITATION SERVICES TO PROVIDE COUNTIES WITH CERTAIN BUDGETING INFORMATION; AMENDING SECTIONS 53-2-304 AND 53-2-322, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 53-2-304, MCA, is amended to read:

**"53-2-304. Staff personnel of county department.** (1) Each county board shall select and appoint from a list of qualified persons furnished by the department of social and rehabilitation services such staff

personnel as are necessary. The staff personnel in each county shall consist of at least one qualified staff worker (or investigator) and such clerks and stenographers as may be decided necessary. If conditions warrant, the county board, with the approval of the department of social and rehabilitation services, may appoint some fully qualified person listed by the department as supervisor of its staff personnel. The staff personnel of each county department are directly responsible to the county board, but the department of social and rehabilitation services may supervise such county employees in respect to the efficient and proper performance of their duties. The county board of public welfare may not dismiss any member of the staff personnel without the approval of the department of social and rehabilitation services. *The department may request the county board to dismiss any member of the staff personnel for inefficiency, incompetence, or similar cause. The final authority for dismissal is the county board. In counties where the department has assumed the administration of welfare duties, the final authority for dismissal is the director of the department.*

(2) Public assistance staff personnel attached to the county board shall be paid from state public assistance funds both their salaries and their travel expenses as provided for in 2-18-501 through 2-18-503 when away from the county seat in the performance of their duties, but the county board of public welfare shall reimburse the department of social and rehabilitation services from county poor funds the full amount of the salaries and travel expenses not reimbursed to the department by the federal government and the full amount of the department's administrative costs which are allocated by the department to the county for the administration of county welfare programs and not reimbursed to the department by the federal government. Under circumstances prescribed by the department of social and rehabilitation services, the reimbursement by the county board of public welfare may be less than the county share as prescribed above. All other administrative costs of the county department shall also be paid from county poor funds.

(3) On or before the 20th day of the month following the month for which the payments to the public assistance staff personnel of the county were made, the department of social and rehabilitation services shall present to the county department of public welfare a claim for the required reimbursements. The county board shall make such reimbursements within 20 days after the presentation of the claim, and the department of social and rehabilitation services shall credit (add) all such reimbursements to its account for administrative costs.

(4) If a county has transferred its public assistance and protective services responsibilities to the department of social and rehabilitation services under part 8 of this chapter, the department shall select, appoint, and supervise all necessary public assistance and protective services personnel, including if necessary a supervisor of staff personnel. All such personnel are directly responsible to the department."

Section 2. Section 53-2-322, MCA, is amended to read:

**"53-2-322. County to levy taxes, budget, and make expenditures for public assistance activities.** (1) The board of county commissioners in each county shall levy 13.5 mills for the county poor fund as

provided by law or so much thereof as may be necessary. Counties transferring public assistance and protective services responsibilities to the department of social and rehabilitation services under part 8 of this chapter may not levy more than the difference between 13.5 mills and the state levy pursuant to 53-2-813.

(2) The board shall budget and expend so much of the funds in the county poor fund for public assistance purposes as will enable the county welfare department to pay the general relief activities of the county and to reimburse the department of social and rehabilitation services for the county's proportionate share of the administrative costs of the county welfare department and of all public assistance and its proportionate share of any other public assistance activity that may be carried on jointly by the state and the county.

(3) The amounts set up in the budget for the reimbursements to the department of social and rehabilitation services shall be sufficient to make all of these reimbursements in full. The budget shall make separate provision for each one of these public assistance activities, and proper accounts shall be established for the funds for all such activities.

(4) *The department of social and rehabilitation services shall submit to the counties, no later than May 10, the most current county participation percentages that are necessary to establish preliminary county budgets. As soon as the county proposed budget provided for in 7-6-2315 has been agreed upon, a copy thereof shall without delay be mailed to the department of social and rehabilitation services, and at any time before the final adoption of the budget, the department shall make such recommendations with regard to changes in any part of the budget relating to the county poor fund as considered necessary in order to enable the county to discharge its obligations under the public assistance laws.*

(5) The department of social and rehabilitation services shall promptly examine the county proposed budget in order to ascertain if the amounts provided for reimbursements to the department are likely to be sufficient and shall notify the county clerk of its findings. The board shall make such changes in the amounts provided for reimbursements, if any are required, in order that the county will be able to make the reimbursements in full.

(6) The board of county commissioners may not make any transfer from the amounts budgeted for reimbursing the department of social and rehabilitation services without having first obtained a statement in writing from the department to the effect that the amount to be transferred will not be required during the fiscal year for the purposes for which the amounts were provided in the budget.

(7) No part of the county poor fund, irrespective of the source of any part thereof, may be used directly or indirectly for the erection or improvement of any county building so long as the fund is needed for general relief expenditures by the county or is needed for paying the county's proportionate share of public assistance or its proportionate share of any other public assistance activity that may be carried on jointly by the state and the county. Expenditures for improvement of any county buildings used directly for care of the poor, except a county hospital or county nursing

home, may be made out of any moneys in the county poor fund, whether such moneys are produced by the 13.5-mill levy provided for in subsection (1) of this section or from any additional levy authorized or to be authorized by law. Such expenditure shall be authorized only when any county building used for the care of the poor must be improved in order to meet legal standards required for such buildings by the department of health and environmental sciences and when such expenditure has been approved by the department of social and rehabilitation services."

Section 3. **Effective date.** This act is effective on passage and approval.

Approved March 22, 1987.

## CHAPTER NO. 148

[HB 80]

AN ACT TO PROVIDE THAT A NEWSPAPER CARRIER OR FREE-  
LANCE CORRESPONDENT IS NOT COVERED BY THE WORK-  
ERS' COMPENSATION ACT UNLESS THE EMPLOYER ELECTS  
COVERAGE; AND AMENDING SECTION 39-71-401, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 39-71-401, MCA, is amended to read:

**"39-71-401. Employments covered and employments exempted.**  
(1) Except as provided in subsection (2) of this section, the Workers' Compensation Act applies to all employers as defined in 39-71-117 and to all

employees as defined in 39-71-118. An employer who has any employee in service under any appointment or contract of hire, expressed or implied, oral or written, shall elect to be bound by the provisions of compensation plan No. 1, 2, or 3. Every employee whose employer is bound by the Workers' Compensation Act is subject to and bound by the compensation plan that has been elected by the employer.

(2) Unless the employer elects coverage for these employments under this chapter and an insurer allows such an election, the Workers' Compensation Act does not apply to any of the following employments:

- (a) household and domestic employment;
- (b) casual employment as defined in 39-71-116(3) except employment of a volunteer under 67-2-105;
- (c) employment of members of an employer's family dwelling in the employer's household;
- (d) employment of sole proprietors or working members of a partnership other than those who consider themselves or hold themselves out as independent contractors and who are not contracting for agricultural services to be performed on a farm or ranch, or for broker or salesman services performed under a license issued by the board of realty regulation, or for services as a direct seller engaged in the sale of consumer products to customers primarily in the home;
- (e) employment for which a rule of liability for injury, occupational disease, or death is provided under the laws of the United States;
- (f) any person performing services in return for aid or sustenance only, except employment of a volunteer under 67-2-105;
- (g) employment with any railroad engaged in interstate commerce, except that railroad construction work shall be included in and subject to the provisions of this chapter;
- (h) employment as an official, including a timer, referee, or judge, at a school amateur athletic event, unless the person is otherwise employed by a school district;
- (i) *any person performing services as a newspaper carrier or free-lance correspondent if the person performing the services or a parent or guardian of the person performing the services in the case of a minor has acknowledged in writing that the person performing the services and the services are not covered. As used in this subsection "free-lance correspondent" is a person who submits articles or photographs for publication and is paid by the article or by the photograph. As used in this subsection "newspaper carrier":*
  - (i) *is a person who provides a newspaper with the service of delivering newspapers singly or in bundles; but*
  - (ii) *does not include an employee of the paper who incidentally to his main duties, carries or delivers papers.*

(3) A sole proprietor or working member of a partnership who holds himself out or considers himself an independent contractor and who is not

contracting for agricultural services to be performed on a farm or ranch, or for broker or salesman services performed under a license issued by the board of realty regulation, or for services as a direct seller engaged in the sale of consumer products to customers primarily in the home must elect to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3, but he may apply to the division for an exemption from the Workers' Compensation Act for himself. The application must be made in accordance with the rules adopted by the division. The division may deny the application only if it determines that the applicant is not an independent contractor. When an application is approved by the division, it is conclusive as to the status of an independent contractor and precludes the applicant from obtaining benefits under this chapter.

(4) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of compensation insurance. A workplace is any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over such place of business or property for the purpose of carrying on his usual trade, business, or occupation. The sign will be provided by the division, distributed through insurers or directly by the division, and posted by employers in accordance with rules adopted by the division. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a \$50 fine for each citation."

**Section 2. Extension of authority.** Any existing authority of the division of workers' compensation to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 22, 1987.

Such disqualification continues for the week in which such failure occurs and until the individual has performed services, other than self-employment, for which remuneration is received equal to or in excess of six times that individual's weekly benefit amount subsequent to the date the act causing the disqualification occurred, with a reduction in the individual's maximum benefit amount equal to six times the weekly benefit amount, as determined by the department, provided the individual has not left this work under disqualifying circumstances.*

(c) if, as a condition of being employed, the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

(4) Subject to subsection (3), after 13 weeks of unemployment, suitable work is work that meets the criteria in this section and that offers 75% of the individual's earnings in previous insured work in *the individual's* customary occupation. No individual, however, is required to accept a job paying less than the federal minimum wage."

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 17-2-107, MCA, is amended to read:

**"17-2-107. Accurate accounting records and interaccount loans.**

(1) The department of administration shall record receipts and disbursements for treasury funds and for accounts within treasury funds and shall maintain records in such a manner as to reflect the total cash and invested balance of each fund and each account. The department of administration shall adopt the necessary procedures to insure that interdepartmental or intradepartmental transfers of money do not result in inflation of figures reflecting total governmental costs and revenues.

(2) When the expenditure of an appropriation is necessary and the cash balance in the account from which the appropriation was made is insufficient, the department of administration may authorize a transfer, as a

temporary loan bearing no interest, of unrestricted moneys from other accounts, provided that there is reasonable evidence that the income will be sufficient to restore the amount so transferred within 1 calendar year and provided the loan is recorded in the state accounting records. The loan must be repaid within 1 calendar year of the date the loan is approved unless it is extended under subsection (3) or by specific legislative authorization. No account shall be so impaired that all proper demands thereon cannot be met even if the loan is extended.

(3) Under unusual circumstances the director of the department of administration may grant one extension of a loan for up to 1 year. The department of administration shall prepare a written justification and proposed repayment plan for each loan extension authorized and shall furnish a copy of the written justification and proposed repayment plan to the house appropriations and senate finance and claims committees at the next legislative session.

(4) Any loan from the general fund or the current unrestricted subfund to funds designated in subsections (1)(d)(i)(D) and (1)(d)(ii) through (1)(d)(vi) of 17-2-102 shall bear interest at a rate equivalent to the previous fiscal year's average rate of return on the board of investments' short-term investment pool. Except for investment earnings on restricted donations, all designated and restricted subfund investment earnings are credited to the state general fund.

(5) No accounting entity may have a negative cash balance at fiscal yearend. The department of administration may, however, allow any entity to carry a negative balance at any point during the fiscal year subject to the following restrictions:

(a) Accounting entity negative cash balances may not exist more than 7 working days in the funds provided in subsections (1)(a) through (1)(c) of 17-2-102.

(b) Units of the university system and postsecondary vocational-technical centers must maintain positive cash balances in the subfunds provided in subsections (1)(d)(i)(A) through (1)(d)(i)(D) and (1)(d)(ii) through (1)(d)(vi) of 17-2-102.

(6) *Notwithstanding the provisions of subsections (2) through (4), the department of social and rehabilitation services may maintain positive cash balances in the federal special revenue fund with long-term repayment whenever necessary due to the timing for transmittal of obligated matching funds if it can be demonstrated to the satisfaction of the department of administration that the total loan balance does not exceed total receivables from federal and county governments and receivables have been billed on a timely basis. The loan must be repaid under such terms and conditions as may be determined by the department of administration or by specific legislative authorization."*

**Section 2. Extension of authority.** Any existing authority of the department of administration to make rules on the subject of the provisions of this act is extended to the provisions of this act.

(4) Upon the utility's acceptance of the application for water service, the consumer shall have the right to take and receive a supply of water for the particular premises for the purposes specified in the application subject to compliance by the consumer with these rules and any special rules promulgated by the utility.

(5) When an application for new water service has been accepted, the utility at its own expense will tap the main and furnish corporation cock, and clamp when necessary, and any other material used or labor furnished in connection with the tapping of the main. *The consumer of water service is responsible for the cost of constructing water service pipelines from the main to his premises and for maintaining water service pipelines from his property line to his premises. The private water service provider is responsible for the cost of maintaining water service pipelines from the main to the consumer's property line, except that the consumer shall pay for pipe and other supplies used in maintaining water service lines between the*

*main and his property line.* The utility shall assist consumers and/or excavation contractors in locating water service mains and lines prior to the consumer beginning excavation in order to avoid water service interruptions due to broken mains and lines. The service pipe must be laid below street grade, on the premises of the consumer and at a standard depth designated by the utility to prevent freezing. A curb cock and curb box of approved pattern must be installed by the consumer at a point designated by the utility. Whenever a tap is made through which regular service is not immediately desired, the consumer will bear the entire expense of tapping, subject to a refund whenever regular service is begun.

(7) Contractors, builders or owners are required to apply for permit for the use of water for building and other purposes in construction work. Consumers are warned not to allow the use of their water fixtures unless the contractors, the builders or the owners produce a permit issued by the utility specifying the premises on which the water is to be used. *Be it enacted by the Legislature of the State of Montana:*

Section 1. **Short title.** [Sections 1 through 10] may be cited as the "Uniform Premarital Agreement Act".

Section 2. **Application and construction.** [Sections 1 through 10] must be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of [sections 1 through 10] among the states enacting it.

Section 3. **Definitions.** As used in [sections 1 through 10], the following definitions apply:

(1) "Premarital agreement" means an agreement between prospective spouses made in contemplation of marriage and to be effective upon marriage.

(2) "Property" means an interest, present or future, legal or equitable, vested or contingent, in real or personal property, including income and earnings.

**Section 4. Formalities.** A premarital agreement must be in writing and signed by both parties. It is enforceable without consideration.

**Section 5. Content.** (1) Parties to a premarital agreement may contract with respect to:

(a) the rights and obligations of each of the parties in any of the property of either or both of them, whenever and wherever acquired or located;

(b) the right to buy, sell, use, transfer, exchange, abandon, lease, consume, expend, assign, create a security interest in, mortgage, encumber, dispose of, or otherwise manage and control property;

(c) the disposition of property upon separation, marital dissolution, death, or the occurrence or nonoccurrence of any other event;

(d) the modification or elimination of spousal support;

(e) the making of a will, trust, or other arrangement to carry out the provisions of the agreement;

(f) the ownership rights in and disposition of the death benefit from a life insurance policy;

(g) the choice of law governing the construction of the agreement; and

(2) The right of a child to support may not be adversely affected by a premarital agreement.

**Section 6. When agreement becomes effective.** A premarital agreement becomes effective upon marriage.

**Section 7. Amendment — revocation.** After marriage, a premarital agreement may be amended or revoked only by a written agreement signed by both parties. The amended agreement or the revocation is enforceable without consideration.

**Section 8. Enforcement.** (1) A premarital agreement is not enforceable if the party against whom enforcement is sought proves that:

(a) that party did not execute the agreement voluntarily; or

(b) the agreement was unconscionable when it was executed and, before execution of the agreement, that party:

(i) was not provided a fair and reasonable disclosure of the property or financial obligations of the other party;

(ii) did not voluntarily and expressly waive, in writing, any right to disclosure of the property or financial obligations of the other party beyond the disclosure provided; and

(iii) did not have or reasonably could not have had an adequate knowledge of the property or financial obligations of the other party.

(2) If a provision of a premarital agreement modifies or eliminates spousal support and that modification or elimination causes one party to

the agreement to be eligible for support under a program of public assistance at the time of separation or marital dissolution, a court, notwithstanding the terms of the agreement, may require the other party to provide support to the extent necessary to avoid that eligibility.

(3) An issue of unconscionability of a premarital agreement must be decided by the court as a matter of law.

**Section 9. Enforcement when marriage void.** If a marriage is declared invalid, an agreement that would otherwise have been a premarital agreement is enforceable only to the extent necessary to avoid an inequitable result.

**Section 10. Limitation of actions.** Any statute of limitations applicable to an action asserting a claim for relief under a premarital agreement is tolled during the marriage of the parties to the agreement. However, equitable defenses limiting the time for enforcement, including laches and estoppel, are available to either party.

**"40-2-312. Marriage settlement contracts — how executed.** *Except as provided in [sections 1 through 10], all contracts for marriage settlements must be in writing and executed and acknowledged or proved in like manner as a grant of land is required to be executed and acknowledged or proved."*

**Section 12.** Section 40-2-314, MCA, is amended to read:

**"40-2-314. Effect of recording.** *Except as provided in [sections 1 through 10], the recording or nonrecording of such contract has a like effect as the recording or nonrecording of a grant of real property."*

**"40-4-202. Division of property.** (1) In a proceeding for dissolution of a marriage, legal separation, or division of property following a decree of dissolution of marriage or legal separation by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to divide the property, the court, without regard to marital misconduct, shall, and in a proceeding for legal separation may, finally equitably apportion between the parties the property and assets belonging to either or both, however and whenever acquired and whether the title thereto is in the name of the husband or wife or both. In making apportionment, the court shall consider the duration of the marriage and prior marriage of either party; the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, and needs of each of the parties; custodial provisions; whether the apportionment is in lieu of or in addition to maintenance; and the opportunity of each for future acquisition of capital assets and income. The court shall also consider the contribution or dissipation of value of the respective estates and the contribution of a spouse as a homemaker or to the family unit. In dividing property acquired prior to the marriage; property acquired by gift, bequest, devise, or descent; property acquired in exchange for property acquired before the marriage or in exchange for property acquired by gift, bequest, devise, or descent; the

increased value of property acquired prior to marriage; and property acquired by a spouse after a decree of legal separation, the court shall consider those contributions of the other spouse to the marriage, including:

- (a) the nonmonetary contribution of a homemaker;
- (b) the extent to which such contributions have facilitated the maintenance of this property; and
- (c) whether or not the property division serves as an alternative to maintenance arrangements.

(2) In a proceeding, the court may protect and promote the best interests of the children by setting aside a portion of the jointly and separately held estates of the parties in a separate fund or trust for the support, maintenance, education, and general welfare of any minor, dependent, or incompetent children of the parties.

(3) Each spouse is considered to have a common ownership in marital property that vests immediately preceding the entry of the decree of dissolution or declaration of invalidity. The extent of the vested interest must be determined and made final by the court pursuant to this section.

(4) The division and apportionment of marital property caused by or incident to a decree of dissolution, a decree of legal separation, or a declaration of invalidity is not a sale, exchange, transfer, or disposition of or dealing in property but is a division of the common ownership of the parties for purposes of:

- (a) the property laws of this state;
- (b) the income tax laws of this state; and
- (c) the federal income tax laws.

(5) *Premarital agreements must be enforced as provided in [sections 1 through 10]."*

**Section 14. Repealer.** Section 40-2-313, MCA, is repealed.

**Section 15. Codification instruction.** Sections 1 through 10 are intended to be codified as an integral part of Title 40, chapter 2, and the provisions of Title 40, chapter 2, apply to sections 1 through 10.

**Section 16. Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

**Section 9. (2) Unless adequate provision has been made for the purposes listed in subsection (1), no irrigation district may transfer the revenue of the undertaking to its general fund.

(2) The validity of the bonds is not dependent on the validity or regularity of any proceedings relating to the acquisition, construction, or improvement of the undertaking for which the bonds are issued.

(3) The resolution authorizing the bonds may provide that the bonds must contain a recital that they are issued pursuant to [sections 1 through 20], which recital must be conclusive evidence of their validity and of the regularity of the issuance.

**Section 15. Liens arising from bonds.** The resolution authorizing the bonds must specify and define the revenues or portion of the undertaking's revenues that is appropriated and pledged for the security and payment of the bond principal and interest and the relative security of liens on the revenues in favor of bonds of one or more series or issues, whether issued concurrently or at different times.

## CHAPTER NO. 197

[HB 408]

AN ACT CLARIFYING THAT WATER MAY BE RESERVED FOR EXISTING OR FUTURE BENEFICIAL USES ONLY IN THE BASIN WHERE IT IS RESERVED UNLESS WATER PROPOSED FOR A BENEFICIAL USE OUTSIDE THE BASIN WHERE THE DIVERSION OCCURS IS NOT REASONABLY AVAILABLE UNDER THE WATER LEASING PROGRAM; AND AMENDING SECTION 85-2-316, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 85-2-316, MCA, is amended to read:

**"85-2-316. Reservation of waters.** (1) The state or any political subdivision or agency thereof or the United States or any agency thereof may apply to the board to reserve waters for existing or future beneficial uses or to maintain a minimum flow, level, or quality of water throughout the year or at such periods or for such length of time as the board designates.

(2) (a) Water may be reserved for existing or future beneficial uses in the basin where it is reserved, as described by the following basins:

(i) the Clark Fork River and its tributaries to its confluence with Lake Pend Oreille in Idaho;

(ii) the Kootenai River and its tributaries to its confluence with Kootenay Lake in British Columbia;

(iii) the St. Mary River and its tributaries to its confluence with the Oldman River in Alberta;

(iv) the Little Missouri River and its tributaries to its confluence with Lake Sakakawea in North Dakota;

(v) the Missouri River and its tributaries to its confluence with the Yellowstone River in North Dakota; and

(vi) the Yellowstone River and its tributaries to its confluence with the Missouri River in North Dakota.

(b) A water reservation may be made for an existing or future beneficial use outside the basin where the diversion occurs only if stored water is not reasonably available for water leasing under 85-2-141 and the proposed use would occur in a basin designated in subsection (2)(a).

(3) Upon receiving an application, the department shall proceed in accordance with 85-2-307 through 85-2-309. After the hearing provided in 85-2-309, the board shall decide whether to reserve the water for the applicant. The department's costs of giving notice, holding the hearing, conducting investigations, and making records incurred in acting upon the application to reserve water, except the cost of salaries of the department's personnel, shall be paid by the applicant. In addition, a reasonable proportion of the department's cost of preparing an environmental impact statement shall be paid by the applicant unless waived by the department upon a showing of good cause by the applicant.

(4) (a) The board may not adopt an order reserving water unless the applicant establishes to the satisfaction of the board:

- (i) the purpose of the reservation;
- (ii) the need for the reservation;
- (iii) the amount of water necessary for the purpose of the reservation;
- (iv) that the reservation is in the public interest.

(b) In determining the public interest under subsection (4)(a)(iv), the board may not adopt an order reserving water for withdrawal and transport for use outside the state unless the applicant proves by clear and convincing evidence that:

(i) the proposed out-of-state use of water is not contrary to water conservation in Montana; and

(ii) the proposed out-of-state use of water is not otherwise detrimental to the public welfare of the citizens of Montana.

(c) In determining whether the applicant has proved by clear and convincing evidence that the requirements of subsections (4)(b)(i) and (4)(b)(ii) are met, the board shall consider the following factors:

(i) whether there are present or projected water shortages within the state of Montana;

(ii) whether the water that is the subject of the application could feasibly be transported to alleviate water shortages within the state of Montana;

(iii) the supply and sources of water available to the applicant in the state where the applicant intends to use the water; and

(iv) the demands placed on the applicant's supply in the state where the applicant intends to use the water.

(d) When applying for a reservation to withdraw and transport water for use outside the state, the applicant shall submit to and comply with the laws of the state of Montana governing the appropriation, lease, use, and reservation of water.

(5) If the purpose of the reservation requires construction of a storage or diversion facility, the applicant shall establish to the satisfaction of the board that there will be progress toward completion of the facility and

accomplishment of the purpose with reasonable diligence in accordance with an established plan.

(6) The board shall limit any reservations after May 9, 1979, for maintenance of minimum flow, level, or quality of water that it awards at any point on a stream or river to a maximum of 50% of the average annual flow of record on gauged streams. Ungauged streams can be allocated at the discretion of the board.

(7) After the adoption of an order reserving waters, the department may reject an application and refuse a permit for the appropriation of reserved waters or may, with the approval of the board, issue the permit subject to such terms and conditions it considers necessary for the protection of the objectives of the reservation.

(8) Any person desiring to use water reserved to a conservation district for agricultural purposes shall make application for such use with the district, and the district upon approval of the application must inform the department of the approved use. The department shall maintain records of all uses of water reserved to conservation districts and be responsible, when requested by the districts, for rendering technical and administrative assistance within the department's staffing and budgeting limitations in the preparation and processing of such applications for the conservation districts. The department shall, within its staffing and budgeting limitations, complete any feasibility study requested by the districts within 12 months of the time the request was made. The board shall extend the time allowed to develop a plan identifying projects for utilizing a district's reservation so long as the conservation district makes a good faith effort, within its staffing and budget limitations, to develop a plan.

(9) A reservation under this section shall date from the date the order reserving the water is adopted by the board and shall not adversely affect any rights in existence at that time.

(10) The board shall, periodically but at least once every 10 years, review existing reservations to ensure that the objectives of the reservation are being met. Where the objectives of the reservation are not being met, the board may extend, revoke, or modify the reservation.

(11) The board may modify an existing or future order originally adopted to reserve water for the purpose of maintaining minimum flow, level, or quality of water, so as to reallocate such reservation or portion thereof to an applicant who is a qualified reservant under this section. Reallocation of reserved water may be made by the board following notice and hearing wherein the board finds that all or part of the reservation is not required for its purpose and that the need for the reallocation has been shown by the applicant to outweigh the need shown by the original reservant. Reallocation of reserved water shall not adversely affect the priority date of the reservation, and the reservation shall retain its priority date despite reallocation to a different entity for a different use. The board may not reallocate water reserved under this section on any stream or river more frequently than once every 5 years.

(12) Nothing in this section vests the board with the authority to alter a water right that is not a reservation.

(13) The department shall undertake a program to educate the public, other state agencies, and political subdivisions of the state as to the benefits of the reservation process and the procedures to be followed to secure the reservation of water. The department shall provide technical assistance to other state agencies and political subdivisions in applying for reservations under this section.

(14) Water reserved under this section is not subject to the state water leasing program established under 85-2-141."

Section 2. **Extension of authority.** Any existing authority of the board of natural resources and conservation to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 24, 1987.

Section 2. Section 80-6-102, MCA, is amended to read:

**"80-6-102. Registration.** (1) A person who owns or possesses an apiary in the state shall, before April 1 each year, register the apiary. There are four classes of apiary registration. The conditions under which the department may issue certificates of registration for each class are specified in 80-6-111 through 80-6-115.

(2) Applications shall be made to the department for registration application blanks.

(3) Registration application blanks shall be furnished by the department. The applicant shall provide the following information:

(a) a statement of the name and place of residence;

(b) the number of colonies of bees, hives, and equipment in the apiary;

(c) the location of the apiary, setting forth specifically the location by sectional division to the nearest quarter section, and the township and

range and, if within the corporate limits of a town or city, the number of the lot and block in the town or city;

(d) the name of the owner, renter, or occupant of the land on which the apiary is located and, when the application is for a new apiary being registered for the first time, the application must also show that the owner, renter, or occupant of the land has consented to the apiary being located on his land;

(e) the date when the apiary was first established;

(f) the class of apiary registration for which application is being made; and

(g) other information the department may require under rules adopted by it for the protection, safety, and welfare of the public and the beekeeping industry.

(4) Upon receipt of the application and payment of the fees prescribed, the department may issue a certificate of registration for an apiary, setting forth the name of the owner, the specific location, the number of colonies of bees or size of the apiary authorized under the registration, and the class of apiary authorized by the registration.

(5) In issuing certificates of registration for apiaries, if there is a conflict between applicants with respect to location, the department shall give preference to the applicant having the oldest continuous registered apiary.

(6) Certificates of registration may not be issued for new apiaries which are within such close proximity to established registered apiaries that there is or may be danger of spread of disease or pests or that the proximity will or may interfere with the proper feeding and honey flow of established apiaries.

(7) Before registering new apiaries, the department shall give at least 10 days' notice by certified mail to all registered apiarists likely to be affected by the proposed new apiary so that any party affected may file written protests with the department against registering the new apiary. If a written protest is filed, the department may require a hearing. Notice of the time and place of the hearing shall be given all parties interested by certified mail at least 10 days before the date set for the hearing.

(8) Suitable evidence of registration furnished by the department shall be posted by the apiary registrant in a conspicuous place at or near the apiary. If an owner has more than one apiary, suitable evidence of registration furnished by the department shall be posted at each apiary.

(9) A registration not applied for by April 1 of each year is a late registration and incurs an added penalty of 10% of the regular registration fee or \$10, whichever is greater. Registrants who fail to apply for reregistration by April 1 of each year shall be notified of their delinquency by the department. The notification shall be by certified mail and is sufficient if deposited in a United States post office or mail box and addressed to the registrant at his last address appearing in the apiary registration files of the department at least 10 days before May 1. The registration of an apiary for

which application for reregistration is not made by May 1 of each year is forfeited and all rights under the registration terminate.

(10) Any person who owns or possesses any bees, hives, colonies, or bee-keeping equipment in this state or who owns or possesses an apiary in this state and who fails or refuses to register the same as provided in this part is guilty of a misdemeanor and upon conviction thereof is subject to the penalties set forth in 80-6-303.

(11) Nothing contained in this section or in 80-6-111 through 80-6-115 shall be construed as invalidating, canceling, amending, terminating, or extending any certificate of registration issued by the department prior to October 1, 1981. All such previously issued certificates of registration remain in effect for the period for which they were issued; subject, however, to forfeiture, lapse, abandonment, and termination in the manner provided by law."

Section 3. Section 80-6-104, MCA, is amended to read:

**"80-6-104. Apiaries — termination of rights — abandonment.**

(1) The registration of an apiary which is not stocked with bees during at least part of the normal build-up or honey-producing season is forfeited and all rights under the certificate of registration terminate.

(2) An apiary not regularly attended in accordance with good beekeeping practice, which comprises a hazard or threat to disease or *pest* control in the beekeeping industry or which by reason of its physical condition or construction cannot be inspected, or any apiary not registered in accordance with 80-6-102, may be considered an abandoned apiary and may be seized by the department. Any *pest-infected* or diseased equipment or equipment which by reason of its physical condition or construction cannot be inspected may be burned, and the remainder may be sold at public auction. Proceeds, after the cost of the sale is deducted, shall be returned to the former owner or his estate. Before burning or selling any equipment, the department shall give the owner or person in charge a written notice at least 5 days before the burning or sale. The notice shall be given by certified mail or personal service upon the owner or person in charge of the property. If the owner or person in charge cannot be located, a certified letter sent to the owner's last address registered with the department is sufficient notice under this section."

Section 4. Section 80-6-105, MCA, is amended to read:

**"80-6-105. Registration fees.** (1) Each year before a certificate of registration may be issued for an apiary, the owner or applicant for the certificate shall pay the department a registration fee in accordance with the following schedule of fees for the total number of colonies owned or possessed:

|          |                           |          |
|----------|---------------------------|----------|
| 1 to     | 10 colonies of bees ..... | \$ 10.00 |
| 11 to    | 200 colonies .....        | 25.00    |
| 201 to   | 500 colonies .....        | 40.00    |
| 501 to   | 1,000 colonies .....      | 70.00    |
| 1,001 to | 3,000 colonies .....      | 100.00   |

|                                 |        |
|---------------------------------|--------|
| 3,001 to 5,000 colonies .....   | 140.00 |
| 5,001 colonies and upward ..... | 200.00 |

(2) If, after registration, additional or new colonies are authorized for a registered apiary, fees shall be paid by the registrant in accordance with the schedule in subsection (1) for the total number of colonies for that year."

Section 5. Section 80-6-111, MCA, is amended to read:

**"80-6-111. General apiary registrations.** (1) In order to control, limit, and prevent the spread of bee diseases, *pests*, and other contagious or infectious diseases among bees, hives, and apiaries and to control, limit, and prevent interference with the proper feeding and honey flow of established apiaries, general apiaries registered to different persons on October 1, 1981, must be located 3 or more miles apart, except as otherwise provided in this part. The department shall not register or issue a certificate of registration for any general apiary that is located less than 3 miles from a general apiary registered to another person, except as otherwise provided in this section.

(2) A person may register a general apiary that is situated less than 3 miles from another general apiary he has registered so long as the location of the general apiary being applied for is 3 or more miles from general apiaries registered to other persons.

(3) A general apiary may be registered even though it is less than 3 miles from any registered pollination apiary, landowner apiary, or hobbyist apiary.

(4) A person with an existing apiary that is located less than 3 miles from an existing general apiary registered to another person may register his apiary as a general apiary under the following conditions:

(a) his apiary was established and registered with the department as a general apiary under the department's rules in effect prior to July 1, 1981;

(b) his apiary is registered with the department as a general apiary as of July 1, 1981; and

(c) the registration of his apiary has not been forfeited or abandoned under the provisions of 80-6-102(9) or 80-6-104."

Section 6. Section 80-6-114, MCA, is amended to read:

**"80-6-114. Hobbyist apiary registrations.** (1) The department may grant hobbyist apiary registrations to hobbyist beekeepers under the following conditions:

(a) The applicant must not own a total of more than five hives, and all of the hives must be placed on the hobbyist apiary.

(b) The applicant must own the bees and the hives and must personally manage and operate the bees and the hives.

(c) Only one hobbyist registration is allowed an applicant and only two hobbyist apiary registrations are allowed a family unit.

(d) If the department determines that too many hobbyist apiaries are being registered within too close proximity of each other or of other established apiaries so that there is or may be danger of the spread of bee diseases, *pests*, or other contagious or infectious diseases among bees or apiaries or that there will be interference with the proper feeding and honey flow of established apiaries, the department may refuse to grant any further hobbyist registrations in the locality and area of the danger, in accordance with 80-6-102(6).

(2) No certificate of registration of a hobbyist apiary may be leased, assigned, or transferred, and no person other than the hobbyist apiary registrant may exercise any rights or privileges, directly or indirectly, authorized by the certificate of registration."

Section 7. Section 80-6-201, MCA, is amended to read:

**"80-6-201. Apiaries — powers and duties of the department.**

(1) To prevent the spread of *pests* and contagious and infectious disease among bees and apiaries, the department may:

(a) order the transfer of colonies of bees from hives or containers which cannot be properly examined for brood or other diseases to other hives or containers;

(b) order disinfection of any bee, beehive, brood comb, or any other equipment which is infected or contaminated *with disease or pests* and burn any infected or contaminated bee, beehive, brood comb, or any other equipment if, in its judgment, disinfection will not remove the infection or contamination. Before burning any property, the department shall give the owner or person in charge a written notice at least 5 days before the date on which the property will be burned. The notice shall be given by certified mail or personal service upon the owner or person in charge of the property.

(c) quarantine any apiary where *pests*, foulbrood, or any contagious or infectious diseases are present and, during the quarantine, prevent the removal from the apiary of any bees or equipment except under a special permit issued by the department permitting the removal under conditions prescribed by it. A person may not sell or offer for sale any apiary, bees, or equipment which are under quarantine unless a permit authorizing the sale or removal is issued by the department. Written notice of quarantine shall be posted by the department, owner, or person in charge at the quarantined apiary at a conspicuous place, and a copy shall be personally served or sent by certified mail to the owner of the apiary or person in charge. The quarantine continues in effect until it is ordered removed and a copy of the removal order served in the same manner.

(d) *establish by rule interior and exterior quarantines to prevent the entry or spread of diseases or pests which are not known to occur in Montana;*

(e) inspect any apiary, hives, equipment, or premises for the presence of disease or *pests*;

(f) promulgate and enforce rules adopted pursuant to parts 1 through 3.

(2) Any person failing to comply with a rule, order, or provision of a quarantine pursuant to this section is subject to penalties provided for in 80-6-303.

(3) *The department may provide disease and pest inspection, sampling, and laboratory analysis services for a fee. The department shall adopt rules setting the fee commensurate with costs and establishing procedures for sampling and analysis.*"

Section 8. Section 80-6-202, MCA, is amended to read:

**"80-6-202. Inspection of bees or used beekeeping equipment transported interstate.** (1) A person may not transport or bring into the state any used beekeeping equipment or containers, including honey to be extracted, unless it is certified and duly marked as *being apparently pest- and disease-free* by an official responsible for apiary regulations of the state from which it is being moved. The department shall be advised in advance of the date of entry and the destination of the material. Used equipment transported into the state may be quarantined by the department, in accordance with 80-6-201(1)(c), from the time it enters the state until it has been *inspected and found to be apparently free of pests and diseases or until it has been* in use while under quarantine for a minimum of 90 days and at least until the following July 1. The beekeeping materials are also subject to quarantine as provided in this section. The department may also inspect and certify as *being apparently pest- and disease-free* bees or beekeeping equipment which is to be transported from Montana to a state which requires an inspection in the state of origin.

(2) The costs of making the inspections provided for in subsection (1) shall be paid in advance by the owner of the bees or equipment and shall include a per diem pursuant to Title 2, chapter 18, part 5, necessary traveling expenses, and a fee of \$50 for the issuance of a certificate of health. If inspection by an official of any other state is considered insufficient for the protection of the Montana bee industry by the department, the department shall so state by public statement. Importation of beekeeping materials, including honey for extracting, from that other state shall be denied unless the materials or honey are first inspected by the department and there is obtained from it a certificate of inspection showing that the materials or honey are apparently free from *pests and* contagious or infectious disease. The costs of making the inspection shall be paid by the person requesting it, and inspection may be made at any point outside this state convenient to the person making the inspection. The department may require that the costs of making the inspection be paid in advance, and the costs shall include per diem pursuant to Title 2, chapter 18, part 5, necessary traveling expenses, and a fee of \$50 for the issuance of the certificate of inspection."

**Section 9. Bee laboratory authorized.** The department or a party designated by the department may develop and maintain a laboratory to provide disease and pest analytical services required to carry out the provisions of this part. The laboratory may be authorized by the department to provide services to persons possessing any bees or equipment on a fee basis pursuant to 80-6-201(3).

Section 10. **Codification instruction.** Section 9 is intended to be codified as an integral part of Title 80, chapter 6, part 3, and the provisions of Title 80, chapter 6, apply to section 9.

Section 11. **Extension of authority.** Any existing authority of the department of agriculture to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Section 12. **Effective date.** This act is effective May 1, 1987.

Approved March 24, 1987.

## CHAPTER NO. 200

[HB 747]

AN ACT DIRECTING THE SECRETARY OF STATE TO ASSURE POLLING PLACE AND VOTING ACCESSIBILITY FOR HANDICAPPED AND ELDERLY VOTERS; GRANTING RULEMAKING AUTHORITY; ESTABLISHING PROCEDURES FOR DETERMINING POLLING PLACE ACCESSIBILITY; PROVIDING HANDICAPPED AND ELDERLY VOTERS AN ALTERNATIVE MEANS FOR CASTING A BALLOT ON ELECTION DAY IF THEIR POLLING PLACE IS INACCESSIBLE; AND AMENDING SECTIONS 13-2-601, 13-3-105, 13-13-112, AND 13-13-211, MCA.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Purpose.** The purpose of [sections 1 through 10] is to promote the fundamental right to vote by improving access for handicapped and elderly individuals to polling places. The provisions of [sections 1 through 10] acknowledge that, in certain cases, it may not be possible to locate a polling place that meets the standards for accessibility, either because no accessible polling place exists or, if it does, its location in the precinct would require undue travel for a majority of the electors. In those cases when an accessible polling place is not available, [sections 1 through 10] provide handicapped and elderly voters an alternative means for casting a ballot on election day.

**Section 2. Definitions.** As used in [sections 1 through 10], unless the context indicates otherwise, the following definitions apply:

(1) "Accessible" means accessible to handicapped and elderly individuals for purposes of voting as determined in accordance with standards established by the secretary of state under [section 5].

(2) "Elderly" means 65 years of age or older.

(3) "Election" means a general, special, or primary election held in an even-numbered year, as provided for in 13-1-104(1) and 13-1-107(1).

(4) "Handicapped" means having a temporary or permanent physical impairment such as:

(a) impaired vision;

(b) impaired hearing; or

(c) impaired mobility. Individuals having impaired mobility include those who require use of a wheelchair and those who are ambulatory but are physically impaired due to age, disability, or disease.

**Section 3. Duty of secretary of state — rulemaking.** (1) Except as provided in [section 4], the secretary of state shall assure that all polling places are accessible to handicapped and elderly electors on election day.

(2) The secretary of state shall adopt rules to establish standards that a polling place must meet in order to be designated accessible under [sections 1 through 10].

(3) The secretary of state may adopt any other rules necessary for implementation of [sections 1 through 10].

**Section 4. Exceptions.** [Section 3] does not apply to a polling place that:

- (1) is a rural polling place as defined in [section 7];
- (2) has been granted an emergency exemption as provided in [section 8]; or
- (3) is declared exempt under [section 9] because no accessible polling place is available.

**Section 5. Adoption of standards for polling place accessibility — rulemaking authority.** The secretary of state, with advice from election administrators and handicapped and elderly individuals, shall establish standards for accessibility of polling places. The standards, whenever possible, must be consistent with the standards for accessibility established by the American National Standards Institute and the Uniform Federal Accessibility Standards.

**Section 6. Survey of polling places to determine accessibility — procedures.** (1) Except as provided in [sections 7 and 8], the election administrator in each county shall conduct an onsite survey of each polling place used in an election to determine whether such polling place meets the standards for accessibility established under [section 5].

(2) Each election administrator shall conduct the survey in a manner that represents the path of travel an elector would reasonably be expected to take in order to reach the polling place on election day.

(3) A polling place that has been surveyed and designated as accessible need not be surveyed again so long as the conditions of accessibility remain unchanged.

**Section 7. Polling place classifications.** (1) As a result of the survey provided in [section 6], each polling place must be classified as:

- (a) accessible;
- (b) inaccessible;
- (c) technically inaccessible but usable; or
- (d) rural.

(2) An accessible polling place is one that meets the standards for accessibility established by the secretary of state under [section 5].

(3) An inaccessible polling place is one that does not meet the standards for accessibility and cannot be made accessible through safe, practical, and cost-effective methods.

(4) A technically inaccessible but usable polling place is one that does not meet all the standards for accessibility but has been surveyed, evaluated, and certified as being adequate for use as a polling place. Such certification is cause for the secretary of state to grant the polling place an exemption from the standards for accessibility. However, in a future election, the secretary of state may issue an objection to the criteria used for determining that the facility is usable as a polling place.

(5) A rural polling place is one that serves less than 200 registered electors and is:

(a) granted an exemption from the standards for accessibility established under [section 5]; and

(b) subject to review and redesignation 45 days prior to an election.

(6) A rural designation may not be construed as cause for denying handicapped or elderly electors at a polling place the right to choose an alternative means for casting a ballot on election day as provided in [section 10].

**Section 8. Emergency exemption.** (1) The secretary of state shall exempt a polling place from the requirements of [sections 1 through 10] if an emergency occurs within 10 days prior to an election. An emergency is considered to exist if a polling place becomes unavailable by reason of loss of lease, fire, snow, or natural disaster.

(2) If an emergency occurs, the election administrator in the county shall designate a new polling place in accordance with the procedure provided in 13-3-105. The new polling place must be considered temporary and must be exempt from the survey procedures established under [section 6]. However, such polling place may not be used in a subsequent election unless it is surveyed as required in [section 6].

**Section 9. Exemption if no accessible polling place is available.**

(1) If an existing polling place has been surveyed and designated as being inaccessible, the election administrator shall make a reasonable effort to locate and survey all potential sites with comparable utility as a polling place.

(2) The election administrator shall request in writing to the secretary of state that an inaccessible polling place be exempt from the standards for accessibility if:

(a) all potential polling places have been surveyed and it is determined that no accessible polling place is available; and

(b) the county cannot safely or reasonably make a polling place temporarily accessible in the area involved.

(3) Nothing in this section may require an election administrator to select an accessible facility as a polling place if its location requires excessive travel or imposes other hardships for the majority of qualified electors in the precinct.

**Section 10. Alternative means for casting ballot.** (1) The election administrator shall provide handicapped and elderly individuals an alternative means for casting a ballot on election day if they are assigned to an inaccessible polling place. These alternative means for casting a ballot include:

- (a) delivery of a ballot to the elector as provided in 13-13-118;
- (b) voting by absentee ballot as provided in 13-13-222; and
- (c) prearranged assignment to an accessible polling place within the county.

(2) Any handicapped or elderly elector assigned to an inaccessible polling place who desires to vote at an accessible polling place:

- (c) shall sign his name on a special addendum to the official precinct register as required in 13-2-601; and
- (d) shall receive the same ballot to which he is otherwise entitled.

(3) For the purpose of subsection (2), the ballot cast at an alternative polling place must be processed and counted in the same manner as an absentee ballot.

**Section 11.** Section 13-2-601, MCA, is amended to read:

**"13-2-601. Name on precinct register prima facie evidence of right to vote.** (1) An elector may not vote at an election mentioned in this title unless his name appears on election day in the copy of the official precinct register furnished by the election administrator to the election judges. The fact that his name appears in the copy of the precinct register is prima facie evidence of his right to vote.

(2) *The name of an elector who has been assigned to vote in a precinct other than the precinct in which he is registered, as provided in [section 10], must be printed on a special addendum to the precinct register in a form prescribed by the secretary of state. (4) Any publicly owned building may be used as a polling place. Such building must be furnished at no charge as long as no structural changes are required in order to use the building as a polling place."

Section 13. Section 13-13-112, MCA, is amended to read:

**"13-13-112. Display of instructions for electors.** (1) Instructions for electors on how to prepare their ballots or use machines or devices must be posted in each compartment provided for the preparation of ballots and elsewhere in the polling place.

(2) The instructions must be in easily read type, *18 point or larger*, and explain how to:

- (a) obtain ballots for voting;
- (b) prepare ballots for deposit in the ballot box; and
- (c) obtain a new ballot in place of one spoiled by accident.

(3) If the instructions for use of the machine or device are printed on the machine or device or are part of a ballot package given each elector, separate instructions need not be posted in the compartment.

(2) A qualified elector who is prevented from voting at the polls as a result of an illness or health emergency occurring between 5 p.m. on the Friday preceding the election and noon on election day may request to vote by absentee ballot. The election administrator shall honor any such request received up to and including noon on election day. The election administrator is not required to comply with a request by an elector who is absent from the county."

Section 15. **Extension of authority.** Any existing authority of the secretary of state to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**CHAPTER NO. 202**

[SB 20]

AN ACT TO GENERALLY REVISE THE LAWS RELATING TO MECHANICS' LIENS; AMENDING SECTIONS 70-23-607, 70-23-608, 71-3-512, AND 71-3-516, MCA; REPEALING SECTIONS 71-3-501 THROUGH 71-3-503, 71-3-511, AND 71-3-514, MCA; AND PROVIDING AN APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Scope.** This part creates and provides for the attachment and enforceability of a construction lien against real estate in favor of a person furnishing services or materials under a real estate improvement contract. A nonconsensual lien against real estate for improvements made thereon may not arise except as provided in this part.

**Section 2. Definitions.** (1) "Commencement of work" means the date of the first visible change in the physical condition of the real estate caused by the first person furnishing services or materials pursuant to a particular real estate improvement contract.

(2) "Construction lien" or "lien" means a lien against real estate arising under this part.

(3) (a) "Contracting owner" means a person who owns an interest in real estate and who, personally or through an agent, enters into an express or implied contract for the improvement of the real estate.

(b) For the purpose of determining whether a person is a contracting owner, agency is presumed, in the absence of clear and convincing evidence to the contrary:

- (i) between employer and employee;
- (ii) between spouses;
- (iii) between joint tenants; and
- (iv) among tenants in common.

(4) (a) "Contract price" means the amount agreed upon by the contracting parties for performing services and furnishing materials covered by the contract, increased or diminished by:

- (i) the price of change orders or extras;
- (ii) any amounts attributable to altered specifications; or
- (iii) a breach of contract, including but not limited to defects in workmanship or materials.

(b) If no price is agreed upon by the contracting parties, the contract price means the reasonable value of all services or materials covered by the contract.

(5) (a) "Real estate improvement contract" means an agreement to perform services, including labor, or to furnish materials for the purpose of producing a change in the physical condition of the real estate, including:

(i) alteration of the surface by excavation, fill, change in grade, or change in a shore, bank, or flood plain of a stream, swamp, or body of water;

(ii) construction or installation on, above, or below the surface of land;

(iii) demolition, repair, remodeling, or removal of a structure previously constructed or installed;

(iv) seeding, sodding, or other landscape operation;

(v) surface or subsurface testing, boring, or analysis; and

(vi) preparation of plans, surveys, or architectural or engineering plans or drawings for any change in the physical condition of the real estate, regardless of whether they are used to produce a change in the physical condition of the real estate.

(b) For the purpose of claiming a construction lien, a real estate improvement contract does not include:

(i) a contract for the mining or removal of timber, minerals, gravel, soil, sod, or things growing on the land or a similar contract in which the activity is primarily for the purpose of making the materials available for sale or use; or

(ii) a contract for the planting, cultivation, or harvesting of crops or for the preparation of the soil for planting of crops.

**Section 3. Who may claim a construction lien — limitation.** A person who furnishes services or materials pursuant to a real estate improvement contract may claim a construction lien, only to the extent provided in this part, to secure the payment of his contract price.

**Section 4. Limitation of lien for materials supplied.** (1) A lien for furnishing materials arises only if:

(a) (i) the materials are supplied with the intent that they be used in the course of construction or incorporated into the improvement in connection with which the lien arises; and

(ii) the intent described in subsection (1)(a)(i) can be shown by a contract of sale, a delivery order, delivery to the site by the lien claimant or at his direction, or by other evidence; and

(b) the materials are:

(i) incorporated in the improvement or consumed as normal wastage in construction operations;

(ii) specifically fabricated for incorporation into the improvement and not readily resalable in the ordinary course of the fabricator's business, even though the materials are not actually incorporated into the improvement;

(iii) used for the construction or operation of machinery or equipment used in the course of construction and not remaining in the improvement, subject to diminution by the salvage value of those materials; or

(iv) tools, appliances, or machinery used on the particular improvement. However, a lien for supplying tools, appliances, or machinery used on the improvement is limited as provided by subsection (3).

(2) The delivery of materials to the site of the improvement, whether by the lien claimant or by another, creates a presumption that they were used in the course of construction or were incorporated into the improvement.

(3) A lien arising for the supplying of tools, appliances, or machinery under subsection (1)(b)(iv) is limited as follows:

(a) if they are rented, the lien is for the reasonable rental value for the period of actual use, including any reasonable periods of nonuse provided for in the rental contract; and

(b) if they are purchased, the lien is for the price but arises only if they were purchased for use in the course of the particular improvement and have no substantial value after the completion of the improvement on which they were used.

**Section 5. Extent of lien.** (1) A construction lien extends to the interest of the contracting owner in the real estate, as the interest exists at the commencement of work or is thereafter acquired in the real estate, subject to the provisions of this section.

(2) (a) If an improvement is located wholly on one or more platted lots belonging to the contracting owner, the lien applies to the improvement and to the lots on which the improvement is located.

(b) If an improvement is not located wholly on one or more platted lots, the lien applies to the improvement and to the smallest identifiable tract or parcel of land on which the improvement is located.

(3) If the improvement is to leased premises, the lien attaches to the improvement and to the leasehold term. Except as provided in subsection (4), it does not attach to the lessor's interest unless he contracted for or agreed to the improvement before it was begun.

(4) (a) A construction lien is not impaired to the extent of the value of the work or improvement that is severable from the real estate if the improvement is to premises held by:

(i) a contracting owner who owns less than a fee simple interest; or

(ii) a lessee and the lease is forfeited by the lessee.

(b) If the work or improvement may be removed without harm to the rest of the real estate, the lienholder may have the value determined, the work or improvement sold separately, and the proceeds delivered to him to satisfy the construction lien. The purchaser shall remove the work or improvement within 45 days of the sale.

(5) If a contracting owner contracts for improvements on real estate not owned by him as part of an improvement on his real estate or for the purpose of directly benefiting his real estate, there is a lien against the contracting owner's real estate being improved or directly benefited in favor of persons furnishing services or materials to the same extent as if the improvement had been on the contracting owner's real estate.

**Section 6. Amount of lien.** (1) A person who has furnished services or materials pursuant to a real estate improvement contract is entitled to a lien for the unpaid part of his contract price, subject to the provisions of [section 4].

(2) A person's lien is reduced by the sum of the liens of persons claiming construction liens through him.

**Section 7. Notice of right to claim a lien required — exceptions.** (1) The following are not required to give notice of a right to claim a lien as required by this section:

(a) a person who furnishes services or materials directly to the owner at his request;

(b) a wage earner or laborer who performs personal labor services for a person furnishing any service or material pursuant to a real estate improvement contract;

(c) a person who furnishes services or materials pursuant to a real estate improvement contract that relates to a dwelling for five or more families; and

(d) a person who furnishes services or materials pursuant to a real estate improvement contract that relates to an improvement that is partly or wholly commercial in character.

(2) A person who may claim a construction lien pursuant to this part shall give notice of his right to claim a lien to the contracting owner in order to claim a lien.

(3) This notice must be given no later than 20 days after the date on which the services or materials are first furnished to the contracting owner. If notice is not given within this period, a lien is enforceable only for the services or materials furnished within the 20-day period before the date on which notice is given.

(4) The notice of the right to claim a lien must be sent to the contracting owner by certified mail or delivered personally to him. Notice by certified mail is effective on the date the notice is mailed.

(5) A person who may claim a lien shall also file with the clerk and recorder of the county in which the improved real estate is located a copy of the notice of the right to claim a lien, in the form required by [section 8]. This copy must be filed no later than 5 business days after the date on which the notice of the right to claim a lien is given to the contracting owner.

(6) At the request of any subcontractor or material supplier who may claim a lien through him, a person shall furnish to the requestor within 5 business days:

- (a) a description of the real estate being improved, sufficient to identify it; and
- (b) the name and address of the contracting owner.

**Section 8. Content of notice of right to claim a lien.** (1) The notice of the right to claim a lien must be in writing and state that it is a notice of a right to claim a lien against real estate for services or materials furnished in connection with improvement of the real estate.

(2) The notice must contain a description sufficient to identify the real estate against which the lien may be claimed.

### IMPORTANT INFORMATION ON REVERSE SIDE

### IMPORTANT INFORMATION FOR YOUR PROTECTION

Under Montana's laws, those who work on your property or provide materials and are not paid have a right to enforce their claim for payment against your property. This claim is known as a construction lien.

If your contractor fails to pay subcontractors or material suppliers or neglects to make other legally required payments, the people who are owed money may look to your property for payment, even if you have paid your contractor in full.

The law states that all people hired by a contractor to provide you with services or materials are required to give you a notice of the right to lien to let you know what they have provided.

### WAYS TO PROTECT YOURSELF ARE:

- **RECOGNIZE** that this notice of delivery of services or materials may result in a lien against your property unless all those supplying a notice of the right to lien have been paid.
- **LEARN** more about the construction lien laws and the meaning of this notice by contacting an attorney or the firm sending this notice.
- **WHEN PAYING** your contractor for services or materials, you may make checks payable jointly to the contractor and the firm furnishing services or materials for which you have received a notice of the right to lien.
- **OBTAIN EVIDENCE** that all firms from whom you have received a notice of the right to lien have been paid or have waived the right to claim a lien against your property.
- **CONSULT** an attorney, a professional escrow company, or your mortgage lender.

**Section 9. Attachment of lien — filing.** (1) A person's lien does not attach and may not be enforced unless, after entering into the contract under which the lien arises, he has filed a lien not later than 90 days after:

- (a) his final furnishing of services or materials; or
  - (b) the owner files a notice of completion pursuant to 71-3-512.
- (2) (a) The lien must be filed with the county clerk and recorder of the county in which the improved real estate is located.
- (b) The person claiming the lien must certify to the county clerk and recorder that a copy of the lien has been served on the owner of record as provided in 71-3-513(2).
- (3) The lien statement must contain:
- (a) the name and address of the person claiming the lien;
  - (b) a description of the real property against which the lien is claimed sufficient to identify it;
  - (c) the name of the contracting owner;

(d) the name and address of the party with whom the person claiming the lien contracted to furnish services or materials;

(e) a description of the services or materials provided;

(f) the amount unpaid for services or materials or, if no amount is fixed by the contract, a good faith estimate of the amount unpaid, designated as an estimate;

(g) (i) the date on which the services or materials were first furnished; and

(ii) the date on which the services or materials were last furnished; and

(h) a declaration that a notice of a right to claim a lien was given to the contracting owner or an explanation of why such notice was not required.

(4) A lien notice that is filed pursuant to this section before the person claiming the lien has substantially furnished services or materials pursuant to a real estate improvement contract is not effective to create a construction lien unless the lien claimant is prevented from fulfilling his obligation because of the fault of another person.

(5) Except as provided in subsection (6), a lien attaches at the commencement of work as defined in [section 2].

(6) A lien attaches when it is filed if it is for the preparation of plans, surveys, or architectural or engineering plans or drawings for any change in the physical condition of land or structures that are not used incident to producing a change in the physical condition of the real estate.

**Section 10. Content of lien notice.** The notice for the lien provided for in [section 9] may be filed in substantially this form:

#### Construction Lien

I, . . . . (insert name and address of person claiming the construction lien), claim a construction lien pursuant to Title 71, chapter 3, of the Montana Code Annotated.

I claim this lien against . . . . (give description of the real property against which the lien is claimed sufficient to identify it). The contracting owner is . . . . (insert name of the person who owns the real estate and name of the person who entered into the contract to improve it).

At the request of . . . . (give name and address of party with whom person claiming the lien contracted to furnish services or materials), I provided the following: . . . . (give description of the services or materials provided). The amount remaining unpaid is . . . . (insert the amount unpaid; if no amount was fixed by the contract, give your good faith estimate of the amount and identify it as an estimate).

I first furnished these services or materials on . . . . (give date) and last furnished services or materials on . . . . (give date; if the date has not yet arrived, insert an estimate of the date on which services or materials will be last furnished and identify the date as an estimate).

I gave notice of the right to claim a lien as required by [section 7] on . . . . (give date) to . . . . (give name of contracting owner). . . . (If it is not required to give a notice of the right to claim a lien, state the reason it is not required.)

**Section 11. Priority among holders of construction liens.** (1) There is equal priority between or among construction lien claimants who contribute to the same real estate improvement project, regardless of the date on which each lien claimant first contributed services or materials and regardless of the date on which he filed his notice of lien. When the proceeds of a foreclosure sale are not sufficient to pay all construction lien claimants in full, each claimant will receive a pro rata share of the proceeds based on the amount of his respective lien.

(2) Construction liens attaching at different times have priority in the order of attachment.

**Section 12. Priority of construction liens as against claims other than construction lien claims.** (1) A construction lien arising under this part has priority over any other interest, lien, mortgage, or encumbrance that may attach to the building, structure, or improvement or on the real property on which the building, structure, or improvement is located and which is filed after the construction lien attaches.

(2) An interest, lien, mortgage, or encumbrance that is filed before the construction lien attaches has priority over a construction lien arising under this part, except as provided in subsections (3) and (4).

(3) A construction lien has priority, to the extent of the value of the work or improvement that is severable, over an interest, lien, mortgage, or encumbrance that is filed before the construction lien attaches. If the work or improvement may be removed without harm to the rest of the real property, the lienholder may have the value determined, the work or improvement sold separately on foreclosure, and the proceeds delivered to him to satisfy the construction lien.

(4) A construction lien has priority over any interest, lien, mortgage, or encumbrance that is filed before the construction lien attaches if that interest, lien, mortgage, or encumbrance was taken to secure advances made for the purpose of paying for the particular real estate improvement being liened.

**Section 13.** Section 71-3-512, MCA, is amended to read:

**"71-3-512. Notice of completion.** (1) The *contracting* owner may file a notice of completion at any time after the completion of any work or improvement.

(2) The following acts or events constitute completion of any work or improvement for the purpose of filing a notice of completion:

(a) the written acceptance by the *contracting* owner, his agent, or representative of the building, improvement, or structure. The filing of a notice of completion shall not be considered as an acceptance of the building, improvement, or other structure.

(b) the cessation from labor for 30 days upon any building, improvement, or structure, or the alteration, addition to, or repair thereof.

(3) The notice of completion together with an affidavit of publication as hereinafter required shall be filed in the office of the county clerk and recorder of the county where the property is situated and the notice shall set forth:

(a) the date when the work or improvement was completed or the date on which cessation from labor occurred first and the period of its duration;

(b) the *contracting* owner's name and address and the nature of the title, if any, of the person signing the notice;

(c) a description of the property sufficient for identification;

(d) the name of the contractor, if any.

(4) The notice shall be verified by the *contracting* owner or his agent.

(5) A copy of the notice of completion shall be published once each week for 3 successive weeks in a newspaper of general circulation in the county where the land on which the work or improvement was performed is situated.

(6) *The contracting owner shall give a copy of the notice of completion to any person who has given the contracting owner a notice of a right to claim a lien."*

Section 14. Section 71-3-516, MCA, is amended to read:

**"71-3-516. Substitution of bond allowed — filing — amount — condition.** (1) Whenever a *construction* lien has been filed upon real property or any improvements thereon, the *contracting* owner of any interest in such property, whether legal or beneficial, may, at any time before the lien claimant has commenced an action to foreclose such lien, file a bond with the clerk of the district court in the county in which such property is situated or, if such property is situated in more than one county, with the clerk of the district court of any county in which a part of such property is situated.

(2) Such bond shall be in an amount  $1\frac{1}{2}$  times the amount of the lien and shall be either in cash or written by a corporate surety company. If written by a corporate surety, such bond shall be approved by a judge of the district court with which such bond is filed.

(3) The bond shall be conditioned that if the lien claimant shall be finally adjudged to be entitled to recover upon the claim upon which his lien is based, the principal or his sureties shall pay to such claimant the amount of his judgment, together with any interest, costs, attorneys' fees, and other sums which such claimant would be entitled to recover upon the foreclosure of a lien against the principal."

Section 15. Section 70-23-607, MCA, is amended to read:

**"70-23-607. Claim for common expenses — priority of lien — contents — recording.** (1) Whenever an association of unit owners acting through its manager furnishes to a unit any services, labor, or material

lawfully chargeable as common expenses, the association of unit owners, upon complying with subsection (2) of this section, shall have a lien upon the individual unit and the undivided interest in the common elements appertaining to such unit for the reasonable value of such common expenses, and the lien shall be prior to all other liens or encumbrances upon the unit except:

- (a) tax and assessment liens; and
- (b) a first mortgage or trust indenture of record.

(2) An association of unit owners claiming the benefits of subsection (1) of this section shall record in the county in which the unit or some part thereof is located a claim containing:

- (a) a true statement of the account due for such common expenses after deducting all just credits and offsets;
- (b) the name of the owner of the unit or reputed owner, if known;
- (c) a description of the property where the common expenses were furnished and the designation of the unit, sufficient for identification.

(3) The claim shall be verified by the oath of some person having knowledge of the facts and shall be filed with and recorded by the recording officer in the book kept for the purpose of recording liens filed under *Title 71, chapter 3, part 5*. The record shall be indexed as deeds and other conveyances are required by law to be indexed."

Section 16. Section 70-23-608, MCA, is amended to read:

**"70-23-608. Foreclosure of lien under claim for common expenses — action without foreclosure.** (1) The proceedings to foreclose liens created by 70-23-607 shall conform as nearly as possible to the proceedings to foreclose liens created by *Title 71, chapter 3, part 5*. The lien may be enforced by the manager acting on behalf of the association of unit owners.

(2) An action to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the lien securing the claim for common expenses."

Section 17. **Repealer.** Sections 71-3-501 through 71-3-503, 71-3-511, and 71-3-514, MCA, are repealed.

Section 18. **Codification instruction.** Sections 1 through 12 are intended to be codified as an integral part of *Title 71, chapter 3, part 5*, and the provisions of *Title 71, chapter 3, part 5*, apply to sections 1 through 12.

Section 19. **Saving clause.** This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before the effective date of this act.

Section 20. **Severability.** If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this

## CHAPTER NO. 203

[SB 40]

AN ACT AMENDING THE CRIME VICTIMS COMPENSATION ACT OF MONTANA TO PERMIT CERTAIN RELATIVES OF A VICTIM KILLED AS A RESULT OF CRIMINALLY INJURIOUS CONDUCT OR CERTAIN RELATIVES OF A MINOR VICTIM OF A SEXUAL CRIME TO BE REIMBURSED FOR MENTAL HEALTH TREATMENT; AND AMENDING SECTION 53-9-128, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 53-9-128, MCA, is amended to read:

**"53-9-128. Compensation benefits.** (1) A claimant is entitled to weekly compensation benefits when the claimant has a total actual loss of wages due to injury as a result of criminally injurious conduct. During the time the claimant seeks such weekly benefits, the claimant, as a result of such injury, must have no reasonable prospect of being regularly employed in the normal labor market. The weekly benefit amount is 66 ⅔% of the wages received at the time of the criminally injurious conduct, subject to a maximum of \$125. Weekly compensation payments shall be made at the end of each 2-week period. No weekly compensation payments may be paid for the first week after the criminally injurious conduct occurred, but if total actual loss of wages continues for 1 week, weekly compensation payments shall be paid from the date the wage loss began. Weekly compensation payments shall continue until the claimant has a reasonable prospect of being regularly employed in the normal labor market.

(2) The claimant is entitled to be reimbursed for reasonable services by a physician or surgeon, reasonable hospital services and medicines, and such other treatment as may be approved by the division for the injuries suffered due to criminally injurious conduct.

Purpose.** The legislature finds that many disabled and elderly Montana citizens reside in long-term care facilities in Montana and because of their isolated and vulnerable condition are dependent on others for care and protection. It is the intent of the legislature that, contingent on receipt of federal funds for the purpose, the office of legal and long-term care ombudsman services:

- (1) monitor the quality of care and life for residents of long-term care facilities;
- (2) develop and coordinate legal services for elderly citizens; and
- (3) through necessary investigations, reports, and corrective action, ensure that a good quality of care and life be maintained for residents of long-term care facilities.

**Section 2. Definitions.** In [sections 1 through 5], the following definitions apply:

**Section 3. Office of legal and long-term care ombudsman services.** Contingent on receipt of federal funds for the purpose, there is an

office of legal and long-term care ombudsman services in the department of social and rehabilitation services. As required by the Older Americans Act of 1965, as amended (42 U.S.C. 3001, et seq.), and the regulations adopted pursuant thereto, the office:

(3) The ombudsman shall carry out the duties described in [section 3] in a manner that is least disruptive to resident care and activities.

**Section 5. Enforcement of access.** (1) A person who violates the provisions of [section 4] is subject to a civil penalty not to exceed \$1,000. Each day of violation constitutes a separate violation. The department of health and environmental sciences or, upon request of that department, the county attorney of the county in which the long-term care facility in question is located may petition the district court to impose, assess, and recover the civil penalty. Money collected as a civil penalty must be deposited in the state general fund.

(2) The department of health and environmental sciences or, upon request of that department, the county attorney of the county in which the long-term care facility in question is located may bring an action to enjoin a violation of any provision of [section 4] in addition to or exclusive of the remedy in subsection (1).

(2) Except as otherwise provided in this section, a relinquishment shall be by a separate instrument executed before a notary public.

(3) If the person from whom a relinquishment is required is a member of any of the armed services or is in prison, the relinquishment may be executed and acknowledged before any person authorized by law to administer oaths.

(4) If the relinquishment is executed in another state or country, the court having jurisdiction over the adoption proceeding in this state shall determine whether the relinquishment was executed in accordance with the laws of that state or country and may not proceed unless it finds that the relinquishment was so executed.

(5) Upon the filing of a properly and voluntarily executed relinquishment of a child by a parent or guardian, the court shall immediately issue an order terminating the rights of that parent or guardian to that child. If the rights of both parents, the surviving parent, or the guardian have been terminated *and if the department of social and rehabilitation services or a licensed adoption agency has agreed to accept custody of the child until the child is adopted*, the court shall issue an order committing the child to the department or to the licensed adoption agency to which the relinquishment was given.

(6) Entry of an order terminating the rights of both parents pursuant to subsection (5) terminates the jurisdiction of the district court over the child in any divorce or separate maintenance action.

(7) Upon petition of a person who executed a relinquishment and of the *department of social and rehabilitation services or the licensed adoption agency to which the child was relinquished*, the court with which the relinquishment was filed may grant a hearing to consider whether the relinquishment should be revoked. A relinquishment may not be revoked if the child has been placed for adoption. A verbatim record of testimony related to the petition shall be made."

## CHAPTER NO. 226

[SB 231]

AN ACT ALLOWING A NEW HIGH SCHOOL DISTRICT A TIME PERIOD OF 2 YEARS IN WHICH TO OPEN AND OPERATE A SCHOOL BEFORE THE ORDER TO CREATE THE DISTRICT IS VOID AND THE DISTRICT CEASES TO EXIST; AMENDING SECTION 20-6-325, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 20-6-325, MCA, is amended to read:

**"20-6-325. Procedure for creation of new high school district out of existing districts — limitation for creation.** (1) To create a

new high school district, a petition requesting the creation of a new high school district out of the territory of an existing high school district or districts must be addressed to the county superintendent and must:

(a) describe the territory that is requested to be incorporated in the new district and the taxable value of such territory as shown by the last completed assessment roll;

(b) state the reasons why the creation of a new district is requested; and

(c) be signed by the parents or guardians of not less than 50 children who are at least 14 years old but less than 18 years old and who reside in the territory that would be included in the new district and who reside more than 20 miles over the shortest practical route from an operating high school.

(2) When a county superintendent receives a valid petition requesting the creation of a new district, he shall:

(a) file such petition;

(b) set a hearing place, date, and time for consideration of the petition that is not more than 40 days after the receipt of the petition; and

(c) give notice of the place, date, and time of the hearing. Notices must be posted in the high school districts affected by the request in the manner prescribed in 20-20-204 for school elections, with at least one such notice posted in the territory to be included in the new district.

(3) The county superintendent shall conduct the hearing as scheduled unless before or at the time of the hearing he receives a protest petition signed by a majority of the electors of the proposed new district who are qualified to vote under the provisions of 20-20-301. A valid protest petition conclusively denies the creation of a new district. If a hearing is conducted, any resident or taxpayer of the affected districts must be heard. If the county superintendent considers it advisable and in the best interests of the residents of the proposed new district, he shall grant the petitioned request and order the creation of a new district with its boundaries coinciding with the boundaries defined in the petition. Otherwise, he shall by order deny the request. In the order creating the new district, the effective date for its creation must be the following July 1.

(4) The county superintendent's order may be appealed to the superintendent of public instruction within 30 days after the date of such order. An appeal must be in writing and be signed by not less than 10 residents of the proposed new district. The superintendent of public instruction shall:

(a) call a hearing on the appeal not less than 20 days or more than 30 days from receipt of the appeal;

(b) provide notice of the hearing in the manner prescribed in subsection (2)(c);

(c) consider the material presented at the county superintendent's hearing and pertinent other material; and

(d) render a decision on the creation of such new high school district. The decision is final.

(5) When a new high school district is created, the trustees of the elementary district in which the high school buildings are located are the trustees of the new district. A trustee appointed under the provisions of this section shall serve until a successor is elected at the next regular school election and is qualified.

(6) If the district does not open and operate a school within 2 years after the effective date of the creation of the new district, the order of the county superintendent or, if his order is appealed, the decision of the superintendent of public instruction creating a new district under this section is void and the new district ceases to exist. If the new district does not satisfy this requirement, the territory must be reincorporated in the district or districts in which it was located before the creation of the new district and the trustees are without capacity to act.

(7) If a petition has been filed under the provisions of this section and denied by the county superintendent, no new petition may be filed until 1 year after the final decision on the original petition.

(8) For the purposes of this section, the taxable value of the taxable property of the territory proposed to be included in the new district must be at least \$500,000, unless 50,000 acres or more of such proposed new district are nontaxable Indian land."

Section 2. **Effective date.** This act is effective on passage and approval.

Approved March 27, 1987.

## CHAPTER NO. 227

[SB 232]

AN ACT REVISING THE LAWS GOVERNING THE SUSPENSION AND REVOCATION OF TEACHER OR SPECIALIST CERTIFICATES; ADDING IMMORAL CONDUCT AS A REASON FOR SUSPENDING OR REVOKING A CERTIFICATE; REQUIRING SCHOOL TRUSTEES TO MAKE A WRITTEN REPORT TO THE SUPERINTENDENT OF PUBLIC INSTRUCTION WHEN EMPLOYMENT ENDS BECAUSE OF IMMORAL CONDUCT OR COMMISSION OF A CRIMINAL OFFENSE BY A TEACHER OR SPECIALIST; ALLOWING THE SUPERINTENDENT TO INVESTIGATE FURTHER AND REQUEST ACTION TO SUSPEND OR REVOKE A CERTIFICATE AFTER A REPORT BY THE TRUSTEES; GRANTING IMMUNITY TO TRUSTEES AND THE SUPERINTENDENT FOR ACTIONS RELATED TO THE FILING OF A REPORT; AND AMENDING SECTIONS 20-4-101 AND 20-4-110, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 20-4-110, MCA, is amended to read:

**"20-4-110. Suspension, revocation, and denial — appeals.** (1) The board of public education may suspend or revoke the teacher or specialist certificate of any person for any of the following reasons:

(a) making any statement of material fact in the application for a certificate which the applicant knows to be false;

(b) any reason that would have required or authorized the denial of the teacher or specialist certificate to *the* person if it had been known at the time *the* certificate was issued;

(c) incompetency;

(d) gross neglect of duty;

(e) conviction of, *entry of a guilty verdict, a plea of guilty, or a plea of no contest* to a criminal offense involving moral turpitude *in this state or any other state or country*;

(f) *immoral conduct related to the teaching profession*;

(g) substantial and material nonperformance of the employment contract between the teacher or specialist and the trustees of a district without good cause or the written consent of the trustees; or

(h) denial, revocation, suspension, or surrender of a teacher or specialist certificate in another state for any reason constituting grounds for *similar* action in this state.

(2) The board *may* initiate proceedings under this section if a request for the suspension or revocation of the teacher or specialist certificate of any person is made to it by:

(a) the trustees of a district as to a teacher or specialist employed by that district within the 12 months immediately preceding receipt of the request by the board of public education; or

(b) the superintendent of public instruction.

(3) (a) *If the employment relationship between a school district and a teacher or specialist is terminated or not renewed because the trustees have reason to believe that the teacher or specialist engaged in conduct described in subsection (1)(e) or (1)(f), the trustees shall make a written report to the superintendent of public instruction describing the circumstances of the termination or nonrenewal of the employment relationship.*

(b) *The superintendent shall review the report and may conduct further investigation. If he is satisfied that sufficient grounds exist, he may request action by the board of public education under subsection (2)(b). The request must be brought within 1 year after discovery of the events that gave rise to the report.*

(c) *The trustees and the superintendent shall ensure the confidentiality of the report.*

(d) *The trustees and the superintendent and their agents and employees are immune from suit for actions taken in good faith under this section with respect to the report.*

(4) The board shall give a 30-day written notification to any person when the board intends to consider the suspension or revocation of his certificate. The board shall conduct an investigation of the reasons for the

suspension or revocation charge and then, if the investigation warrants further action, conduct a hearing in the manner provided by board policies. At the hearing the board shall afford the person an opportunity to defend himself and his qualifications against the charge.

(5) After a hearing, the board may suspend or revoke the person's teacher or specialist certificate, except that in the case of a first violation under subsection (1)(g), the maximum penalty is a 2-year suspension of the person's certificate.

(6) Whenever the superintendent of public instruction denies the issuance or the renewal of a teacher or specialist certificate, *the applicant* may appeal the denial to the board of public education. *The board shall hear the appeal in the same manner provided in this section for suspension or revocation and in accordance with the policies of the board. The decision of the board shall be final.*"

Section 2. Section 20-4-101, MCA, is amended to read:

**"20-4-101. System and definitions of teacher and specialist certification — student teacher exception.** (1) In order to establish a uniform system of quality education and to ensure the maintenance of professional standards, a system of teacher and specialist certification shall be established and maintained under the provisions of this title and no person shall be permitted to teach in the public schools of the state until he has obtained a teacher certificate or specialist certificate or the district has obtained an emergency authorization of employment from the state.

(2) *As used in this part, "teacher or specialist certificate" means a certificate issued or applied for under 20-4-106. The term "teacher or specialist" refers to a person certified under 20-4-106.*

(3) The above certification requirement shall not apply to a student teacher who is hereby defined as a student enrolled in an institution of higher learning approved by the board of regents of higher education for teacher training and who is jointly assigned by such institution of higher learning and the governing board of a district or a public institution to perform practice teaching in a nonsalaried status under the direction of a regularly employed and certificated teacher.

(4) A student teacher, while serving such nonsalaried internship under the supervision of a certificated teacher, shall be accorded the same protection of the laws as that accorded a certificated teacher and shall, while acting as such student teacher, comply with all rules of the governing board of the district or public institution and the applicable provisions of 20-4-301 relating to the duties of teachers."

Section 3. **Extension of authority.** Any existing authority of the board of public education to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Section 4. **Two-thirds vote required — severability.** Because proposed subsection (3)(d) of 20-4-110 grants immunity to the superintendent of public instruction and school district trustees, a vote of two-thirds of the

members of each house is required for the enactment of proposed subsection (3)(d). If the bill passes but fails to receive a vote of two-thirds of the members of each house, then proposed subsection (3)(d) of 20-4-110 is deleted and the remaining parts of this act are valid.

Approved March 27, 1987.

## CHAPTER NO. 231

[SB 299]

AN ACT TO PRESCRIBE THE STATUTE OF LIMITATIONS FOR CIVIL AND ADMINISTRATIVE ACTIONS BROUGHT PURSUANT TO THE SECURITIES ACT OF MONTANA; AMENDING SECTIONS 30-10-305 AND 30-10-307, MCA; AND PROVIDING A RETROACTIVE APPLICABILITY DATE AND AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 30-10-305, MCA, is amended to read:

**"30-10-305. Injunctions and other remedies — limitations on actions.** (1) If it appears to the commissioner that any person has engaged or is about to engage in any act or practice constituting a violation of any provision of parts 1 through 3 of this chapter or any rule or order hereunder, he may in his discretion:

(a) issue an order directing the person to cease and desist from continuing the act or practice after reasonable notice and opportunity for a hearing. The commissioner may issue a temporary order pending the hearing that remains in effect until 10 days after the hearing on the allegations contained in the cease and desist order is held or that becomes final if the person to whom notice is addressed does not request a hearing within 15 days after receipt of the notice; or

(b) without the issuance of a cease and desist order, bring an action in any court of competent jurisdiction to enjoin any such acts or practices and to enforce compliance with parts 1 through 3 of this chapter or any rule or order hereunder. Upon a proper showing, a permanent or temporary

injunction, restraining order, or writ of mandamus shall be granted and a receiver or conservator may be appointed for the defendant or the defendant's assets. The commissioner may not be required to post a bond. If the commissioner prevails, he is entitled to reasonable attorneys' fees as fixed by the court.

(2) A final judgment or decree, criminal or civil, determining that a person has violated parts 1 through 3 of this chapter in an action brought by the commissioner for such violation, other than a consent judgment or decree entered before trial, is prima facie evidence against that person in an action brought against him under 30-10-307.

(3) The commissioner may, after giving reasonable notice and an opportunity for a hearing under this section, impose a fine not to exceed \$5,000 per violation upon a person found to have engaged in any act or practice constituting a violation of any provision of parts 1 through 3 of this chapter or any rule or order issued under parts 1 through 3 of this chapter. The fine is in addition to all other penalties imposed by the laws of this state and must be collected by the commissioner in the name of the state of Montana and deposited in the general fund. Imposition of any fine under this subsection is an order from which an appeal may be taken pursuant to 30-10-308. If any person fails to pay a fine referred to in this subsection, the amount of the fine is a lien upon all of the assets and property of such person in this state and may be recovered by suit by the commissioner and deposited in the general fund. Failure of the person to pay a fine also constitutes a forfeiture of his right to do business in this state under parts 1 through 3 of this chapter.

(4) (a) *No administrative or civil action may be maintained by the commissioner under this section to enforce any liability founded on a violation of 30-10-201 through 30-10-205 unless it is brought within 2 years after the violation occurs.*

(b) *No administrative or civil action may be maintained by the commissioner under this section to enforce any liability founded on a violation of parts 1 through 3 of this chapter or any rule or order issued thereunder, except 30-10-201 through 30-10-205, unless it is brought within 2 years after discovery by the commissioner or his staff of the facts constituting the violation.*

(c) *In no event may an action be maintained under this section to enforce any liability founded on a violation of parts 1 through 3 of this chapter or any rule or order issued thereunder unless it is brought within 5 years after the transaction on which the action is based."*

Section 2. Section 30-10-307, MCA, is amended to read:

**"30-10-307. Civil liabilities — limitations on actions.** (1) Any person who offers or sells a security in violation of any provisions of 30-10-202 through 30-10-205 or offers or sells a security by means of fraud or misrepresentation is liable to the person buying the security from him, who may sue either at law or in equity to recover the consideration paid for the security, together with interest at 10% per annum from the date of payment, costs, and reasonable attorneys' fees, less the amount of any

income received on the security, upon the tender of the security, or for damages if he no longer owns the security. Damages are the amount that would be recoverable upon a tender less:

- (a) the value of the security when the buyer disposed of it; and
- (b) interest at 10% per annum from the date of disposition.

(2) Every person who directly or indirectly controls a seller liable under subsection (1), every partner, officer, or director (or person occupying a similar status or performing similar functions) or employee of such a seller, and every broker-dealer or salesman who participates or materially aids in the sale is liable jointly and severally with and to the same extent as the seller if the nonseller knew, or in the exercise of reasonable care could have known, of the existence of the facts by reason of which the liability is alleged to exist. There shall be contribution among the several persons so liable.

(3) Any tender specified in this section may be made at any time before entry of judgment. A cause of action under this statute survives the death of any person who might have been a plaintiff or a defendant. No person may sue under this section:

(a) if the buyer has received a written offer, at a time when he owned the security, to refund the consideration paid, together with interest at 10% per annum from the date of payment, less the amount of any income received on the security and he failed to accept the offer within 30 days of its receipt; or

(b) if the buyer has received a written offer at a time when he did not own the security in the amount that would be recoverable under subsection (1) upon a tender less:

- (i) the value of the security when the buyer disposed of it; and
- (ii) interest at 10% per annum from the date of disposition.

(4) No person who has made or engaged in the performance of any contract in violation of any provision of parts 1 through 3 of this chapter or any rule or order hereunder or who has acquired any purported right under any such contract with knowledge of the facts by reason of which its making or performance was in violation may base any suit on the contract. Any condition, stipulation, or provision binding any person acquiring any security to waive compliance with any provision of parts 1 through 3 of this chapter or any rule or order hereunder is void as against public policy and in the public interest.

(5) (a) *No action may be maintained under this section to enforce any liability founded on a violation of 30-10-202 unless it is brought within 2 years after the violation occurs.*

(b) *No action may be maintained under this section to enforce any liability founded on fraud or misrepresentation unless it is brought within 2 years after discovery of the fraud or misrepresentation on which the liability is founded or after such discovery should have been made by the exercise of reasonable diligence.*

(c) *In no event may an action be maintained under this section to enforce any liability founded on fraud or misrepresentation unless it is brought within 5 years after the transaction on which the action is based."*

**Section 3. Extension of authority.** Any existing authority of the securities commissioner to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 4. Applicability.** Sections 1 and 2 apply retroactively, within the meaning of 1-2-109, to a securities transaction occurring prior to the effective date of this act for which no action has been commenced within 1 year from the effective date of this act.

**Section 5. Effective date.** This act is effective on passage and approval.

Approved March 27, 1987.

**"39-71-2302. General requirements for electing coverage under plan.** Every employer subject to the provisions of compensation plan No. 3 shall at the times and in the manner prescribed by the division pay to the division a premium based on a percentage of his payroll as determined by the division, which *may be a member of a rating organization in accordance with the provisions of this chapter. The division and the rating organization shall exchange financial and statistical data, including but not limited to payroll exposure and accident information, for ratemaking experience modification and other purposes regardless of whether the division is a member of the rating organization.*"

Section 2. Section 39-71-2304, MCA, is amended to read:

**"39-71-2304. Determination of rates and classifications by division.** (1) The division is hereby given full power and authority to determine premium rates and classifications as in its judgment and experience may be necessary or expedient, provided that no change in the classification or rates prescribed shall be effective until 30 days after the date of the order making such change.

(2) The industrial insurance program shall be neither more nor less than self-supporting. Employments affected by the provisions hereof shall

be divided by the division into classes, whose rates may be readjusted at such times as the division may actuarially determine. Separate accounts shall be kept of the amounts collected and expended in each class for actuarially determining rates, but for payment of compensation and dividends, the industrial insurance expendable trust fund shall be one and indivisible.

(3) The division shall determine the hazards of the different classes of occupations or industries and fix the premiums therefor at the lowest rate consistent with maintenance of an actuarially sound industrial insurance fund and the creation of actuarially sound surplus and reserves, and for such purpose may adopt a system of schedule rating in such a manner as to take account of the peculiar hazard of each risk and shall utilize the experience and information afforded to it.

(4) In addition, compensation plan No. 3 shall use an experience rating system for employers enrolled under it. This system shall reward employers with a better than average safety record, penalize employers with a worse than average safety record, and may provide for premium volume discount.

(5) The division in fixing rates shall provide for the expenses of administering the industrial insurance expendable trust fund allowed by law, the disbursements on account of injuries and deaths of employees in each class, an actuarially sound catastrophe reserve, reserves actuarially determined to meet anticipated and unexpected losses, and such other reserves and surplus as may be determined by the division. The amounts of such reserves and surplus shall be as determined from time to time by the division to be adequate but not excessive for the purposes intended."

Section 3. Section 33-16-1005, MCA, is amended to read:

**"33-16-1005. (2) A rating organization shall file with the insurance commissioner every manual of classifications and rules and every rating plan and advisory manual rates, including every modification of the foregoing. Every such filing shall state the effective date thereof. Any insurer writing pursuant to compensation plan No. 2 shall adhere to the manual rules and classifications and rating plans of the rating organization of which it is a member and may adopt by reference, in whole or in part, the advisory manual rates filed under this section. Nothing in this section, however, requires adherence by any insurer to any rates established or published by any rating organization."

Section 4. **Extension of authority.** Any existing authority of the division of workers' compensation to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 27, 1987.

(2) "Base period" means the first four of the last five completed calendar quarters immediately preceding the first day of an individual's benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period shall be that applicable under the unemployment law of the paying state. (4) "Benefit year", with respect to any individual, means the 52 consecutive-week period beginning with the first day of the calendar week in which such individual files a valid claim for benefits, except that the benefit year shall be 53 weeks if filing a new valid claim would result in overlapping any quarter of the base year of a previously filed new claim. A subsequent benefit year may not be established until the expiration of the current benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period is the period applicable under the unemployment law of the paying state.

(5) "Board" means the board of labor appeals provided for in Title 2, chapter 15, part 17.

(6) "Calendar quarter" means the period of 3 consecutive calendar months ending on March 31, June 30, September 30, or December 31.

All individuals performing services within this state for any employing unit which maintains two or more separate establishments within this state are considered to be employed by a single employing unit for all the purposes of this chapter. Each individual employed to perform or assist in performing the work of any agent or employee of an employing unit is deemed to be employed by such employing unit for the purposes of this chapter, whether such individual was hired or paid directly by such employing unit or by such agent or employee, provided the employing unit has actual or constructive knowledge of the work.

(10) "Employment office" means a free public employment office or branch thereof operated by this state or maintained as a part of a state-controlled system of public employment offices or such other free public employment offices operated and maintained by the United States government or its instrumentalities as the department may approve.

(11) "Fund" means the unemployment insurance fund established by this chapter to which all contributions and payments in lieu of contributions are required and from which all benefits provided under this chapter shall be paid.

(12) "Gross misconduct" means a criminal act, other than a violation of a motor vehicle traffic law, for which an individual has been convicted in a criminal court or has admitted or conduct which demonstrates a flagrant and wanton disregard of and for the rights or title or interest of a fellow employee or *the* employer.

(17) (a) "Wages" means all remuneration payable for personal services, including commissions and bonuses, the cash value of all remuneration payable in any medium other than cash, and backpay received pursuant to a dispute related to employment. The reasonable cash value of remuneration payable in any medium other than cash shall be estimated and determined in accordance with rules prescribed by the department.

(b) The term "wages" does not include:

(i) the amount of any payment *made by the employer, if the payment was made under a plan established for the employees in general or for a specific class or classes of employees, to or on behalf of the employee for:*

**"39-51-203. Employment defined.** (1) "Employment", subject to other provisions of this section, means service by an individual or by an officer of a corporation, including service in interstate commerce, performed for wages or under any contract of hire, written or oral, express or implied.

(4) Service performed by an individual for wages is considered to be employment subject to this chapter unless and until it is shown to the satisfaction of the department that:

(c) such individual is customarily engaged in an independently established trade, occupation, profession, or business.

(5) The term "employment" includes service performed by an individual in the employ of this state or any of its instrumentalities (or in the employ of this state and one or more other states or their instrumentalities) for a hospital or institution of higher education located in this state. If an employer is otherwise subject to the chapter and has agricultural employment, all employees are covered under the chapter regardless of the amount of money expended for agricultural purposes. *When the otherwise subject wages are paid by the employing unit for the purpose of providing outfitter and guide services, the agricultural wages are not covered.*

(9) Domestic service exempted under 39-51-204(1)(b) is considered employment whenever the employing unit pays \$1,000 or more in cash for domestic service in any quarter during the current or preceding calendar year. After December 31, 1978, governmental entities shall pay the full amount of extended benefits.*

(2) *If benefits paid an individual are based on wages paid by both the employer and one or more other employers, the amount payable by any one employer to the fund bears the same ratio to total benefits paid to the individual as the base period wages paid to the individual by such employer bear to the total amount of base period wages paid to the individual by all the individual's base period employers.*

(3) *If the base period wages of an individual include wages from more than one such employer, the amount to be paid into the fund with respect to the benefits paid to the individual shall be prorated among the liable employers in proportion to the wages paid to the individual by each such employer during the base period.*

(4) *The amount of payment required from employers shall be ascertained by the department monthly and becomes due and payable by the employer quarterly as directed in this chapter. Penalty and interest for delinquency shall be assessed such employers as specified in 39-51-1301."*

Section 9. Section 39-51-1213, MCA, is amended to read:

**"39-51-1213. Classification of employers for experience rating purposes.** (1) *The department shall for each calendar year classify employers in accordance with their actual experience in the payment of contributions and with respect to benefits charged against their accounts, with contribution rates reflecting benefit experience. Each employer's rate for a calendar year shall be determined on the basis of the employer's record as of October 1 of the preceding calendar year.*

(2) In making the classification, each eligible and deficit employer's contribution rate is determined in the manner set forth below:

(a) Each employer is given an "experience factor" which is contributions paid since October 1, 1981, minus benefits charged on each employer's account since October 1, 1981, divided by *the employer's* average annual taxable payroll rounded to the next lower dollar amount for the 3 fiscal years immediately preceding the computation date. The computation of the "experience factor" shall be to six decimal places.

(b) Schedules shall be prepared listing all eligible and deficit employers in inverse numerical order of their experience factors. There shall be listed on such schedules for each employer in addition to the experience factor:

(i) the amount of *the employer's* taxable payroll for the fiscal year ending on the computation date; and

(ii) the cumulative total consisting of the sum of the employer's taxable payroll for the fiscal year ending on the computation date and the corresponding taxable payrolls for all other employers preceding *that employer* on the schedules.

(3) The cumulative taxable payroll amounts listed on the schedules provided for in 39-51-1218 shall be segregated into groups that will yield approximately the average tax rate according to the tax schedule assigned for that particular taxable year. Each group shall be identified by the rate class number listed in the table which represents the percentage limits of each group. Each employer on the schedules is assigned that contribution rate opposite *that employer's* rate class for the tax schedule in effect for the taxable year.

(4) (a) If the grouping of rate classes requires the inclusion of exactly one-half of an employer's taxable payroll, the employer is assigned the lower of the two rates designated for the two classes in which the halves of *that employer's* taxable payroll are so required.

(b) If the group of rate classes requires the inclusion of a portion other than exactly one-half of an employer's taxable payroll, the employer is assigned the rate designated for the class in which the greater part of *that employer's* taxable payroll is so required.

(c) If one or more employers on the schedules have experience factors identical to that of the last employer included in a particular rate class, all such employers are included in and assigned the contribution rate specified for such class, notwithstanding the provisions of 39-51-1214.

(5) If the taxable payroll amount or the experience factor or both such taxable payroll amount and experience factor of any eligible or deficit employer listed on the schedules is changed, the employer is placed in that position on the schedules which *the employer* would have occupied had *that employer's* taxable payroll amount or experience factor as changed been used in determining *that employer's* position in the first instance, but such change does not affect the position or rate classification of any other employer listed on the schedules and does not affect the rate determination for previous years.

*(6) Deficit employers who have not filed all required payroll reports or paid all contributions due by the cutoff date must be assigned the maximum contribution rate in effect for the taxable year."*

Section 10. Section 39-51-1219, MCA, is amended to read:

**"39-51-1219. Procedures for the substitution, merger, or acquisition of an employer account by a successor employing unit.**

(1) Subject to the provisions of subsection (3), whenever any individual or organization (whether or not a covered employer) in any manner succeeds to or acquires all or substantially all of the business of an employer who at the time of acquisition was a covered employer and whenever in respect to whom the department finds that the business of the predecessor is continued solely by the successor:

(a) the separate account and the actual contribution, benefit, and taxable payroll experience of the predecessor shall, upon the joint application of the predecessor and the successor within 90 days after such acquisition and approval by the department, be transferred to the successor employer for the purpose of determining the successor's liability and rate of contribution; and

(b) any successor who was not an employer on the date of acquisition becomes a covered employer as of such date.

(2) Whenever any individual or organization (whether or not a covered employer) in any manner succeeds to or acquires part of the business of an employer who at the time of acquisition was a covered employer and whenever such portion of the business is continued by the successor:

(a) so much of the separate account and the actual contribution, benefit, and taxable payroll experience of the predecessor as is attributable to the portion of the business transferred, as determined on a pro rata basis in the same ratio that the wages of covered employees properly allocable to the transferred portion of the business bears to the payroll of the predecessor in the last four completed calendar quarters immediately preceding the date of transfer, shall, upon the joint application of the predecessor and the successor within 90 days after such acquisition and approval by the department, be transferred to the successor employer for the purpose of determining the successor's liability and rate of contribution; and

(b) any successor who was not an employer on the date of acquisition becomes a covered employer as of such date.

(3) (a) The 90-day period may be extended at the discretion of the department.

(b) Whenever a predecessor covered employer has a deficit experience rating account as of the last computation date, the transfer provided for in subsections (1) and (2) is mandatory except when it is shown by substantial evidence that *neither* the management, ownership, *nor* both the management and ownership are substantially the same for the successor as for the predecessor, in which case the successor shall begin with the rate of a new employer. Whenever such mandatory transfer involves only a portion of the experience rating record and the predecessor or successor employers fail to

supply the required payroll information within 10 days after notice, the transfer shall be based on estimates of the applicable payrolls.

(4) (a) If the successor was a covered employer prior to the date of the acquisition of all or a part of the predecessor's business, *the successor's* rate of contribution, effective the first day of the calendar year immediately following the date of acquisition, is based on the combined experience of the predecessor and successor.

(b) If the successor was not a covered employer prior to the date of the acquisition of all or a part of the predecessor's business, *the successor's* rate is the rate applicable to the predecessor with respect to the period immediately preceding the date of acquisition, but if there was more than one predecessor, the successor's rate shall be a newly computed rate based on the combined experience of the predecessors, becoming effective immediately after the date of acquisition and remaining in effect for the balance of the rate year."

Section 11. Section 39-51-1301, MCA, is amended to read:

**"39-51-1301. (Temporary) Penalty and interest on past-due contributions.** (1) Contributions unpaid on the date on which they are due and payable, as provided by subsections (1) and (2) of 39-51-1103 and 39-51-1125, that are paid *by the end of the month following* the due date shall be subject to a penalty assessment of \$10 or 10% of the contribution due, whichever is greater. If the contributions are not paid *by the end of the month following* the due date, the employer shall be subject to a penalty assessment of \$15 or 15% of the contributions due, whichever is greater. All past-due contributions shall bear interest at the rate of 18% a year, to be prorated on a daily basis.

(2) A penalty of \$40 shall be assessed whenever, as the result of a willful refusal of an employer to furnish wage information or pay contributions on time, the department issues a subpoena to obtain wage information or makes a summary or jeopardy assessment pursuant to 39-51-1302.

(3) There is an account in the federal special revenue fund. Penalties and interest collected under this section must be deposited in that account. Money deposited in that account and appropriated to the department must be used by the department to administer this chapter and for programs to train and retrain unemployed and underemployed persons. Money in the account not appropriated for these purposes must be transferred by the department to the unemployment insurance trust fund at the end of each fiscal year.

(4) When failure to pay contributions on time was not caused by willful intent of the employer, the department may abate the penalty and interest.

(5) All money accruing to the unemployment insurance trust fund from interest and penalties collected on past-due contributions must be used solely for the payment of unemployment insurance benefits and may not be used for any other purpose.

**39-51-1301. (Effective July 1, 1989) Penalty and interest on past-due contributions.** (1) Contributions unpaid on the date on which

they are due and payable, as provided by subsections (1) and (2) of 39-51-1103 and 39-51-1125, that are paid *by the end of the month following* the due date shall be subject to a penalty assessment of \$10 or 10% of the contribution due, whichever is greater. If the contributions are not paid *by the end of the month following* the due date, the employer shall be subject to a penalty assessment of \$15 or 15% of the contributions due, whichever is greater. All past-due contributions shall bear interest at the rate of 18% a year, to be prorated on a daily basis.

(2) A penalty of \$40 shall be assessed whenever, as the result of a willful refusal of an employer to furnish wage information or pay contributions on time, the department issues a subpoena to obtain wage information or makes a summary or jeopardy assessment pursuant to 39-51-1302.

(3) Interest and penalties collected pursuant to this section shall be paid into the unemployment insurance trust fund.

(4) When failure to pay contributions on time was not caused by willful intent of the employer, the department may abate the penalty and interest.

(5) All money accruing to the unemployment insurance trust fund from interest and penalties collected on past-due contributions must be used solely for the payment of unemployment insurance benefits and may not be used for any other purpose."

Section 12. Section 39-51-1303, MCA, is amended to read:

**"39-51-1303. Collection of unpaid contributions by civil action.**

(1) If, after due notice, any employer defaults in any payment of contributions or interest thereon, the department may *at its discretion* initiate a civil action in the name of the Montana department of labor and industry to collect the amount due, and the employer adjudged in default shall pay the costs of such action.

(2) An action for the collection of contributions due must be brought within 5 years after the due date of such contributions or it is barred.

(3) The department may pursue its remedy under either this section or 39-51-1304, or both."

Section 13. Section 39-51-1304, MCA, is amended to read:

**"39-51-1304. Lien for payment of unpaid contributions and assessments — levy and execution.** Unpaid contributions *and assessments under 39-51-404(4), including penalties and interest assessed thereon*, have the effect of a judgment against the employer, arising at the time *such payments* are due. The department may issue a *certificate of lien* setting forth the amount of *payments due* and directing the clerk of the district court of any county of the state to enter the certificate as a judgment in the docket pursuant to 25-9-301. *From the time the judgment is docketed, it becomes a lien upon all real property of the employer. From the time the judgment is filed with the secretary of state or a registrar of personal property specifically describing the personal property, it becomes a lien upon personal property of the employer.* After the due process requirements of 39-51-1109 and 39-51-2403 have been satisfied, the department may enforce the judgment pursuant to Title 25, chapter 13, except that the

department may enforce the judgment at any time within 10 years of the creation of the lien."

Section 14. Section 39-51-2101, MCA, is amended to read:

**"39-51-2101. Total unemployment — when.** An individual shall be deemed totally unemployed in any week during which *the individual* performed no work and earned no wages or a week of less than full-time work with wages of less than 2 times *the individual's* weekly benefit amount."

Section 15. Section 39-51-2105, MCA, is amended to read:

**"39-51-2105. Qualifying wages.** To qualify for benefits, an individual must have had at least 20 weeks of work with an average of \$50 per week in subject employment in the base period. To qualify for benefits, the total base period wages must be \$1,000 or more."

Section 16. Section 39-51-2303, MCA, is amended to read:

**"39-51-2303. Disqualification for discharge due to misconduct.** An individual shall be disqualified for benefits *after being* discharged:

(1) for misconduct connected with *the individual's* work or affecting *the individual's* employment until *the individual* has performed services, other than self-employment, for which remuneration is received equal to or in excess of eight times *the individual's* weekly benefit amount subsequent to the week in which the act causing the disqualification occurred.

(2) for gross misconduct connected with *the individual's* work or committed on the employer's premises, as determined by the department, for a period of 52 weeks."

Section 17. Section 39-51-2304, MCA, is amended to read:

**"39-51-2304. Disqualification for failure to apply for or to accept suitable work.** (1) An individual is disqualified for benefits if *the individual* fails without good cause either to apply for available and suitable work when so directed by the employment office or the department or to accept an offer of suitable work which *the individual* is physically able and mentally qualified to perform or to return to customary self-employment, if any, when so directed by the department. Such disqualification continues for the week in which such failure occurs and until the individual has performed services, other than self-employment, for which remuneration is received equal to or in excess of six times *that individual's* weekly benefit amount subsequent to the date the act causing the disqualification occurred, with 6 weeks' reduction in benefit duration, as determined by the department, provided *the individual* has not left this work under disqualifying circumstances.

(2) In determining whether or not any work is suitable for an individual, the department shall consider:

(a) the degree of risk involved to *the individual's* health, safety, and morals;

(b) *the individual's* physical fitness and prior training;

- (c) *the individual's* experience and previous earnings;
  - (d) *the individual's* length of unemployment and prospects for securing local work in *the* customary occupation; and
  - (e) the distance of the available work from *the individual's* residence.
- (3) Notwithstanding any other provisions of this chapter, including subsection (4), no work may be considered suitable and benefits may not be denied under this chapter to any otherwise eligible individual for refusing to accept new work under any of the following conditions:
- (a) if the position offered is vacant due directly to a strike, lockout, or other labor dispute;
  - (b) if the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality;
  - (c) if, as a condition of being employed, the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.
- (4) Subject to subsection (3), after 13 weeks of unemployment, suitable work is work that meets the criteria in this section and that offers 75% of the individual's earnings in previous insured work in *the individual's* customary occupation. No individual, however, is required to accept a job paying less than the federal minimum wage."

Section 18. Section 39-51-2402, MCA, is amended to read:

**"39-51-2402. Initial determination — redetermination.** (1) A representative designated by the department and hereinafter referred to as a deputy shall promptly examine the claim and, on the basis of the facts found by *the deputy*, shall either determine whether or not such claim is valid and, if valid, the week with respect to which benefits shall commence, the weekly benefit amount payable, and the maximum duration thereof or shall refer such claim or any question involved therein to an appeals referee who shall make *the* decision with respect thereto in accordance with the procedure prescribed in 39-51-2403. The deputy shall promptly notify the claimant and any other interested party of the decision and the reasons therefor.

(2) The deputy may for good cause reconsider *the* decision and shall promptly notify the claimant and such other interested parties of *the* amended decision and the reasons therefor.

(3) No determination or redetermination of an initial or additional claim shall be made under this section unless 5 days' notice of the time and place of the claimant's interview for examination of the claim is mailed to each interested party.

(4) A determination or redetermination shall be deemed final unless an interested party entitled to notice thereof applies for reconsideration of the determination or appeals therefrom within 10 days after such notification was mailed to *the interested party's* last known address, provided that such period may be extended for good cause."

Section 19. Section 39-51-2403, MCA, is amended to read:

**"39-51-2403. Decision of appeals referee.** After a hearing, an appeals referee shall make findings and conclusions promptly and on the basis thereof affirm, modify, or reverse the deputy's determination or redetermination. Each interested party shall be furnished promptly a copy of the decision and the supporting findings and conclusions. This decision shall be final unless further review is initiated pursuant to 39-51-2404 within 10 days after such notification was mailed to *the interested party's* last known address, provided that such period may be extended for good cause."

Section 20. Section 39-51-2410, MCA, is amended to read:

**"39-51-2410. Finality of board's decision — judicial review.** (1) Any decision of the board in the absence of an appeal therefrom as herein provided shall become final 30 days after the date of notification or mailing thereof and judicial review shall be permitted only after any party claiming to be aggrieved has exhausted *all* remedies before the board. The department is deemed to be a party to any judicial action involving any such decision and may be represented in any such action by an attorney employed by the department or, at the department's request, by the attorney general.

(2) Within 30 days after the date of notification or mailing of the decision of the board, any party aggrieved thereby may secure judicial review thereof by commencing an action in the district court of the county in which said party resides and in which action any other party to the proceeding before the board shall be made a defendant. In such action a petition, which need not be verified but which shall state the grounds upon which a review is sought, shall be served upon the commissioner of labor and industry and all interested parties in the manner provided in the Montana Rules of Civil Procedure.

(3) The department shall certify and file with said court all documents and papers and a *record* of all testimony taken in the matter, together with the board's findings of fact and decision. The board may also in its discretion certify to such court questions of law involved in any decision by it.

(4) Whenever the department seeks review of a decision of the board, all interested parties shall be served with a copy of its petition together with all documents filed with the court.

(5) In any judicial proceeding under 39-51-2406 through 39-51-2410, the findings of the board as to the facts, if supported by evidence and in the absence of fraud, shall be conclusive and the jurisdiction of said court shall be confined to questions of law. Such action and the questions so certified shall be heard in a summary manner and shall be given precedence over all other civil cases except cases arising under the workers' compensation law of this state.

(6) An appeal may be taken from the decision of the district court to the supreme court of Montana in the same manner, but not inconsistent with the provisions of this chapter, as is provided in civil cases. It shall not

be necessary in any judicial proceeding under this section to enter exceptions to the rulings of the board and no bond shall be required for entering such appeal. Upon the final determination of such judicial proceeding, the department shall enter an order in accordance with such determination."

Section 21. Section 39-51-2501, MCA, is amended to read:

**"39-51-2501. Definitions.** As used in this part, unless the context clearly requires otherwise, the following definitions apply:

(1) "Extended benefit period" means a period which:

(a) begins with the third week after a week for which there is a state "on" indicator, provided that no extended benefit period may begin by reason of a state "on" indicator before the 14th week following the end of a prior extended benefit period which was in effect with respect to this state; and

(b) ends with the third week after the first week for which there is a state "off" indicator or the 13th consecutive week of such period.

(2) (a) "Rate of insured unemployment", for purposes of 39-51-2504 and 39-51-2505, means the percentage derived by dividing the average weekly number of individuals filing claims for regular benefits in this state for weeks of unemployment with respect to the most recent 13-consecutive-week period, as determined by the department on the basis of its reports to the U.S. secretary of labor, by the average monthly employment covered under this chapter for the first 4 of the most recent 6 completed calendar quarters ending before the end of such 13-week period.

(b) Computations required by the provisions of subsection (2)(a) shall be made by the department in accordance with regulations prescribed by the U.S. secretary of labor.

(5) "Eligibility period", *relating to extended benefits*, means the period consisting of the weeks in *the individual's* benefit year which begin in an extended benefit period and, if *the individual's* benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

(6) "Exhaustee" means an individual who, with respect to any week of unemployment in *the* eligibility period:

(a) has received, prior to such week, all of the regular benefits that were available under this chapter or any other state law, including dependents' allowances and benefits payable to federal civilian employees and *ex-service*

*personnel* under 5 U.S.C. chapter 85, in *the* current benefit year that includes such week; provided that, for the purposes of this subsection, an individual shall be deemed to have received all of the regular benefits that were available although, as a result of a pending appeal with respect to wages that were not considered in the original monetary determination of *the* benefit year, *the individual* may subsequently be determined to be entitled to added regular benefits;

(b) *the* benefit year having expired prior to such week, has no or insufficient wages on the basis of which *the individual* could establish a new benefit year that would include such week;

(c) has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act and such other federal laws as are specified in regulations issued by the U.S. secretary of labor; and

(d) has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada, but if *the individual* is seeking such benefits and the appropriate agency finally determines that *the individual* is not entitled to benefits under such law, *the individual* is considered an exhaustee.

(7) "State law" means the unemployment insurance law of any state approved by the U.S. secretary of labor under section 3304 of the Internal Revenue Code of 1954."

Section 22. Section 39-51-3105, MCA, is amended to read:

**"39-51-3105. Assignment, pledge, or encumbrance of right to benefits void — benefits exempt from levy, execution, attachment, or other remedy for collection of debt — exception.** Any assignment, pledge, or encumbrance of any right to benefits which are or may become due or payable under this chapter shall be void, and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy whatsoever provided for the collection of debt, and benefits received by any individual, so long as they are not mingled with other funds of the recipient, shall be exempt from any remedy whatsoever for the collection of all debts except *as provided in 39-51-3106*. Any waiver of any exemption provided for in this section shall be void."

Section 23. Section 39-51-3202, MCA, is amended to read:

**"39-51-3202. Making false statement or representation or failing to disclose material fact in order to obtain or increase benefits — criminal penalty.** (1) A person who, in order to obtain or increase for *personal gain* or for any other person benefits under this chapter or under an employment security law of any other state or territory or the federal government, knowingly makes a false statement or representation or knowingly fails to disclose a material fact is guilty of a crime under 45-7-203, and the department may cause criminal proceedings to be initiated against *the person*.

(2) *A person will be required to repay to the department an amount as determined by 39-51-3201(2).*

(3) *For purposes of this section, restitution awarded under this section must include a sum equal to the amount wrongfully received plus 18% interest a year notwithstanding the provisions of 25-9-205."*

Section 24. Section 39-51-3206, MCA, is amended to read:

**"39-51-3206. Collection of benefit overpayments.** *A person who receives benefits not authorized by this chapter shall repay to the department either directly or, as authorized by the department, by offset of future benefits to which the claimant may be entitled, or by a combination of both methods, a sum equal to the amount of the overpayment. The sum is collectible in the manner provided in this chapter for the collection of past due contributions unless the department finds that the benefits were received through no fault of the person and the recovery of the benefits would be against equity and good conscience. An action for collection of overpaid benefits must be brought within 5 years after the date of the overpayment. Notwithstanding any other provision of this chapter, the department may recover an overpayment of benefits paid to any individual under this state or another state law or under an unemployment benefit program of the United States."*

Section 25. **Authority to determine uncollectibility of debts — transfer of debts for collection — liability for payment of fees and costs of collection.** (1) After making all reasonable efforts to collect unpaid contributions, assessments under 39-51-404(4), and penalties and interest thereon, or overpaid benefits under 39-51-3206 and interest thereon, the department may determine a debt to be uncollectible. Upon determining that a debt is uncollectible, the department may transfer the debt to the department of revenue for collection as provided in 17-4-104.

(2) Subject to approval by the department, reasonable fees or costs of collection incurred by the department of revenue may be added to the amount of the debt, including added fees or costs. The debtor is liable for repayment of the amount of the debt, plus fees or costs added pursuant to this subsection. All money collected must be returned to the department to be applied to the debt, except that all fees or costs collected must be retained by the department of revenue. If less than the full amount of the debt is collected, the department of revenue shall retain only a proportionate share of the collection fees or costs.

Section 26. Section 18-4-241, MCA, is amended to read:

**"18-4-241. Authority to remove or suspend from vendors' list.** (1) The department may remove a person for cause from consideration for award of contracts. The removal may not be for a period of more than 3 years.

(2) The department may suspend a person from consideration for award of contracts if there is probable cause to believe that the person has engaged in activities that may lead to removal. The suspension may not be for a period exceeding 3 months unless an indictment has been issued for an offense that would be a cause for removal under subsection (3), in which case the suspension must, at the request of the attorney general, remain in effect until after the trial of the suspended person. The authority to remove

or suspend must be exercised in accordance with rules adopted by the department.

(3) The causes for removal or suspension include the following:

(a) violation of contract provisions, as set forth in (i) and (ii) of this subsection, of a character which is regarded by the department to be so serious as to justify removal action:

(i) deliberate failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or

(ii) a recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts, provided that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor may not be considered to be a basis for removal;

(b) failure to respond to a number of solicitations over a period of time as determined by the department in accordance with rules, and after adequate written notice to the affected person of the intent to remove or suspend;

(c) any other cause the department determines to be so serious and compelling as to affect responsibility as a state contractor, including removal by another governmental entity for any cause listed in the department's rules; and

(d) *failure to comply with the provisions of Title 39, chapter 51, or Title 39, chapter 71.*

(4) The department shall issue a written decision to remove or suspend, stating the reasons for the action taken. A copy of the decision must be mailed or otherwise furnished immediately to the person involved."

## CHAPTER NO. 236

[HB 175]

AN ACT TO DISQUALIFY A COUNTY SUPERINTENDENT FROM HEARING OR DECIDING MATTERS OF CONTROVERSY INVOLVING THE EDUCATION OR POSSIBLE IDENTIFICATION OF A HANDICAPPED CHILD; AMENDING SECTION 20-3-211, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

**Section 1.** Section 20-3-211, MCA, is amended to read:

**"20-3-211. Disqualification of county superintendent.** A county superintendent may not hear or decide matters of controversy pursuant to 20-3-210 when:

- (1) he is a party to or has an interest in the controversy;

(4) In addition, compensation plan No. 3 shall use an experience rating system for employers enrolled under it. This system shall reward employers with a better than average safety record, penalize employers with a worse than average safety record, and may provide for premium volume discount.

[HB 345]

AN ACT TO REVISE THE BOND AMOUNT THAT WORKERS' COMPENSATION PLAN NO. 2 INSURERS MUST DEPOSIT WITH THE DIVISION TO GUARANTEE PAYMENT OF LIABILITY; AMENDING SECTION 39-71-2206, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 39-71-2206, MCA, is amended to read:

**"39-71-2206. Deposits by insurer with division to guarantee payment of liability.** (1) Before issuance of any policy by an insurer as herein authorized, the insurer must deposit with the division bonds of the United States or the state of Montana or of any school district, county, city, or town in the state of Montana or a corporate surety bond made out to and approved by the division in an amount not less than \$25,000 or more than \$200,000, as the division may determine. If any insurer fails to discharge any liability after the amount thereof is determined by the division and within the time limited by the division, the division shall convert the bonds or such part thereof as is necessary into cash and from the proceeds liquidate such liability, and thereafter the insurer must make an additional deposit to meet any deficiency caused thereby. It is intended to give

the division the discretion in the matter of whether an insurer has failed to discharge any liability.

(2) Within 30 days of the happening of an accident where death or the nature of the injury renders the amount of future payments certain or reasonably certain, the insurer shall make a deposit, as herein defined, with the division for the protection and guarantee of the payment of such liability in such sum as the division may direct. However, if the division considers the amount on deposit by the insurer under the provisions of subsection (1) of this section sufficient to cover all liabilities of the insurer, then no further deposit may be required.

(3) Any deposit made under the provisions of compensation plan No. 2 must be held in trust by the division as security for the payment of the liability for which the deposit was made. Such deposit may be reduced from time to time with the permission of the division as the payment of the liability of the insurer may reduce the amount required to be on deposit. Such deposit may be changed or renewed when desired by the depositor by withdrawing the same or any part thereof and substituting other deposits therefor. Upon proof of the final payment of the liability for which such deposit was made, any deposit remaining must be returned to the depositor. All earnings made by such deposit must first be applied upon any liability of the depositors, and if no such liability exists, then such earnings must upon demand be delivered to such depositor. The division and its bondsmen are liable for the value and safekeeping of such deposit and shall at any time, upon demand of a depositor, account for the same and the earnings thereof."

**Section 2. Extension of authority.** Any existing authority of the division of workers' compensation to make rules on the subject of the provisions of this act is extended to the provisions of this act.

(a) keeping necessary records for supportive and administrative personnel and any personnel shared between special and regular programs;

(3) An annual accounting of all expenditures of school district general fund moneys for special education shall be made by the district trustees on forms furnished by the superintendent of public instruction. The superintendent of public instruction shall make rules for such accounting.

(b) If the total allowable cost of the special education budgets exceeds legislative appropriations available for special education, each district shall receive a pro rata share of the available appropriations based upon prioritized budget items as established by the superintendent of public instruction. The amount of the approved budgets in excess of the available appropriations may not be reimbursed under the maximum-budget-without-a-vote for special education and is the responsibility of the school district."

Section 1. Section 61-5-206, MCA, is amended to read:

**"61-5-206. Authority of department to suspend license or driving privilege or issue probationary license.** (1) The department is hereby authorized to suspend the license or driving privilege of an operator or chauffeur without preliminary hearing upon a showing by its records or other sufficient evidence that the licensee:

Upon issuance of a probationary license the licensee shall be subject to the restrictions set forth thereon. The licensee's driving privilege may be suspended upon conviction or forfeiture of bail not vacated of any traffic violation during the period of such probation. The licensee shall surrender to the department all driver licenses theretofore issued to him before such probationary license shall be issued. His refusal or neglect to surrender such licenses upon demand shall be ground for suspending all such licenses. Probationary licenses may be issued for a period not to exceed 12 months.

(3) Upon suspending the license of any person or upon placing such person on probation, as hereinbefore in this section authorized, the department shall immediately notify the licensee in writing and upon his request shall afford him an opportunity for a hearing as early as practical within not to exceed 20 days after receipt of such request in the county wherein the licensee resides unless the department and the licensee agree that such hearing may be held in some other county. Upon such hearing the department through its duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. Upon such hearing the department shall either rescind its order of suspension or probation, or, good cause appearing therefor, may affirm, reduce, or extend the period of probation or suspension of such license."

[HB 438]

AN ACT ALLOWING THE OWNER OR OPERATOR OF A SELF-PROPELLED CRANE TO PURCHASE A 30-DAY SPECIAL PERMIT FOR OVERWEIGHT AND ESTABLISHING A FEE; AND AMENDING SECTION 61-10-124, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Crane defined.** As used in 61-10-124, "crane" means a self-propelled single-unit vehicle consisting of not more than four axles and used for raising, shifting, and lowering heavy weights by means of a projecting swinging arm.

Section 2. Section 61-10-124, MCA, is amended to read:

**"61-10-124. Special permits — fee.** (1) Except as provided in subsection (2)(b), in addition to the regular registration and gross vehicle weight fees, a fee of \$10 for each trip permit and a fee of \$75 for each term permit issued for size and weight in excess of that specified in 61-10-101 through 61-10-110 shall be paid for all movements under special permits on the public highways under the jurisdiction of the department.

(2) (a) Except as provided in subsection (2)(b), term or blanket permits may not be issued for an overwidth vehicle, combination of vehicles, load, or other thing in excess of 15 feet; an overlength vehicle, combination of vehicles, load, object, or other thing in excess of 95 feet; and an overheight vehicle, combination of vehicles, load, or other thing in excess of 13 ½ feet, or of a limit determined by the department. A vehicle, combination of vehicles, load, or other thing in excess of these dimensions is limited to trip permits. Special permits for vehicle combinations of more than two trailers are not permitted under this section. Special permits for vehicle combinations may specify highway routing and otherwise limit or prescribe conditions of operation of the vehicle or combination, including but not limited to required equipment, speed, stability, operational procedures, and insurance.

(b) A term permit may be issued to a dealer in implements of husbandry and self-propelled machinery for an overwidth or overlength vehicle referred to in subsection (2)(a). The fee for this permit is \$75. This permit covers a period of 1 year and expires on December 31 of each year with no grace period.

(c) With payment of the appropriate gross weight fee required by 61-10-203 and with payment of the fee prescribed in subsection (1), allowable gross weight of a five-axle combination logging vehicle is 80,000 pounds.

(3) Except as provided in subsection (2)(b), a permit may not be issued for a period of time greater than the period for which the GVW license is valid as provided in this title, including grace periods allowed by this title. Owners of vehicles licensed in other jurisdictions may, at the discretion of the department, purchase permits to expire with their registration. A license required by the state governs the issuance of a special permit.

*(4) The owner or operator of a crane with a gross vehicle weight of less than 80,000 pounds may purchase a 30-day special permit for overweight if the crane has a current special mobile equipment identification plate and if the department of highways has approved the configuration of the crane through a weight analysis completed within the same calendar year. The permit is not transferable, and the fee for the permit is \$200."*

**Section 3. Extension of authority.** Any existing authority of the department of highways to make rules on the subject of the provisions of this act is extended to the provisions of this act.

[HB 439]

**AN ACT RELATING TO THE REGULATION OF RISK RETENTION GROUPS AND PURCHASING GROUPS; AMENDING SECTION 33-2-708, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.**

*Be it enacted by the Legislature of the State of Montana:*

**Section 1. Purpose.** The purpose of [sections 1 through 14] is to regulate the formation and operation of risk retention groups and purchasing groups in this state formed pursuant to the provisions of the federal Liability Risk Retention Act of 1986.

**Section 2. Definitions.** As used in [sections 1 through 14], the following definitions apply:

(1) "Domicile", for purposes of determining the state where a purchasing group is domiciled, means:

(a) for a corporation, the state where the purchasing group is incorporated; and

(b) for an unincorporated entity, the state of its principal place of business.

(2) "Hazardous financial condition" means that, based on its present or reasonably anticipated financial condition, a risk retention group, although not yet financially impaired or insolvent, is unlikely to be able to:

(a) meet obligations to policyholders with respect to known claims and reasonably anticipated claims; or

(b) pay other obligations in the normal course of business.

(3) "Insurance" means primary insurance, excess insurance, reinsurance, surplus line insurance, and any other arrangement for shifting and distributing risk that is determined to be insurance under the laws of this state.

(4) (a) "Liability" means legal liability for damages, including costs of defense, legal costs and fees, and other claims expenses, because of injuries to other persons, damage to their property, or other damage or loss to other persons resulting from or arising out of:

(i) a business, whether profit or nonprofit, trade, product, services (including professional services), premises, or operations; or

(ii) an activity of any state or local government, or an agency or political subdivision thereof.

(b) The term does not include personal risk liability or an employer's liability with respect to its employees other than legal liability under the federal Employers' Liability Act (45 U.S.C. 51, et seq.). As used in this subsection, personal risk liability means liability for damages because of injury

to any person, damage to property, or other loss or damage resulting from personal, familial, or household responsibilities or activities rather than from responsibilities or activities referred to in subsection(4)(a).

(5) "Plan of operation or a feasibility study" means an analysis that presents the expected activities and results of a risk retention group, including at a minimum:

(a) the coverages, deductibles, coverage limits, rates, and rating classification systems for each line of insurance the group intends to offer;

(b) historical and expected loss experience of the proposed members and national experience of similar exposures to the extent this experience is reasonably available;

(c) pro forma financial statements and projections;

(d) appropriate opinions by a qualified independent casualty actuary, including a determination of minimum premium or participation levels required to commence operations and to prevent a hazardous financial condition;

(e) identification of management, underwriting procedures, managerial oversight methods, and investment policies; and

(f) other matters as may be prescribed by the commissioner for liability insurance companies authorized by the insurance laws of the state where the risk retention group is chartered.

(6) "Purchasing group" means a group that:

(a) has as one of its purposes the purchase of liability insurance on a group basis;

(b) purchases liability insurance only for its group members and only to cover their similar or related liability exposure, as described in subsection(6)(c);

(c) is composed of members whose businesses or activities are similar or related with respect to the liability to which members are exposed by virtue of any related, similar, or common business, trade, product, services, premises, or operations; and

(d) is domiciled in any state.

(7) "Risk retention group" means a corporation or other limited liability association formed under the laws of any state, Bermuda, or the Cayman Islands:

(a) whose primary activity consists of assuming and spreading all or any portion of the liability exposure of its group members;

(b) that is organized for the primary purpose of conducting the activity described under subsection(7)(a);

(c) (i) that is chartered and licensed as a liability insurance company and authorized to engage in the business of insurance under the laws of any state; or

(ii) that, before January 1, 1985, was chartered or licensed and authorized to engage in the business of insurance under the laws of Bermuda or the Cayman Islands and, before that date, had certified to the insurance regulatory official of at least one state that it satisfied the capitalization requirements of that state. However, such group is considered to be a risk retention group only if it has been engaged in business continuously since January 1, 1985, and only for the purpose of continuing to provide insurance to cover product liability or completed operations liability.

(A) For purposes of this subsection (7), "completed operations liability" means liability arising out of the installation, maintenance, or repair of any product at a site which is not owned or controlled by a person who:

(I) performs that work; or

(II) hires an independent contractor to perform that work; but shall include liability for activities which are completed or abandoned before the date of the occurrence giving rise to the liability.

(B) For purposes of this subsection (7), "product liability" means liability for damages because of any personal injury, death, emotional harm, consequential economic damage, or property damage (including damages resulting from the loss of use of property) arising out of the manufacture, design, importation, distribution, packaging, labeling, lease, or sale of a product, but does not include the liability of any person for those damages if the product involved was in the possession of such a person when the incident giving rise to the claim occurred.

(d) that does not exclude any person from membership in the group solely to provide to members of the group a competitive advantage over such person;

(e) (i) that has as its members only persons who have an ownership interest in the group and that has as its owners only persons who are members and who are provided insurance by the risk retention group; or

(ii) that has as its sole member and sole owner an organization that is owned by persons who are provided insurance by the risk retention group;

(f) whose members are engaged in businesses or activities that are similar or related with respect to the liability to which the members are exposed by virtue of any related, similar, or common business, trade, product, service, premises, or operation;

(g) whose activities do not include the provision of insurance other than:

(i) liability insurance for assuming and spreading all or any portion of the liability of its group members; and

(ii) reinsurance with respect to the liability of any other risk retention group or member of such other group that is engaged in businesses or activities so that such group or member meets the requirement described in subsection(7)(f) for membership in the risk retention group that provides the reinsurance; and

(h) whose name includes the phrase "risk retention group".

(8) "State" means any state of the United States or the District of Columbia.

**Section 3. Chartering — licensing — plan of operation.** A risk retention group seeking to be chartered in this state must be chartered and licensed as a casualty insurer pursuant to the insurance laws of this state and, except as provided in [sections 3 and 5 through 12], must comply with all of the laws, rules, regulations, and requirements applicable to such insurers chartered and authorized in this state and with [section 4] to the extent such requirements are not a limitation on laws, rules, regulations, or requirements of this state. Before it may offer insurance in any state, the risk retention group shall also submit for approval to the commissioner a plan of operation or a feasibility study and revisions of such plan or study if the group intends to offer any additional lines of liability insurance.

**Section 4. Risk retention groups not chartered in this state.** A risk retention group chartered in a state other than this state and seeking to do business as a risk retention group in this state must observe and abide by the laws of this state as follows:

(1) Before offering insurance in this state, a risk retention group shall submit to the commissioner:

(a) a statement identifying the state or states where the risk retention group is chartered and authorized as a casualty insurer, date of chartering, its principal place of business, and such other information, including information on its membership, as the commissioner requires to verify that the risk retention group is qualified under [section 2(7)];

(b) a copy of its plan of operation or a feasibility study and revisions of such plan or study submitted to its state of domicile. However, this provision relating to the submission of a plan of operation or a feasibility study does not apply with respect to any line or classification of liability insurance that was defined in the federal Product Liability Risk Retention Act of 1981 before October 27, 1986, and that was offered before that date by a risk retention group that had been chartered and operated for not less than 3 years before that date; and

(c) a statement of registration that designates the commissioner as its agent for the purpose of receiving service of legal documents or process.

(2) A risk retention group doing business in this state shall submit to the commissioner:

(a) a copy of the group's financial statement submitted to its state of domicile, which must be certified by an independent public accountant and contain a statement of opinion on loss and loss adjustment expense reserves made by a member of the American academy of actuaries or by a qualified loss reserve specialist under criteria established by the national association of insurance commissioners;

(b) a copy of each examination of the risk retention group as certified by the insurance regulatory official of the state in which the examination was conducted or public official conducting the examination;

(c) upon request by the commissioner, a copy of any audit performed with respect to the risk retention group; and

(d) such information as may be required to verify the group's continuing qualification as a risk retention group under [section 2(7)].

(3) (a) All premiums paid for coverage within this state to risk retention groups are subject to taxation at the same rate and to the same interest, fines, and penalties for nonpayment that apply to foreign admitted insurers.

(b) To the extent that an agent is used, he shall report and pay the taxes for the premiums for risks that he has placed with or on behalf of a risk retention group not chartered in this state.

(c) To the extent that an agent is not used or fails to pay the tax, each risk retention group shall pay the tax for risks insured within the state. Further, each risk retention group shall report all premiums paid to it for risks insured within the state.

(4) Each risk retention group, its agents, and its representatives shall comply with Title 33, chapter 18, part 2.

(5) Each risk retention group shall comply with the provisions of Title 33, chapter 18, part 2, regarding deceptive, false, or fraudulent acts or practices. However, if the commissioner seeks an injunction regarding such conduct, the injunction must be obtained from a court of competent jurisdiction.

(6) Each risk retention group shall submit to an examination by the commissioner to determine its financial condition if the insurance regulatory official of the jurisdiction where the group is chartered has not initiated an examination or does not initiate an examination within 60 days after a request by the commissioner. The examination must be coordinated to avoid unjustified repetition and be conducted in an expeditious manner in accordance with the national association of insurance commissioners examiners handbook.

(7) Each policy issued by a risk retention group must contain, in 10-point type on the front page and the declaration page, the following notice:

#### "NOTICE

This policy is issued by your risk retention group. Your risk retention group may not be subject to all of the insurance laws and regulations of your state. State insurance insolvency guaranty funds are not available for your risk retention group."

(8) The following acts by a risk retention group are prohibited:

(a) the solicitation or sale of insurance by a risk retention group to any person who is not eligible for membership in the group; and

(b) the solicitation or sale of insurance by or operation of a risk retention group that is in a hazardous financial condition or is financially impaired.

(9) A risk retention group is not allowed to do business in this state if an insurer is directly or indirectly a member or owner of the risk retention group, other than in the case of a risk retention group all of whose members are insurers.

(10) A risk retention group may not offer insurance policy coverage declared unlawful by the Montana supreme court.

(11) A risk retention group not chartered in this state and doing business in this state must comply with a lawful order issued in a voluntary dissolution proceeding or in a delinquency proceeding commenced by the insurance regulatory official of any state if there has been a finding of financial impairment after an examination under [section 4(6)].

**Section 5. Compulsory associations.** (1) A risk retention group may not join or contribute financially to any insurance insolvency guaranty fund or similar mechanism in this state. In addition, a risk retention group or its insureds may not receive any benefit from any such fund for claims arising out of the operations of the risk retention group.

(2) A risk retention group shall participate in this state's joint underwriting associations, mandatory liability pools, and similar mechanisms as provided by Title 33, chapter 8.

**Section 6. Countersignature not required.** A policy of insurance issued to a risk retention group or member of that group need not be required to be countersigned as provided in 33-17-1111.

**Section 7. Purchasing groups — exemption from certain laws relating to group purchase of insurance.** A purchasing group meeting the criteria established under the provisions of the federal Liability Risk Retention Act of 1986 is exempt from any law of this state relating to the formation of groups for the purchase of insurance, prohibition of group purchasing, or any law that would discriminate against a purchasing group or its members. In addition, an insurer is exempt from any law of this state that prohibits providing or offering to provide to a purchasing group or its members advantages based on their loss and expense experience not afforded to other persons with respect to rates, policy forms, coverages, or other matters. A purchasing group is subject to all other applicable laws of this state.

**Section 8. Notice and registration requirements of purchasing groups.** (1) A purchasing group that intends to do business in this state shall furnish notice to the commissioner that:

- (a) identifies the state where the group is domiciled;
- (b) specifies the lines and classifications of liability insurance that the purchasing group intends to purchase;
- (c) identifies the insurer from which the purchasing group intends to purchase its insurance and the domicile of the insurer;
- (d) identifies the principal place of business of the purchasing group; and

(e) provides information required by the commissioner to verify that the purchasing group is qualified under [section 2(6)].

(2) The purchasing group shall register with and designate the commissioner as its agent solely for the purpose of receiving service of legal documents or process. However, such requirements do not apply in the case of a purchasing group:

(a) (i) that was domiciled before April 2, 1986, in any state of the United States; and

(ii) that was domiciled on and after October 27, 1986, in any state of the United States;

(b) (i) that, before October 27, 1986, purchased insurance from an insurer licensed in any state; and

(ii) that, since October 27, 1986, purchased its insurance from an insurer licensed in any state;

(c) that was a purchasing group under the requirements of the federal Product Liability Risk Retention Act of 1981 before October 27, 1986; and

(d) that does not purchase insurance that was not authorized for purposes of an exemption under the federal Product Liability Risk Retention Act of 1981, as in effect before October 27, 1986.

**Section 9. Restriction on insurance purchased by purchasing groups.** (1) A purchasing group may not purchase insurance from a risk retention group that is not chartered in a state or from an insurer not authorized in the state where the purchasing group is located, unless the purchase is effected through a licensed agent or broker acting pursuant to the surplus lines laws and regulations of that state.

(2) For purposes of subsection (1), the state where a purchasing group is located is each state where a member of the purchasing group has a risk resident, located, or to be performed.

**Section 10. Administrative and procedural authority regarding risk retention groups and purchasing groups.** The commissioner is authorized to use any powers established under this title to enforce the laws of this state so long as those powers are not specifically preempted by the federal Liability Risk Retention Act of 1986. The commissioner's powers include but are not limited to the commissioner's administrative authority to investigate, issue subpoenas, conduct depositions and hearings, issue orders, and impose penalties. With regard to any investigation, administrative proceedings, or litigation, the commissioner may rely on the procedural law and regulations of the state. The injunctive authority of the commissioner in regard to risk retention groups is restricted by the requirement that any injunction be issued by a court of competent jurisdiction.

**Section 11. Penalties.** A risk retention group that violates any provision of [sections 3 through 12] is subject to fines and penalties applicable to licensed insurers generally, including revocation of its license to do business in this state.

**Section 12. Duty of agents to obtain license.** A person acting or offering to act as an agent for a risk retention group or purchasing group, that solicits members, sells insurance coverage, purchases coverage for its members located within the state, or otherwise does business in this state shall, before commencing such activity, obtain a license from the commissioner.

**Section 13. Enforceability of orders issued in United States district court.** An order issued by any district court of the United States enjoining a risk retention group from soliciting or selling insurance or operating in any state, territory, or possession of the United States upon a finding that such a group is in a hazardous financial condition, is enforceable in the courts of this state.

**Section 14. Rules and regulations.** The commissioner may make and amend any reasonable rules relating to risk retention groups and purchasing groups necessary or desirable to carry out the provisions of [sections 3 through 12].

**Section 15.** Section 33-2-708, MCA, is amended to read:

**"33-2-708. Fees and licenses.** (1) The commissioner shall collect in advance and the persons so served shall so pay to the commissioner the following fees and licenses:

AN ACT REVISING RATE REGULATION FOR SMALL TELECOMMUNICATIONS PROVIDERS; DEFINING SMALL TELECOMMUNICATIONS PROVIDER; PROVIDING FOR NOTICE OF PROPOSED RATE INCREASES; PROVIDING FOR PUBLIC SERVICE COMMISSION REVIEW OF PROPOSED RATE INCREASES IN CERTAIN CIRCUMSTANCES; AMENDING SECTION 69-3-302, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Definitions.** As used in [sections 1 through 7], the following definitions apply:

- (1) "Commission" means the Montana public service commission.

(2) "Rate" means a charge by a small telecommunications provider to a subscriber for the initiation or continued provision of regulated telecommunications service. The term includes but is not limited to charges for installations, local service, toll service, directory assistance, and late payment.

(3) "Rate increase" means an increase in the rates for regulated telecommunications services provided by a small telecommunications provider and the creation of new rates.

(4) "Regulated telecommunications service" is as defined in 69-3-803.

(5) "Small telecommunications provider" means a person, partnership, corporation, or other entity providing regulated telecommunications service to less than 5,000 subscribers in Montana. Rural telephone cooperatives organized under Title 35, chapter 18, are not small telecommunications providers.

(6) "Subscriber" means a person, partnership, corporation, or other entity acquiring regulated telecommunications service from a small telecommunications provider. There is one subscriber for each billed line of a small telecommunications provider.

**Section 2. Reduced rate regulation of small telecommunications provider.** Except as provided in [sections 1 through 7], small telecommunications providers are not subject to commission rate regulation provided in Title 69, chapter 3, parts 3 and 8.

**Section 3. Notice of rate increase.** (1) At least 60 days before the effective date of any rate increase proposed by a small telecommunications provider, the small telecommunications provider shall mail notice of the proposed rate increase to each affected subscriber, the commission, and the Montana consumer counsel.

(2) Notice to the commission and consumer counsel must include:

- (a) a summary of the justification for the proposed rate increase;
- (b) a list of the number of affected subscribers in each category of rates proposed to be increased; and
- (c) if requested by the commission, a list of the names of the affected subscribers.

(3) The notice to affected subscribers may be included with regular subscriber billings and must include:

- (a) a schedule of the proposed rates;
- (b) the effective date of the proposed rates; and
- (c) a description of the petition procedure in [section 6] for seeking commission review and determination of the proposed rates. If the small telecommunications provider publishes the petition procedure in a telephone directory, a reference to the location of the procedure in the directory is adequate notice.

**Section 4. Commission review and determination of rate increases.** (1) When a small telecommunications provider proposes a rate increase, the commission shall review and determine the rates pursuant to the applicable procedures in Title 69, chapter 3, if:

(a) the affected subscribers have successfully petitioned for commission review as described in [section 6];

(b) the small telecommunications provider requests the commission to review and determine the rates; or

(c) by the 60th day following notice of the proposed increase, the consumer counsel petitions the commission to review and determine the rates.

(2) An order of the commission issued under this section establishes the effective rate for the regulated telecommunications services covered by the order. Rates established by commission order may not be increased for a period of 6 months, except as ordered by the commission.

(3) The order of the commission is subject to review pursuant to Title 69, chapter 3, part 4.

**Section 5. Investigations by commission.** Nothing in [sections 1 through 7] limits the authority of the commission under 69-3-324 to investigate at any time and on its own motion the existing rates of a small telecommunications provider.

**Section 6. Petition for review of proposed rate increase.** Subscribers affected by a proposed rate increase for regulated telecommunications services by a small telecommunications provider may petition the commission to review and determine the rates. The petition must identify the proposed rate increase and must be in writing and signed by a subscriber or the authorized person if the subscriber is a business account.

**Section 7. Proposed increase effective unless requisite petitions received by commission.** (1) If by the 60th day following notice to subscribers of a proposed rate increase the commission has not received petitions containing signatures from at least 10% of the affected subscribers in any rate category or a petition for review from the consumer counsel, the commission shall certify this fact to the small telecommunications provider and the proposed rate increase becomes effective as published in the notice of proposed increase.

(2) If by the 60th day following notice to subscribers of a proposed rate increase the commission has received petitions containing signatures from 10% or more of the affected subscribers in any rate category or a petition for review from the consumer counsel, the commission shall notify the small telecommunications provider of this fact and shall indicate that the proposed rate increase in that rate category will not take effect as noticed. The commission shall then review and determine the rates in that category pursuant to [section 4].

(3) In the case of a proposed increase in rates for access services provided to interexchange carriers, a valid petition for commission review and determination of rates consists of a signature of an authorized representative of any interexchange carrier that would be affected by the access rates that are proposed to be increased.

Section 8. Section 69-3-302, MCA, is amended to read:

**"69-3-302. Changes in schedules.** (1) No change shall be made in any schedule, including schedules of joint rates, except as approved by the commission, upon the passage of 9 months, *or by operation of [section 7(1)]*. If the 9-month time period expires prior to commission approval of a schedule, a utility may waive the time period.

(2) Notwithstanding any provision of this title to the contrary and notwithstanding the existence of and authorization for the office of consumer counsel, the rates, tolls, or charges set forth in any schedule filed with the commission pursuant to 69-3-301 shall become effective and be lawful rates, tolls, or charges for the utility service rendered 9 months after the date upon which the schedule was filed under the rules of practice and procedure for filing as adopted by the commission or upon commission approval, whichever shall occur first, unless the utility waives the 9-month time period. However, if the rates, tolls, or charges become effective because of the passage of 9 months' time, the revenues collected thereunder shall be subject to rebate, plus interest at a per-annum rate determined by the commission, to the extent that the rates, tolls, or charges ultimately approved by the commission in its final decision produce revenues which are less than those collected under the filed schedules. In the case of an investor-owned utility, the interest rate set by the commission may not exceed the cost of equity capital as last determined by the commission.

(3) The commission may prescribe rules necessary to effectively administer this section."

Section 9. **Codification instruction.** Sections 1 through 7 are intended to be codified as an integral part of Title 69, chapter 3, and the provisions of Title 69, chapter 3, apply to sections 1 through 7.

Section 10. **Extension of authority.** Any existing authority of the public service commission to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Section 11. **Effective date.** This act is effective on passage and approval.

Approved March 27, 1987.

## CHAPTER NO. 266

[SB 138]

AN ACT TO ESTABLISH CRITERIA AND PROCEDURES FOR ASSESSING PROPOSALS FOR NEW OCCUPATIONAL AND PROFESSIONAL LICENSING BOARDS; PROVIDING FOR CONSOLIDATION OF EXISTING BOARDS; ASSIGNING RESPONSIBILITY FOR THESE FUNCTIONS TO THE LEGISLATIVE AUDIT COMMITTEE; PROVIDING FOR AN APPLICATION FEE; AND PROVIDING A RETROACTIVE APPLICABILITY DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. **Purpose.** (1) The legislature finds that the number of licensed occupations and professions has increased substantially and that occupational and professional licensing boards occasionally have been

established without a determination that the police power of the state is reasonably exercised by establishing them or a determination that existing licensing boards could provide the necessary regulation.

(2) It is the intent of the legislature to improve its ability to evaluate the need for new licensing boards by establishing criteria and procedures for reviewing proposed new occupational and professional licensing boards. To this end it is a purpose of this part to ensure that no new licensing board is established unless:

(a) the unregulated practice of the profession or occupation directly and immediately endangers the public health, safety, or welfare;

(b) practice of the profession or occupation requires specialized skill or training, and nationally recognized standards of education and training exist;

(c) a substantial majority of the public lacks the knowledge or experience to evaluate whether the practitioner is competent; and

(d) the public is not protected effectively by other means.

(3) It is also a purpose of this part to allow for the smallest number of licensing boards consistent with adequate regulation of appropriate occupations and professions.

**Section 2. Definitions.** In [sections 2 through 8], the following definitions apply:

(1) "Applicant" means the persons or organization proposing state licensing for an occupation or profession.

(2) "Committee" means the legislative audit committee.

(3) "License" means a permit, certificate, approval, registration, charter, or other form of permission required by law as a condition of practicing a profession or occupation.

(4) "Licensing" means a regulatory process that includes but is not limited to the grant, denial, renewal, revocation, suspension, annulment, withdrawal, limitation, transfer, or amendment of a license.

(5) "Licensing board" means an office, position, commission, or any other entity or instrumentality of the executive branch of state government that is responsible for licensing members of an occupation or profession.

**Section 3. Committee review and report.** (1) The committee shall review and assess the merits of any proposal to:

(a) establish a new licensing board;

(b) initiate a legislative or executive department study of the need for a new licensing board; or

(c) add to the duties of an existing licensing board responsibility for licensing another occupation or profession.

(2) Any proposal subject to review under subsection (1) must be submitted, in the form of a legislative proposal, to the committee at least 180 days before the first day of the next regular legislative session.

(3) The committee shall conduct the review required by subsection (1) only if the proposal includes:

(a) a written request by a senator whose term will not expire before the next regular legislative session or by a senator or representative who is not opposed in the next general election;

(b) the information required by [section 4(1)]; and

(c) a completed application as provided in [section 5].

(4) Within 90 days after the proposal is received, the committee shall prepare a draft report to the legislature for its next regular session. The report must include but is not limited to:

(a) the committee's findings with respect to each of the criteria in [section 4];

(b) an estimate of the cost to the state of licensing the occupation or profession and a proposed schedule of fees that will recover the cost of the licensing program as required by 37-1-134; and

(c) the committee's recommendation as to whether the profession or occupation should be licensed by the state.

(5) If the volume of requests makes it impossible to prepare all the required reports within 90 days, the committee may extend the time for preparation of a report to a maximum of 120 days from the date a request is received.

**Section 4. Criteria for committee assessment.** (1) The applicant shall demonstrate to the committee and if necessary furnish additional information requested by the committee to show that:

(a) the unregulated practice of the occupation or profession creates a direct, immediate hazard to the public health, safety, or welfare;

(b) the scope of practice is readily identified and easily distinguished from the scope of practice of other professions and occupations;

(c) the occupational or professional group has an established code of ethics, a voluntary certification program, or other measures to ensure a minimum quality of service;

(d) practice of the occupation or profession requires specialized skill or training, and nationally recognized standards of education and training exist;

(e) the proposed qualifications for obtaining a license are justified;

(f) the public will benefit from the proposed regulation of the occupation or profession;

(g) public support for the proposed licensure exists;

(h) licensing will not significantly increase the cost of services to the public; and

(i) no other board licenses a similar or closely related occupation or profession.

(2) In assessing the merits of the proposal for a new licensing board, the committee shall evaluate the applicant's information for each of the factors listed in subsection (1) and in addition determine:

(a) the number of existing practitioners and the approximate number of people who would be licensed in the future;

(b) the number of people who are likely to use the services of the occupation or profession;

(c) the manner and degree of improved quality of service;

(d) the degree to which licensing will facilitate clients' access to reimbursement for government assistance programs;

(e) whether a substantial majority of the public has the knowledge or experience to evaluate the practitioner's competence;

(f) whether the public can effectively be protected by other means; and

(g) whether licensing will:

(i) significantly increase the cost of goods and services provided by the occupation or profession;

(ii) adversely affect the scope of practice of other professions and occupations, whether regulated or not; or

(iii) exclude existing practitioners or otherwise reduce the number of practitioners in Montana.

(3) The committee shall consider in its assessment each of the factors in subsections (1) and (2) and shall include in its final report specific findings with respect to each of those factors.

**Section 5. Procedure.** (1) The committee shall adopt an appropriate form for use by applicants, containing a copy of [sections 1 through 7] and requiring applicants to list:

(a) proposed qualifications of licensed practitioners;

(b) disciplinary procedures that would be applied to practitioners;

(c) proposed requirements for continuing education, if any; and

(d) the information required by [section 4].

(2) After the committee has initiated its review under [section 3], it may request any additional information it considers necessary to complete its assessment of the proposal.

(3) The committee may in its discretion hold one or more public hearings.

(4) At least 21 days before its final report is presented to the legislature, the committee shall provide an opportunity for the applicant to review a preliminary draft of the report and prepare a response. The committee shall consider all responses in preparing its final report.

(5) At least one copy of the final report must be kept on file with the legislative auditor and made available for public inspection.

**Section 6. Application fee.** An application for review under [section 3] must include an application fee established by the committee in an amount not to exceed \$6,500. The fee must be used by the committee to pay the cost of the review, and any unused portion must be refunded to the applicant.

**Section 7. Consolidation of existing boards.** Any person or organization may propose consolidation of two or more existing boards. The provisions of [sections 2 through 6] apply to such a proposal, except that:

(1) the committee shall designate a representative of each of the occupations or professions regulated by the licensing boards proposed for consolidation, and each representative must be treated as an applicant for purposes of [sections 2 through 6]; and

(2) the committee shall weigh the merits of the proposed consolidation against the merits of retaining a separate licensing board for each affected occupation or profession and in its final report recommend to the legislature:

- (a) the proposed consolidation;
- (b) continuation of the existing licensing boards; or
- (c) a modification of the proposed consolidation.

**Section 8. Boards or licensing functions instituted by initiative.**

(1) If an initiative to establish a new licensing board or to add a new licensing responsibility to the duties of an existing licensing board is approved by the electorate, the committee shall:

(a) review the initiative to assess the degree to which it meets the criteria in [section 4(1)];

(b) request sufficient information from practitioners or other persons to make the determinations required by [section 4(2)]; and

(c) evaluate the initiative in terms of:

- (i) clarity and conciseness;
- (ii) conformity to existing statutes and principles of administrative law; and
- (iii) specificity of the delegation of authority to promulgate rules and set fees.

(2) The committee shall prepare a report to the next session of the legislature. The report must include:

(a) the committee's findings with respect to each of the criteria in [section 4];

(b) an estimate of the cost to the state of licensing the occupation or profession and a proposed schedule of fees that will cover the cost of the licensing program as required by 37-1-134;

(c) the committee's recommendation as to whether the initiative should be amended; and

(d) if amendments are recommended, a legislative proposal.

(3) Committee recommendations for amendments to the initiative must be incorporated in a bill introduced during the next session of the legislature by request of the committee.

**Section 9. Legislative audit committee report required with licensing bills.** A legislative audit committee report provided for in [section 3] must be attached to any bill reported out of a committee of the legislature that proposes to:

(1) establish a new occupational or professional licensing board as defined in [section 2];

(2) initiate a legislative or executive department study of the need for a new occupational or professional licensing board;

(3) add to the duties of an existing licensing board responsibility for licensing another occupation or profession; or

(4) consolidate two or more existing licensing boards.

**Section 10. Codification instruction.** (1) Sections 1 through 8 are intended to be codified as an integral part of Title 2, chapter 8, and the provisions of Title 2, chapter 8, apply to sections 1 through 8.

(2) Section 9 is intended to be codified as an integral part of Title 5, chapter 4, and the provisions of Title 5, chapter 4, apply to section 9.

(2) Sections 30-10-201(1), 30-10-301(1), and 30-10-303 apply to persons who buy or offer to buy when an offer to buy is made in this state or an offer to sell is made and accepted in this state.

(3) For the purpose of this section, an offer to sell or buy is made in this state, whether or not either party is then present in this state, when the offer either originates from this state or is directed by the offeror to this state and received at the place to which it is directed or at any post office in this state in the case of a mailed offer, but for the purpose of 30-10-202, an offer to sell which is not directed to or received by the offeree in this state is not made in this state.

(4) For the purpose of this section, an offer to buy or sell is accepted in this state when acceptance is communicated to the offeror in this state and acceptance has not previously been communicated to the offeror, orally or in writing, outside this state. Acceptance is communicated to the offeror in this state, whether or not either party is then present in this state, when the offeree directs it to the offeror in this state, reasonably believing the offeror to be in this state, and it is received at the place to which it is directed or at any post office in this state in the case of a mailed acceptance.

(5) An offer to sell or to buy is not made in this state when:

(a) the publisher circulates or there is circulated on his behalf in this state any bona fide newspaper or other publication of general, regular, and paid circulation which is:

(i) not published in this state; or

(ii) published in this state but has had more than two-thirds of its circulation outside this state during the past 12 months; or

(b) a radio or television program originating outside this state is received in this state.

(6) Sections 30-10-201(3), 30-10-301(2) and (3), and 30-10-303, as far as investment advisers and *investment adviser representatives* are concerned, apply when any act instrumental in effecting prohibited conduct is done in this state, whether or not either party is then present in this state."

Section 3. Section 30-10-201, MCA, is amended to read:

**"30-10-201. Registration of broker-dealers, salesmen, investment advisers, and investment adviser representatives.** (1) It is unlawful for any person to transact business in this state as a broker-dealer or salesman, except in transactions exempt under 30-10-105, unless he is registered under parts 1 through 3 of this chapter.

(2) It is unlawful for a broker-dealer or issuer to employ a salesman to represent him in this state, except in transactions exempt under 30-10-105, unless the salesman is registered under parts 1 through 3 of this chapter.

(3) It is unlawful for any person to transact business in this state as an investment adviser or as an *investment adviser representative* unless:

(a) he is so registered under parts 1 through 3 of this chapter;

(b) he is registered as a broker-dealer under parts 1 through 3 of this chapter; or

(c) his only clients in this state are investment companies, as defined in the Investment Company Act of 1940, or insurance companies.

(4) A broker-dealer or a salesman, acting as an agent for an issuer or as an agent for a broker-dealer in the offer or sale of securities for an issuer, or an investment adviser or *investment adviser representative* may apply for registration by filing an application in such form as the commissioner prescribes and payment of the fee prescribed in 30-10-209. Except for persons in the employ of brokerage firms governed by the regulations of the securities and exchange commission, all salesmen must be legal residents of this state and must have actually resided in this state for a period of at least 1 year next prior to the date of application for registration. The commissioner may, upon request and for good cause shown by an applicant, waive the residency requirement. Payment of the waiver fee shall be as prescribed in 30-10-209. A salesman acting as agent for an issuer or broker-dealer who is not currently in compliance with the financial responsibility requirements prescribed by the Securities Exchange Act of 1934 and by regulations adopted under it, may, in the discretion of the commissioner, be required to file with the commissioner a bond of a surety company duly authorized to transact business in this state. The bond shall be in an amount determined by the commissioner, payable to the state of Montana and conditioned upon the faithful compliance with the provisions of parts 1 through 3 of this chapter, and provide that upon failure to so comply, the salesman shall be liable to any and all persons who may suffer loss by reason thereof.

(5) The application shall contain whatever information the commissioner requires.

(6) When the registration requirements are complied with, the commissioner shall approve the registration.

(7) Registration of a broker-dealer, salesman, investment adviser, or *investment adviser representative* shall be effective until December 31 following such registration or such other time as the commissioner may by rule adopt and may be renewed.

(8) The registration of a salesman is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application. When a salesman begins or terminates a connection with an issuer or registered broker-dealer, the salesman and the issuer or broker-dealer shall promptly notify the commissioner.

(9) *The registration of an investment adviser representative is not effective during any period when he is not associated with an investment adviser registered under this act and specified in the application. When an investment adviser representative begins or terminates a connection with an investment adviser, the investment adviser shall promptly notify the commissioner.*

(10) Registration of a broker-dealer, salesman, investment adviser, or *investment adviser representative* may be renewed by filing prior to the expiration thereof an application containing such information as the commissioner may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, salesman, investment adviser, or *investment adviser representative* filed by the applicant, payment of the prescribed fee, and, in the case of a broker-dealer who is not a member of NASD, inc., by filing a financial statement showing the financial condition of such broker-dealer as of a date within 90 days. A registered broker-dealer or investment adviser may file an application for registration of a successor, to become effective upon approval of the commissioner.

(11) Every registered broker-dealer and investment adviser shall make and keep such accounts and other records, except with respect to securities exempt under 30-10-104(1), as may be prescribed by the commissioner. All records so required shall be preserved for 3 years unless the commissioner prescribes otherwise for particular types of records. All the records of a registered broker-dealer or investment adviser are subject at any time or from time to time to such reasonable periodic, special, or other examinations, within or without this state, by representatives of the commissioner, as the commissioner considers necessary or appropriate in the public interest or for the protection of investors.

(12) The commissioner may by order deny, suspend, or revoke registration of any broker-dealer, salesman, investment adviser, or *investment adviser representative* if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer or investment adviser, any partner, officer, or director:

(a) has filed an application for registration under this section which, as of its effective date or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained

any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(b) has willfully violated or willfully failed to comply with any provision of parts 1 through 3 of this chapter or a predecessor law or any rule or order under parts 1 through 3 of this chapter or a predecessor law;

(c) has been convicted of any misdemeanor involving a security or any aspect of the securities business or any felony;

(d) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;

(e) is the subject of an order of the commissioner denying, suspending, or revoking registration as a broker-dealer, salesman, investment adviser, or *investment adviser representative*;

(f) is the subject of an order entered within the past 5 years by the securities administrator of any other state or by the federal securities and exchange commission denying or revoking registration as a broker-dealer, salesman, investment adviser, or *investment adviser representative* or the substantial equivalent of those terms as defined in parts 1 through 3 of this chapter or is the subject of an order of the federal securities and exchange commission suspending or expelling him from a national securities exchange or national securities association registered under the Securities Exchange Act of 1934 or is the subject of a United States post office fraud order, but:

(i) the commissioner may not institute a revocation or suspension proceeding under this subsection (f) more than 1 year from the date of the order relied on; and

(ii) he may not enter any order under this subsection (f) on the basis of an order unless that order was based on facts which would currently constitute a ground for an order under this section;

(g) has engaged in dishonest or unethical practices in the securities business;

(h) is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature, but the commissioner may not enter an order against a broker-dealer or investment adviser under this subsection (h) without a finding of insolvency as to the broker-dealer or investment adviser;

(i) has not complied with a condition imposed by the commissioner under this section or is not qualified on the basis of such factors as training, experience, or knowledge of the securities business; or

(j) has failed to pay the proper filing fee, but the commissioner may enter only a denial order under this subsection (j), and he shall vacate any such order when the deficiency has been corrected.

(13) Upon the entry of the order under subsection (12) of this section, the commissioner shall promptly notify the applicant or registrant, as well

as the employer or prospective employer if the applicant or registrant is a salesman or *investment adviser representative*, that it has been entered and of the reasons therefor and that if requested by the applicant or registrant within 15 days after the receipt of the commissioner's notification the matter will be promptly set down for hearing. If no hearing is requested within 15 days and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may affirm, modify, or vacate the order.

(14) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, investment adviser, salesman, or *investment adviser representative* or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian or cannot be located after reasonable search, the commissioner may by order cancel the registration or application.

(15) The commissioner may, after suspending or revoking registration of any broker-dealer, salesman, investment adviser, or *investment adviser representative*, impose a fine not to exceed \$5,000 upon such broker-dealer, salesman, investment adviser, or *investment adviser representative*. The fine is in addition to all other penalties imposed by the laws of this state and must be collected by the commissioner in the name of the state of Montana and deposited in the general fund. Imposition of any fine under this subsection is an order from which an appeal may be taken pursuant to 30-10-308. If any broker-dealer, salesman, investment adviser, or *investment adviser representative* fails to pay a fine referred to in this subsection, the amount of the fine is a lien upon all of the assets and property of such broker-dealer, salesman, investment adviser, or *investment adviser representative* in this state and may be recovered by suit by the commissioner and deposited in the general fund. Failure of a broker-dealer, salesman, investment adviser, or *investment adviser representative* to pay a fine also constitutes a forfeiture of his right to do business in this state under parts 1 through 3 of this chapter."

Section 4. Section 30-10-209, MCA, is amended to read:

**"30-10-209. Fees.** The following fees shall be paid in advance under the provisions of parts 1 through 3 of this chapter:

(1) (a) For the registration of securities by notification, coordination, or qualification, there shall be paid to the commissioner for the first year of registration a registration fee of \$200 for the first \$100,000 of initial issue or portion thereof in this state, based on offering price, plus 1/10 of 1% for any excess over \$100,000, with a maximum of \$1,000.

(b) Each year thereafter, a registration of securities may be renewed, prior to its termination date, for an additional year upon consent of the commissioner and payment of an additional registration fee to be computed at 1/10 of 1% of the aggregate offering price of such securities which are to be offered in this state during that year, even though the maximum fee

was paid the preceding year. In no event shall the additional registration fee be less than \$200 or more than \$1,000. The registration statement for such securities may be amended to increase the amount of securities to be offered.

(c) If a registrant sells securities in excess of the aggregate amount registered for sale in this state, the registrant may file an amendment to the registration statement to include the excess sales. If the registrant fails to file an amendment before the expiration date of the registration order, he shall pay a filing fee for the excess sales of three times the amount calculated in the manner specified in subsection (1)(b). Registration of the excess securities is effective retroactively to the date of the existing registration.

(2) (a) For registration of a broker-dealer or investment adviser, the fee shall be \$200 for original registration and \$200 for each annual renewal.

(b) For registration of a salesman or investment adviser representative, the fee shall be \$50 for original registration with each employer, \$50 for each annual renewal, and \$50 for each transfer.

(3) For certified copies of any documents filed with the commissioner, the fee shall be the cost to the department.

(4) For a request for an exemption under 30-10-105(15), the fee shall be established by the commissioner by rule. For a request for any other exemption or an exception to the provisions of parts 1 through 3 of this chapter, the fee shall be \$50.

(5) For waiver of the residency requirement of 30-10-201(4), the fee shall be \$50 for each original registration.

(6) All fees are considered fully earned when received. In the event of overpayment, only those amounts in excess of \$10 may be refunded.

(7) All fees, examination charges, and miscellaneous charges, except fines or penalties, collected by the commissioner pursuant to parts 1 through 3 of this chapter and the rules adopted hereunder must be deposited into the securities regulatory trust account, pursuant to 30-10-115 through 30-10-118.

(8) All fines and penalties collected by the commissioner pursuant to parts 1 through 3 of this chapter and the rules adopted hereunder must be deposited into the general fund."

**Section 5. Extension of authority.** Any existing authority of the securities commissioner to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 29, 1987.

Section 2. Section 30-10-105, MCA, is amended to read:

**"30-10-105. Exempt transactions.** Except as in this section expressly provided, 30-10-201 through 30-10-207 shall not apply to any of the following transactions:

(1) any nonissuer isolated transaction, whether effected through a broker-dealer or not;

(2) (a) any nonissuer distribution of an outstanding security by a broker-dealer registered pursuant to 30-10-201 if:

(i) quotations for the securities to be offered or sold (or the securities issuable upon exercise of any warrant or right to purchase or subscribe to such securities) are reported by the automated quotations system operated by the national association of securities dealers, inc., (NASDAQ) or by any other quotation system approved by the commissioner by rule; or

(ii) the security has a fixed maturity or a fixed interest or dividend provision and there has been no default during the current fiscal year or within the 3 preceding fiscal years, or during the existence of the issuer and any predecessors if less than 3 years, in the payment of principal, interest, or dividends on the security.

(b) The commissioner may by order deny or revoke the exemption specified in subsection (2)(a) with respect to a specific security. Upon the entry of such an order, the commissioner shall promptly notify all registered broker-dealers that it has been entered and of the reasons therefor and that within 15 days of the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to all interested persons, may modify or vacate the order or extend it until final determination. No order under this subsection may operate retroactively. No person may be considered to have violated parts 1 through 3 of this chapter by reason of any offer or sale effected after the entry of an order under this subsection if he sustains the burden of proof that he did not know and in the exercise of reasonable care could not have known of the order.

(3) any nonissuer transaction effected by or through a registered broker-dealer pursuant to an unsolicited order or offer to buy, but the commissioner may require that the customer acknowledge upon a specified form that the sale was unsolicited and that a signed copy of each form be preserved by the broker-dealer for a specified period;

(4) any transaction between the issuer or other person on whose behalf the offering is made and an underwriter or among underwriters;

(5) any transaction by an executor, administrator, sheriff, marshal, receiver, trustee in bankruptcy, guardian, or conservator in the performance of his official duties as such;

(6) any transaction executed by a bona fide pledgee without any purpose of evading parts 1 through 3 of this chapter;

(7) any offer or sale to a bank, savings institution, trust company, insurance company, investment company as defined in the Investment Company Act of 1940, pension or profit-sharing trust, or other financial institution or institutional buyer, or to a broker-dealer, whether the purchaser is acting for itself or in some fiduciary capacity;

(8) (a) any transaction pursuant to an offer made in this state directed by the offeror to not more than 10 persons (other than those designated in subsection (7)) during any period of 12 consecutive months, if:

(i) the seller reasonably believes that all the buyers are purchasing for investment; and

(ii) no commission or other remuneration is paid or given directly or indirectly for soliciting any prospective buyer; provided, however, that a commission may be paid to a registered broker-dealer if the securities involved are registered with the United States securities and exchange commission under the federal Securities Act of 1933, as amended.

(b) For the purpose of the exemption provided for in subsection (8)(a), an offer to sell is made in this state, whether or not the offeror or any of the offerees is then present in this state, if the offer either originates from this state or is directed by the offeror to this state and received at the place to which it is directed (or at any post office in this state in the case of a mailed offer).

(9) any offer or sale of a preorganization certificate or subscription if:

(a) no commission or other remuneration is paid or given directly or indirectly for soliciting any prospective subscriber;

(b) the number of subscribers does not exceed 10; and

(c) no payment is made by any subscriber;

(10) any transaction pursuant to an offer to existing security holders of the issuer, including persons who at the time of the transaction are holders of convertible securities, nontransferable warrants, or transferable warrants exercisable within not more than 90 days of their issuance, if:

(a) no commission or other remuneration (other than a standby commission) is paid or given directly or indirectly for soliciting any security holder in this state; or

(b) the issuer first files a notice specifying the terms of the offer and the commissioner does not by order disallow either (a) or (b) of this subsection;

(11) any offer (but not a sale) of a security for which registration statements have been filed under both parts 1 through 3 of this chapter and the Securities Act of 1933 if no stop order or refusal order is in effect and no public proceeding or examination looking toward such an order is pending under either law;

(12) any offer (but not a sale) of a security for which a registration statement has been filed under parts 1 through 3 of this chapter and the commissioner in his discretion does not disallow the offer in writing within 10 days of such filing;

(13) the issuance of any stock dividend, whether the corporation distributing the dividend is the issuer of the stock or not, if nothing of value is given by stockholders for the distribution other than the surrender of a right to a cash dividend where the stockholder can elect to take a dividend in cash or stock;

(14) any transaction incident to a right of conversion or a statutory or judicially approved reclassification, recapitalization, reorganization, quasi-reorganization, stock split, reverse stock split, merger, consolidation, or sale of assets;

(15) any transaction in compliance with such rules as the commissioner in his discretion may adopt to serve the purposes of 30-10-102;

(16) any transaction pursuant to the Montana Capital Company Act, Title 90, chapter 8, provided that a Montana capital company must first file all disclosure documents, along with a consent to service of process, with the state securities commissioner. (b) *requires, and under which the purchaser receives within 7 calendar days after payment in good funds of any portion of the purchase price, physical delivery of the quantity of the precious metals purchased. For the purposes of this subsection, physical delivery is considered to have occurred if, within the 7-day period, the quantity of precious metals, whether in specifically segregated or fungible bulk, purchased by such payment is delivered into the possession of a depository (other than the seller) that:*

(i) (A) *is a financial institution (meaning a bank, savings institution, or trust company organized under or supervised pursuant to the laws of the United States or of this state);*

(B) *is a depository the warehouse receipts of which are recognized for delivery purposes for any commodity on a contract market designated by the commodity futures trading commission; or*

(C) *is a storage facility licensed by the United States or any agency of the United States; and*

(ii) *issues, and the purchaser receives, a certificate, document of title, confirmation, or other instrument evidencing that such quantity of precious metals has been delivered to the depository and is being and will continue to be held on the purchaser's behalf, free and clear of all liens and encumbrances other than:*

(A) *liens of the purchaser;*

(B) *tax liens;*

(C) *liens agreed to by the purchaser; or*

(D) *liens of the depository for fees and expenses that previously have been disclosed to the purchaser.*

(20) *a transaction involving a commodity investment contract solely between persons engaged in producing, processing, using commercially, or handling as merchants each commodity subject to the contract or any byproduct of the commodity."*

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 30-10-103, MCA, is amended to read:

**"30-10-103. Definitions.** When used in parts 1 through 3 of this chapter, unless the context requires otherwise, the following definitions apply:

(1) "Commissioner" means securities commissioner of this state.

(2) "Salesman" means any individual other than a broker-dealer who represents a broker-dealer or issuer in effecting or attempting to effect sales of securities. A partner, officer, or director of a broker-dealer or issuer is a salesman only if he otherwise comes within this definition. "Salesman" does not include an individual who represents an issuer in:

(a) effecting a transaction in a security exempted by subsections (1), (2), (3), (8), (9), (10), or (11) of 30-10-104;

(b) effecting transactions exempted by 30-10-105; or

(c) effecting transactions with existing employees, partners, or directors of the issuer if no commission or other remuneration is paid or given directly or indirectly for soliciting any person in this state.

(3) "Broker-dealer" means any person engaged in the business of effecting transactions in securities for the account of others or for his own account. "Broker-dealer" does not include:

(a) a salesman, issuer, bank, savings institution, trust company, or insurance company; or

(b) a person who has no place of business in this state if he effects transactions in this state exclusively with or through the issuers of the securities involved in the transactions, other broker-dealers, or banks, savings institutions, trust companies, insurance companies, investment companies as defined in the Investment Company Act of 1940, pension or profit-sharing trusts, or other financial institutions or institutional buyers, whether acting for themselves or as trustee.

(4) "Registered broker-dealer" means a broker-dealer registered pursuant to 30-10-201.

(5) "Guaranteed" means guaranteed as to payment of principal, interest, or dividends.

(6) (a) "Investment adviser" means any person who, for compensation, engages in the business of advising others, either directly or through publications or writings, as to the value of securities or as to the advisability of investing in, purchasing, or selling securities or who, for compensation and as a part of a regular business, issues or promulgates analyses or reports concerning securities.

(b) *The term includes a financial planner or other person who:*

(i) *as an integral component of other financially related services, provides the investment advisory services described in subsection (6)(a) to others for compensation, as part of a business; or*

(ii) *represents himself as providing the investment advisory services described in subsection (6)(a) to others for compensation.*

(c) "Investment adviser" does not include:

(i) a bank, savings institution, trust company, or insurance company;

(ii) a lawyer, accountant, engineer, or teacher whose performance of these services is solely incidental to the practice of his profession;

(iii) a broker-dealer;

(iv) a publisher of any newspaper, news column, newsletter, news magazine, or business or financial publication or service, whether communicated in hard copy form or by electronic means or otherwise, that does not consist

*of the rendering of advice on the basis of the specific investment situation of each client;*

(v) a person whose advice, analyses, or reports relate only to securities exempted by 30-10-104(1); or

(vi) such other persons not within the intent of this subsection (6) as the commissioner may by rule or order designate.

(7) "Issuer" means any person who issues or proposes to issue any security, except that with respect to certificates of deposit, voting-trust certificates, or collateral-trust certificates or with respect to certificates of interest or shares in an unincorporated investment trust not having a board of directors (or persons performing similar functions) or of the fixed, restricted management, or unit type, the term "issuer" means the person or persons performing the acts and assuming the duties of depositor or manager pursuant to the provisions of the trust or other agreement or instrument under which the security is issued.

(8) "Nonissuer" means not directly or indirectly for the benefit of the issuer.

(9) "Person", for the purpose of parts 1 through 3 of this chapter, means an individual, a corporation, a partnership, an association, a joint-stock company, a trust where the interests of the beneficiaries are evidenced by a security, an unincorporated organization, a government, or a political subdivision of a government.

(10) (a) "Sale" or "sell" includes every contract of sale of, contract to sell, or disposition of a security or interest in a security for value.

(b) "Offer" or "offer to sell" includes every attempt or offer to dispose of or solicitation of an offer to buy a security or interest in a security for value.

(c) Any security given or delivered with or as a bonus on account of any purchase of securities or any other thing is considered to constitute part of the subject of the purchase and to have been offered and sold for value. A purported gift of assessable stock is considered to involve an offer and sale. Every sale or offer of a warrant or right to purchase or subscribe to another security of the same or another issuer, as well as every sale or offer of a security which gives the holder a present or future right or privilege to convert into another security of the same or another issuer, is considered to include an offer of the other security.

(11) "Securities Act of 1933", "Securities Exchange Act of 1934", "Public Utility Holding Company Act of 1935", "*Investment Advisors Act of 1940*", and "Investment Company Act of 1940" mean the federal statutes of those names as amended before or after July 1, 1961.

production under such a title or lease; or, in general, any interest or instrument commonly known as a security or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase any of the foregoing. "Security" does not include any insurance or endowment policy or annuity contract under which an insurance company promises to pay a sum of money either in a lump sum or periodically for life or some other specified period.

(13) "State" means any state, territory, or possession of the United States, as well as the District of Columbia and Puerto Rico.

(14) *"Transact", "transact business", or "transaction" includes the meanings of the terms "sale", "sell", and "offer".*

(2) any security issued or guaranteed by Canada, any Canadian province, any political subdivision of any such province, or any agency or corporate or other instrumentality of one or more of the foregoing or any other foreign government with which the United States currently maintains diplomatic relations if the security is recognized as a valid obligation by the issuer or guarantor;

(7) any security that meets all of the following conditions:

(d) the issuer has had consolidated net income (before extraordinary items and the cumulative effect of accounting changes) of at least \$1 million in 4 of its last 5 fiscal years, including its last fiscal year; and if the offering is of interest-bearing securities, has had for its last fiscal year such net income, but before deduction for income taxes and depreciation, of at least 1 ½ times the issuer's annual interest expense, giving effect to the proposed offering and the intended use of the proceeds. "Last fiscal year" as used in this subsection (7)(d), means the most recent year for which audited financial statements are available, provided that such statements cover a fiscal period ended not more than 15 months from the commencement of the offering.

In connection with the determination of the number of persons who are beneficial owners of the stock or shares of an issuer, the issuer or broker-dealer may rely in good faith for the purposes of this section upon written information furnished by the record owners.

(8) any security issued by any person organized and operated not for private profit but exclusively for religious, educational, benevolent, charitable, fraternal, social, athletic, or reformatory purposes if the issuer pays a fee of \$50 and files with the commissioner 20 days prior to the offering a written notice specifying the terms of the offer and the commissioner does not disallow the exemption in writing within such 20-day period;

(10) any investment contract issued in connection with an employee's stock purchase, savings, pension, profit-sharing, or similar benefit plan;

(11) any security for which the commissioner determines by order that an exemption would better serve the purposes of 30-10-102 than would registration. The fee for this exemption must be as prescribed in 30-10-209(4).

(12) any security listed or approved for listing upon notice of issuance on the New York stock exchange, the American stock exchange, the Pacific stock exchange, the Midwest stock exchange, or any other stock exchange registered with the federal securities and exchange commission and approved by the commissioner; any other security of the same issuer that is of senior or substantially equal rank; any security called for by subscription rights or warrants so listed or approved; or any warrant or right to purchase or subscribe to any of the foregoing;

No order under this subsection may operate retroactively. No person may be considered to have violated parts 1 through 3 of this chapter by reason of any offer or sale effected after the entry of an order under this subsection if he sustains the burden of proof that he did not know and in the exercise of reasonable care could not have known of the order.

(10) any transaction pursuant to an offer to existing security holders of the issuer, including persons who at the time of the transaction are holders of convertible securities, nontransferable warrants, or transferable warrants exercisable within not more than 90 days of their issuance, if:

(a) no commission or other remuneration (other than a standby commission) is paid or given directly or indirectly for soliciting any security holder in this state; or

(b) the issuer first files a notice specifying the terms of the offer and the commissioner does not by order disallow either (a) or (b) of this subsection;

(11) any offer (but not a sale) of a security for which registration statements have been filed under both parts 1 through 3 of this chapter and the Securities Act of 1933 if no stop, refusal, *denial*, *suspension*, or *revocation* order is in effect and no public proceeding or examination looking toward such an order is pending under either law;

(12) any offer (but not a sale) of a security for which a registration statement has been filed under parts 1 through 3 of this chapter and the commissioner in his discretion does not disallow the offer in writing within 10 days of such filing;

(13) the issuance of any stock dividend, whether the corporation distributing the dividend is the issuer of the stock or not, if nothing of value is given by stockholders for the distribution other than the surrender of a right to a cash dividend where the stockholder can elect to take a dividend in cash or stock;

(14) any transaction incident to a right of conversion or a statutory or judicially approved reclassification, recapitalization, reorganization, quasi-reorganization, stock split, reverse stock split, merger, consolidation, or sale of assets;

(15) any transaction in compliance with such rules as the commissioner in his discretion may adopt to serve the purposes of 30-10-102. *The commissioner may in his discretion require that 30-10-201 through 30-10-207 apply to any or all transactional exemptions adopted by rule.*

(16) any transaction by a certified Montana capital company as defined in 90-8-104, provided that such company first files all disclosure documents, along with a consent to service of process, with the commissioner. The commissioner may not charge a fee for the filing."

Section 4. Section 30-10-201, MCA, is amended to read:

**"30-10-201. Registration of broker-dealers, salesmen, and investment advisers.** (1) It is unlawful for any person to transact business in this state as a broker-dealer or salesman, except in transactions exempt under 30-10-105, unless he is registered under parts 1 through 3 of this chapter.

(2) It is unlawful for a broker-dealer or issuer to employ a salesman to represent him in this state, except in transactions exempt under 30-10-105, unless the salesman is registered under parts 1 through 3 of this chapter.

(3) It is unlawful for any person to transact business in this state as an investment adviser unless:

- (a) he is so registered under parts 1 through 3 of this chapter;
- (b) he is registered as a broker-dealer under parts 1 through 3 of this chapter;
- (c) his only clients in this state are:
  - (i) investment companies, as defined in the Investment Company Act of 1940, or insurance companies;
  - (ii) other investment advisers;
  - (iii) broker-dealers;
  - (iv) banks;
  - (v) trust companies;
  - (vi) savings and loan associations;
  - (vii) employee benefit plans with assets of not less than \$1 million;
  - (viii) governmental agencies or instrumentalities, whether acting for themselves or as trustees with investment control; or
  - (ix) other institutional investors as are designated by rule or order of the commissioner; or

(d) he has no place of business in this state and during any 12 consecutive months does not direct business communications in this state in any manner to more than five present or prospective clients, other than those specified in subsection (3)(c), whether or not he or any of the persons to whom the communications are directed are then present in this state.

(4) A broker-dealer or a salesman, acting as an agent for an issuer or as an agent for a broker-dealer in the offer or sale of securities for an issuer, or an investment adviser may apply for registration by filing an application in such form as the commissioner prescribes and payment of the fee prescribed in 30-10-209. A salesman acting as agent for an issuer or broker-dealer who is not currently in compliance with the financial responsibility requirements prescribed by the Securities Exchange Act of 1934 and by regulations adopted under it, may, in the discretion of the commissioner, be required to file with the commissioner a bond of a surety company duly authorized to transact business in this state. The bond shall be in an amount determined by the commissioner, payable to the state of Montana and conditioned upon the faithful compliance with the provisions of parts 1 through 3 of this chapter, and provide that upon failure to so comply, the salesman shall be liable to any and all persons who may suffer loss by reason thereof.

(5) The application shall contain whatever information the commissioner requires. *No registration application of a broker-dealer, salesman, investment adviser, or investment adviser representative may be withdrawn before the commissioner approves or denies such registration, without the express written consent of the commissioner.*

(6) When the registration requirements are met, the commissioner shall make the registration effective. *No effective registration of a broker-dealer, salesman, investment adviser, or investment adviser representative may be withdrawn without the express written consent of the commissioner.*

(7) Registration of a broker-dealer, salesman, or investment adviser shall be effective until December 31 following such registration or such other time as the commissioner may by rule adopt and may be renewed. The registration of a salesman is not effective during any period when he is not associated with an issuer or a registered broker-dealer specified in his application. When a salesman begins or terminates a connection with an issuer or registered broker-dealer, the salesman and the issuer or broker-dealer shall promptly notify the commissioner.

(8) Registration of a broker-dealer, salesman, or investment adviser may be renewed by filing, prior to the expiration thereof, an application containing such information as the commissioner may require to indicate any material change in the information contained in the original application or any renewal application for registration as a broker-dealer, salesman, or investment adviser filed by the applicant, payment of the prescribed fee, and, in the case of a broker-dealer who is not a member of NASD, inc., by filing a financial statement showing the financial condition of such broker-dealer as of a date within 90 days. A registered broker-dealer or investment adviser may file an application for registration of a successor, to become effective upon approval of the commissioner.

(9) Every registered broker-dealer and investment adviser shall make and keep such accounts and other records, except with respect to securities exempt under 30-10-104(1), as may be prescribed by the commissioner. All records so required shall be preserved for 3 years unless the commissioner prescribes otherwise for particular types of records. All the records of a registered broker-dealer or investment adviser are subject at any time or

from time to time to such reasonable periodic, special, or other examinations, within or without this state, by representatives of the commissioner, as the commissioner considers necessary or appropriate in the public interest or for the protection of investors.

(10) The commissioner may by order deny, suspend, or revoke registration of any broker-dealer, salesman, or investment adviser if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer or investment adviser, any partner, officer, or director:

(a) has filed an application for registration under this section which, as of its effective date or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(b) has willfully violated or willfully failed to comply with any provision of parts 1 through 3 of this chapter or a predecessor law or any rule or order under parts 1 through 3 of this chapter or a predecessor law;

(c) has been convicted of any misdemeanor involving a security or any aspect of the securities business or any felony;

(d) is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;

(e) is the subject of an order of the commissioner denying, suspending, or revoking registration as a broker-dealer, salesman, or investment adviser;

(f) is the subject of an *adjudication or determination, within the past 5 years, by a securities or commodities agency or administrator of another state or a court of competent jurisdiction, that the person has violated the Securities Act of 1933, the Securities Exchange Act of 1934, the Investment Advisors Act of 1940, the Investment Company Act of 1940, or the Commodity Exchange Act or the securities or commodities law of any other state;*

(g) has engaged in dishonest or unethical practices in the securities business;

(h) is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature, but the commissioner may not enter an order against a broker-dealer or investment adviser under this subsection (h) without a finding of insolvency as to the broker-dealer or investment adviser;

(i) has not complied with a condition imposed by the commissioner under this section or is not qualified on the basis of such factors as training, experience, or knowledge of the securities business;

(j) has failed to pay the proper filing fee, but the commissioner may enter only a denial order under this subsection (j), and he shall vacate any such order when the deficiency has been corrected; or

*(k) has failed to reasonably supervise his salesmen or employees, if he is a broker-dealer, or his investment adviser representatives or employees, if he is an investment adviser, to assure their compliance with this act.*

*(11) The commissioner may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within 30 days after the date on which the registration became effective.*

*(12) The commissioner may by order summarily postpone or suspend registration pending final determination of any proceeding under this section.*

*(13) Upon the entry of the order under subsection (10) of this section, the commissioner shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is a salesman, that it has been entered and of the reasons therefor and that if requested by the applicant or registrant within 15 days after the receipt of the commissioner's notification the matter will be promptly set down for hearing. If no hearing is requested within 15 days and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.*

*(14) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, investment adviser, or salesman or is subject to an adjudication of mental incompetence or to the control of a committee, conservator, or guardian or cannot be located after reasonable search, the commissioner may by order cancel the registration or application.*

*(15) The commissioner may, after suspending or revoking registration of any broker-dealer, salesman, or investment adviser under subsection (10), impose a fine not to exceed \$5,000 upon such broker-dealer, salesman, or investment adviser. The fine is in addition to all other penalties imposed by the laws of this state and must be collected by the commissioner in the name of the state of Montana and deposited in the general fund. Imposition of any fine under this subsection is an order from which an appeal may be taken pursuant to 30-10-308. If any broker-dealer, salesman, or investment adviser fails to pay a fine referred to in this subsection, the amount of the fine is a lien upon all of the assets and property of such broker-dealer, salesman, or investment adviser in this state and may be recovered by suit by the commissioner and deposited in the general fund. Failure of a broker-dealer, salesman, or investment adviser to pay a fine also constitutes a forfeiture of his right to do business in this state under parts 1 through 3 of this chapter."*

Section 5. Section 30-10-204, MCA, is amended to read:

**"30-10-204. Registration by coordination.** (1) Any security for which a registration statement has been filed under the Securities Act of 1933 or any securities for which filings have been made pursuant to regulation A or regulation E, and amendments thereto, of the general rules and

regulations of the United States securities and exchange commission, adopted pursuant to subsection (b) of section 3 of said Securities Act of 1933, in connection with the same offering, may be registered by coordination. A registration statement under this section shall contain the following information and be accompanied by the following documents, in addition to payment of the registration fee prescribed in 30-10-209:

(a) *one copy* of the prospectus or offering circular and letter of notification filed under the Securities Act of 1933 or the general rules and regulations thereunder, together with all amendments thereto;

(b) the amount of securities to be offered in this state;

(c) the states in which a registration statement or similar document in connection with the offering has been or is expected to be filed;

(d) any adverse order, judgment, or decree previously entered in connection with the offering by any court or the securities and exchange commission;

(e) if the commissioner by rule or otherwise requires, a copy of the articles of incorporation and bylaws (or their substantial equivalents) currently in effect, a copy of any agreements with or among underwriters, a copy of any indenture or other instrument governing the issuance of the security to be registered, and a specimen or copy of the security;

(f) if the commissioner requests, any other information, or copies of any other documents, filed under the Securities Act of 1933;

(g) an undertaking to forward promptly all amendments to the federal registration statement or offering circular and letter of notification, other than an amendment which merely delays the effective date;

(h) a consent to service of process meeting the requirements of 30-10-208; and

(i) such other information as the commissioner may require.

(2) A registration statement by coordination under this section automatically becomes effective at the moment the federal registration statement or other filing becomes effective if all the following conditions are satisfied:

(a) no stop order is in effect and no proceeding is pending under 30-10-207;

(b) the registration statement has been on file with the commissioner for at least 10 business days; and

(c) a statement of the maximum and minimum proposed offering prices and the maximum underwriting discounts and commissions has been on file for 2 business days or such shorter period as the commissioner permits by rule or otherwise and the offering is made within those limitations.

(3) The registrant shall promptly notify the commissioner of the date and time when the federal registration statement or other filings became effective and the content of the price amendment, if any, and shall

promptly file a posteffective amendment containing the information and documents in the price amendment. "Price amendment" means the final federal amendment which includes a statement of the offering price, underwriting and selling discounts or commissions, amount of proceeds, conversion rates, call prices, and other matters dependent upon the offering price.

(4) Upon failure to receive the required notification and posteffective amendment with respect to the price amendment referred to in subsection (2) of this section, the commissioner may enter a *denial* order, without notice or hearing, retroactively denying effectiveness to the registration statement or suspending its effectiveness until compliance with subsection (2) of this section, if he promptly notifies the registrant of the issuance of the order. If the registrant proves compliance with the requirements as to notice and posteffective amendment, the *denial* order is void as of the time of its entry. The commissioner may by rule or otherwise waive either or both of the conditions specified in subsections (2)(b) and (2)(c) of this section. If the federal registration statement or other filing becomes effective before all these conditions are satisfied and they are not waived, the registration statement automatically becomes effective as soon as all conditions are satisfied. If the registrant advises the commissioner of the date when the federal registration statement or other filing is expected to become effective the commissioner shall promptly advise the registrant whether all the conditions are satisfied and whether he then contemplates the institution of a proceeding under 30-10-207; but this advice by the commissioner does not preclude the institution of such a proceeding at any time."

Section 6. Section 30-10-206, MCA, is amended to read:

**"30-10-206. General provisions regarding registration of securities.** (1) A registration statement may be filed by the issuer, any other person on whose behalf the offering is to be made, or a registered broker-dealer. Any document filed under parts 1 through 3 of this chapter or a predecessor law within 3 years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate. The commissioner may by rule or otherwise permit the omission of any item of information or document from any registration statement.

(2) (a) The commissioner may require as a condition of registration by qualification or coordination:

(i) that any security issued within the past 3 years or to be issued to a promoter for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be deposited in escrow; and

(ii) that the proceeds from the sale of the registered security in this state be impounded until the issuer receives a specified amount from the sale of the security either in this state or elsewhere.

(b) The commissioner may determine the conditions of any escrow or impounding required hereunder, but he may not reject a depository solely because of location in another state.

(3) When securities are registered by notification, coordination, or qualification, they may be offered and sold by the issuer, any other person on whose behalf they are registered, or by any registered broker-dealer. Every registration shall remain effective for a period of 1 year unless it is revoked by the commissioner, terminated upon request of the registrant with the consent of the commissioner, or renewed under 30-10-209(1)(b); however, said registration shall be automatically suspended upon a stop order or suspension proceedings being instituted by the securities and exchange commission relative to said securities and shall continue suspended so long as such proceedings are pending and until the registration or filing with the securities and exchange commission is effective. All outstanding securities of the same class as a currently registered security are considered to be registered for the purpose of any nonissuer transaction. A registration statement which has become effective may not be withdrawn for 1 year from its effective date if any securities of the same class are outstanding.

(4) The commissioner may require the person who filed the registration statement to file reports to keep reasonably current the information contained in the registration statement and to disclose the progress of the offering with respect to registered securities which:

(a) are issued by a face-amount certificate company or a redeemable security issued by an open-end management company or unit investment trust as those terms are defined in the Investment Company Act of 1940; or

(b) are being offered and sold directly by or for the account of the issuer.

(5) *No securities registration statement may be withdrawn, whether or not such statement has become effective, without the express written consent of the commissioner."*

Section 7. Section 30-10-207, MCA, is amended to read:

**"30-10-207. Denial, suspension, and revocation of registration of securities.** (1) The commissioner may issue an order denying effectiveness to, or suspending or revoking the effectiveness of, any registration statement if he finds that the order is in the public interest and that:

(a) the registration statement, as of its effective date or as of any earlier date in the case of an order denying effectiveness, is incomplete in any material respect or contains any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

(b) any provision of parts 1 through 3 of this chapter or any rule, order, or condition lawfully imposed under parts 1 through 3 of this chapter has been willfully violated, in connection with the offering, by:

(i) the person filing the registration statement;

(ii) the issuer, any partner, officer, or director of the issuer, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling or controlled by the issuer, but only if the

person filing the registration statement is directly or indirectly controlled by or acting for the issuer; or

(iii) any underwriter;

(c) the security registered or sought to be registered is the subject of a permanent or temporary injunction of any court of competent jurisdiction entered under any other federal or state law applicable to the offering, but:

(i) the commissioner may not institute a proceeding against an effective registration statement under this subsection (c) more than 1 year from the date of the injunction relied on; and

(ii) he may not enter an order under this subsection (c) on the basis of an injunction entered under any other state law unless that order or injunction was based on facts which would currently constitute a ground for an order under this section;

(d) the issuer's enterprise or method of business includes or would include activities which are illegal where performed;

(e) the offering has worked or tended to work a fraud upon purchasers or would so operate;

(f) when a security is sought to be registered by notification, it is not eligible for such registration;

(g) when a security is sought to be registered by coordination, there has been a failure to comply with the undertaking required by 30-10-204(1)(g);

(h) the applicant or registrant has failed to pay the proper registration fee, but the commissioner may enter only a denial order under this subsection, and he shall vacate any such order when the deficiency has been corrected; or

(i) the offering has been or would be made with unreasonable amounts of underwriters' and sellers' discounts, commissions, or other compensation, or promoters' profits or participation, or unreasonable amounts or kinds of options.

(2) The commissioner may not enter a *suspension or revocation* order against an effective registration statement on the basis of a fact or transaction known to him when the registration statement became effective.

(3) Upon the entry of an order under subsection (1) of this section, the commissioner shall promptly notify the issuer of the securities and the applicant or registrant that an order has been entered and of the reasons therefor and that, if requested by the issuer or registrant within 15 days after the receipt of the commissioner's notification, the matter will be set promptly down for hearing. If no hearing is requested within 15 days and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may affirm, modify, or vacate the order."

Section 8. Section 30-10-209, MCA, is amended to read:

**"30-10-209. Fees.** The following fees shall be paid in advance under the provisions of parts 1 through 3 of this chapter:

(1) (a) For the registration of securities by notification, coordination, or qualification, there shall be paid to the commissioner for the first year of registration a registration fee of \$200 for the first \$100,000 of initial issue or portion thereof in this state, based on offering price, plus 1/10 of 1% for any excess over \$100,000, with a maximum of \$1,000.

(b) Each year thereafter, a registration of securities may be renewed, prior to its termination date, for an additional year upon consent of the commissioner and payment of an additional registration fee to be computed at 1/10 of 1% of the aggregate offering price of such securities which are to be offered in this state during that year, even though the maximum fee was paid the preceding year. In no event shall the additional registration fee be less than \$200 or more than \$1,000. The registration statement for such securities may be amended to increase the amount of securities to be offered.

(c) If a registrant sells securities in excess of the aggregate amount registered for sale in this state, the registrant may file an amendment to the registration statement to include the excess sales. If the registrant fails to file an amendment before the expiration date of the registration order, he shall pay a filing fee for the excess sales of three times the amount calculated in the manner specified in subsection (1)(b). Registration of the excess securities is effective retroactively to the date of the existing registration.

(2) (a) For registration of a broker-dealer or investment adviser, the fee shall be \$200 for original registration and \$200 for each annual renewal.

(b) For registration of a salesman, the fee shall be \$50 for original registration with each employer, \$50 for each annual renewal, and \$50 for each transfer.

(3) For certified copies of any documents filed with the commissioner, the fee shall be the cost to the department.

(4) For a request for an exemption under 30-10-105(15), the fee shall be established by the commissioner by rule. For a request for any other exemption or an exception to the provisions of parts 1 through 3 of this chapter, the fee shall be \$50.

(5) All fees are considered fully earned when received. In the event of overpayment, only those amounts in excess of \$10 may be refunded.

(6) All fees, examination charges, and miscellaneous charges, except fines or penalties, collected by the commissioner pursuant to parts 1 through 3 of this chapter and the rules adopted hereunder must be deposited into the securities regulatory trust account, pursuant to 30-10-115 through 30-10-118.

(7) All fines and penalties collected by the commissioner pursuant to parts 1 through 3 of this chapter and the rules adopted hereunder must be deposited into the general fund."

Section 9. Section 30-10-301, MCA, is amended to read:

**"30-10-301. Fraudulent and other prohibited practices.** (1) It is unlawful for any person, in connection with the offer, sale, or purchase of any security, directly or indirectly, in, into, or from this state, to:

- (a) employ any device, scheme, or artifice to defraud;
- (b) make any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they are made, not misleading; or
- (c) engage in any act, practice, or course of business which operates or would operate as a fraud or deceit upon any person.

(2) (a) It is unlawful for any person who receives, *directly or indirectly*, any consideration from another person for advising the other person as to the value of securities or their purchase or sale, whether through the issuance of analysis or reports or otherwise:

(i) to employ any device, scheme, or artifice to defraud the other person;

(ii) to engage in any act, practice, or course of business which operates or would operate as a fraud or deceit upon the other person; or

(iii) *without disclosing to the client in writing before the completion of the transaction the capacity in which he is acting and obtaining the consent of the client to the transaction:*

(A) *acting as principal for his own account, to knowingly sell any security to or purchase any security from a client; or*

(B) *acting as agent for a person other than such client, to knowingly effect the sale or purchase of any security for the account of such client.*

(b) *The prohibitions of subsection (2)(a)(iii) do not apply to any transaction with a customer of a broker-dealer if the broker-dealer is not being compensated for rendering investment advice in relation to such transaction.*

(3) *In the solicitation of advisory clients, it is unlawful for a person to:*

- (a) *make a false statement of a material fact; or*
- (b) *omit a material fact necessary to make a statement not misleading in light of the circumstances under which it is made.*

(4) *Except as permitted by rule or order of the commissioner, it is unlawful for any investment adviser to enter into, extend, or renew any investment advisory contract unless it provides in writing that:*

(a) *the investment adviser shall not be compensated on the basis of a share of capital gains upon or capital appreciation of the funds or any portion of the funds of the client;*

(b) *no assignment of the contract may be made by the investment adviser without the consent of the other party to the contract; and*

(c) the investment adviser, if a partnership, shall notify the other party to the contract of any change in the membership of the partnership within a reasonable time after the change.

(5) Subsection (4)(a) does not prohibit an investment advisory contract which provides for compensation based upon the total value of a fund averaged over a definite period or as of definite dates or taken as of a definite date. "Assignment", as used in subsection (4)(b), includes any direct or indirect transfer or hypothecation of an investment advisory contract by the assignor or of a controlling block of the assignor's outstanding voting securities by a security holder of the assignor; but if the investment adviser is a partnership, no assignment of an investment advisory contract is considered to result from the death or withdrawal of a minority of the members of the investment adviser having only a minority interest in the business of the investment adviser or from the admission to the investment adviser of one or more members who, after admission, will be only a minority of the members and will have only a minority interest in the business.

(6) *It is unlawful for an investment adviser to take or have custody of any securities or funds of any client if:*

(a) *the commissioner by rule prohibits such custody; or*

(b) *in the absence of rule, the investment adviser fails to notify the commissioner that he has or may have such custody."*

Section 10. Section 30-10-304, MCA, is amended to read:

**"30-10-304. Investigations and subpoenas.** (1) The commissioner in his discretion may:

(a) make such public or private investigations or examinations within or without this state as he deems necessary to determine whether any registration should be granted, denied, or revoked or whether any person has violated or is about to violate any provision of parts 1 through 3 of this chapter or any rule or order hereunder or to aid in the enforcement of parts 1 through 3 of this chapter or in the prescribing of rules and forms hereunder;

(b) require or permit any person to file a statement in writing, under oath or otherwise as the commissioner may determine, as to all the facts and circumstances concerning the matter to be investigated; and

(c) publish information concerning any violation of parts 1 through 3 of this chapter or any rule or order hereunder.

(2) (a) For the purpose of any investigation or proceeding under parts 1 through 3 of this chapter, the commissioner or any officer designated by him may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, agreements, or other documents or records which the commissioner deems relevant or material to the inquiry.

(b) *The commissioner may issue and apply to enforce subpoenas in this state at the request of a securities agency or administrator of another state if the activities constituting an alleged violation for which the information*

*is sought would be a violation of the Securities Act of Montana if the activities had occurred in this state.*

(3) In case of contumacy by or refusal to obey a subpoena issued to any person, any court of competent jurisdiction, upon application by the commissioner, may issue to that person an order requiring him to appear before the commissioner or the officer designated by him, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question. Any failure to obey the order of the court may be punished by the court as a contempt of court.

(4) No person is excused from attending and testifying or from producing any document or record before the commissioner or in obedience to the subpoena of the commissioner or any officer designated by him, or in any proceeding instituted by the commissioner, on the ground that the testimony or evidence (documentary or otherwise) required of him may tend to incriminate him or subject him to a penalty or forfeiture; but no compelled testimony or evidence or any information directly or indirectly derived from such testimony or evidence may be used against the witness in any criminal case. Nothing in this section prohibits the commissioner from granting immunity from prosecution for or on account of any transaction, matter, or thing concerning which a witness is compelled to testify if the commissioner determines, in his sole discretion, that the ends of justice would be served thereby. Immunity may not extend to prosecution or punishment for false statements given pursuant to the subpoena."

Section 11. Section 30-10-307, MCA, is amended to read:

**"30-10-307. Civil liabilities.** (1) Any person who offers or sells a security in violation of 30-10-202 or offers or sells a security by means of fraud or misrepresentation is liable to the person buying the security from him, who may sue either at law or in equity to recover the consideration paid for the security, together with interest at 10% per annum from the date of payment, costs, and reasonable attorneys' fees, less the amount of any income received on the security, upon the tender of the security, or for damages if he no longer owns the security. Damages are the amount that would be recoverable upon a tender less:

- (a) the value of the security when the buyer disposed of it; and
- (b) interest at 10% per annum from the date of disposition.

(2) Every person who directly or indirectly controls a seller liable under subsection (1), every partner, officer, or director (or person occupying a similar status or performing similar functions) or employee of such a seller, and every broker-dealer or salesman who participates or materially aids in the sale is liable jointly and severally with and to the same extent as the seller if the nonseller knew, or in the exercise of reasonable care could have known, of the existence of the facts by reason of which the liability is alleged to exist. There shall be contribution among the several persons so liable.

(3) Any tender specified in this section may be made at any time before entry of judgment. A cause of action under this statute survives the death

of any person who might have been a plaintiff or a defendant. No person may sue under this section:

(a) if the buyer has received a written offer, at a time when he owned the security, to refund the consideration paid, together with interest at 10% per annum from the date of payment, less the amount of any income received on the security and he failed to accept the offer within 30 days of its receipt; or

(b) if the buyer has received a written offer at a time when he did not own the security in the amount that would be recoverable under subsection (1) upon a tender less:

(a) the financing is in the public interest and is consistent with the legislative purposes and findings set forth in 17-5-1502;

(b) the financing to be provided by the board for a project does not exceed either \$800,000 or 90% of the cost or appraised value of the project, whichever is less;

(f) adequate provision is made in the loan agreement, lease, or other credit arrangement regarding a project or projects being financed to provide for payment of debt service on bonds of the board issued to finance such project or projects, to create and maintain reserves therefor, and to meet all costs and expenses of issuing and servicing the bonds.

(2) In order to make the findings as described in subsection (1)(a), a hearing must be conducted in the following manner:

(c) a financial institution will participate in financing the project if the cost or appraised value is less than \$1 million, either directly or through a letter of credit, to the extent of at least 10% of the financing to be provided by the board, provided, however, that participation by a financial institution in projects of over \$1 million is at the discretion of the board;

(d) the financing for the project is insured or guaranteed in whole or in part by a private or governmental insurer or guarantor, including but not limited to a guaranty by the board pursuant to 17-5-1519;

(e) any contracts to construct the projects require all contractors to give preference to the employment of bona fide Montana residents, as defined in 18-2-401(4), in the performance of the work on the projects if their qualifications are substantially equal to those of nonresidents; "substantially

equal qualifications" means the qualifications of two or more persons among whom the employer cannot make a reasonable determination that the qualifications held by one person are significantly better suited for the position than the qualifications held by the other persons; and

(f) adequate provision is made in the loan agreement, lease, or other credit arrangement regarding a project or projects being financed to provide for payment of debt service on bonds of the board issued to finance such project or projects, to create and maintain reserves therefor, and to meet all costs and expenses of issuing and servicing the bonds.

(2) In order to make the findings as described in subsection (1)(a), a hearing must be conducted in the following manner:

(a) the city or county in which the project will be located shall be notified, and within 14 days must advise the board if it elects to conduct the hearing; or

[SB 277]

AN ACT TO GENERALLY REVISE THE LAWS RELATING TO THE ESTABLISHMENT AND OPERATION OF A STATEWIDE POOLING ARRANGEMENT AS A METHOD OF PAYMENT OF PRODUCER MILK PRICES; AMENDING SECTION 81-23-302, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 81-23-302, MCA, is amended to read:

**"81-23-302. Establishment of minimum prices.** (1) The board shall fix minimum producer, wholesale, jobber, and retail prices for class I milk and minimum producer prices only for class II and class III milk by adopting rules in a manner prescribed by the Montana Administrative Procedure Act.

(2) The board shall establish such prices by means of flexible formulas which shall be devised so that they bring about such automatic changes in all minimum prices as are justified on the basis of changes in production, supply, processing, distribution, and retailing costs.

(3) The board shall consider the balance between production and consumption of milk, the costs of production and distribution, and prices in adjacent and neighboring areas and states so that minimum prices which are fair and equitable to producers, distributors, jobbers, retailers, and consumers may result.

(4) The board shall, when publishing notice of proposed rulemaking under authority of this section, set forth the specific factors which shall be taken into consideration in establishing the formulas and in particular in determining costs of production and distribution and of the actual dollars and cents costs of production and distribution which preliminary studies and investigations of auditors or accountants in its employment indicate will or should be shown at the hearing so that all interested parties will have opportunity to be heard and to question or rebut such considerations as a matter of record.

(5) Such specific factors may include but shall not be limited to the following items:

(a) current and prospective supplies of milk in relation to current and prospective demands for such milk for all purposes;

(b) the ability and willingness of consumers to purchase, which shall include among other things per capita disposable income statistics, consumer price indexes, and wholesale price indexes;

(c) the cost factors in producing milk, which shall include among other things the prices paid by farmers generally (as used in parity calculations of the United States department of agriculture), prices paid by farmers for dairy feed in particular, and farm wage rates in this state;

(d) the alternative opportunities, both farm and nonfarm, open to milk producers, which shall include among other things prices received by farmers for all products other than milk, prices received by farmers for beef cattle, and the percentage of unemployment in the state and nation as determined by appropriate state and federal agencies;

(e) the prices of butter, nonfat dry milk, and cheese;

(f) the cost factors in distributing milk, which shall include among other things the prices paid by distributors for equipment of all types required to process and market milk and prevailing wage rates in this state;

(g) the cost factors in jobbing milk, which shall include among other things raw product and ingredient costs, carton or other packaging cost, processing cost, and that part of general administrative costs of the supplying distributor which may properly be allocated to the handling of milk to the point at which such milk is at the supplying distributor's dock, equipment of all types required to market milk, and prevailing wage rates in the state;

(h) the need, if any, for freight or transportation charges to be deducted by distributors from producer prices for bulk milk.

(6) If the board at any time proposes to base all or any part of any official order establishing or revising any milk pricing formulas upon facts within its own knowledge, as distinguished from evidence which may be presented to it by the consuming public or the milk industry, the board shall, when publishing notice of proposed rulemaking under authority of this section, cause notice to be given to the consuming public and the milk industry of the specific facts within its own knowledge which it will consider, so that all interested parties will have opportunity to be heard and to question or rebut such facts as a matter of record.

(7) The board, after consideration of the evidence produced, shall make written findings and conclusions and shall fix by official rule the formula whereby minimum:

(a) producer prices for milk in classes I, II, and III shall be computed;

(b) wholesale prices for milk in class I shall be computed;

(c) jobber prices for milk in class I shall be computed;

(d) retail prices for milk in class I shall be computed.

(8) This section shall not be construed as requiring the board to promulgate any specific number of formulas, but shall be construed liberally so that the board may adopt any reasonable method of expression to accomplish the objective set forth in subsection (7). If the evidence presented to the board at any public hearing for the establishment or revision of milk pricing formulas is found by the board to require the establishment of separate and varying wholesale prices for any particular uses, the board shall designate the reasons therefor and establish such separate formulas.

(9) Each rule establishing or revising any milk pricing formulas shall classify milk by forms, classes, grades, or uses as the board may deem advisable and shall specify the minimum prices therefor.

(10) The board shall adopt rules after notice and hearing in the manner prescribed by the Montana Administrative Procedure Act to regulate transportation rates which distributors, contract haulers, and others charge producers for both farm-to-plant and interplant transportation of milk. No allowance for transportation of milk between plants may be permitted unless it is found by the board to be necessary to permit the movement of milk in the public interest.

(11) All milk purchased by a distributor shall be purchased on a uniform basis. The basis to be used shall be established by the board after the producers and the distributors have been consulted.

(12) The board may amend any official rule in the same manner provided herein for the original establishment of milk pricing formulas. The board may in its discretion, when it determines the need exists, give notice of and hold statewide public hearings affecting establishment or revision of milk pricing formulas.

(13) Upon petition of a distributor or a majority of his producers, the board shall hold a hearing to receive and consider evidence regarding the advisability and need for a base or quota plan as a method of payment by that distributor of producer prices; and if the board finds that the evidence adduced at such hearing warrants the establishment of a base or quota plan, the board shall proceed by official order to establish the same.

(14) (a) *Upon petition by 10% or 20 of the licensed producers in Montana, whichever is less, or upon petition by any licensed producer-distributor or distributor, the board shall hold a hearing to receive and consider evidence regarding the advisability and need for a statewide pooling arrangement as a method of payment of producer prices, provided that at such hearing the board shall among other things specifically receive and consider evidence concerning production and marketing practices which have historically prevailed statewide. If the board finds that the evidence adduced at such hearing warrants the establishment of a statewide pooling arrangement, the board shall proceed by official order to establish the same; but such official order shall be of no force or effect until it is approved in a referendum conducted by the board by mail and by secret ballot among affected producers, producer-distributors, and distributors. The board shall keep confidential the vote of each producer, producer-distributor, and distributor voting in the referendum. The official order must be approved by a majority of the producers, producer-distributors, and distributors voting representing more than 50% of the milk produced in Montana that is to be included in the proposed pool, based on each producer's average monthly production for the 12 months immediately preceding the referendum. If the board finds it necessary, the board may conduct more than one referendum on any order.*

(b) *The order of the board establishing the statewide pooling arrangement may include other provisions as the board considers necessary for the proper and efficient operation of the pool. These provisions may include but are not limited to:*

(i) *a statewide base or quota plan contemplated in subsection (13);*

(ii) *the establishment of a pool settlement fund to be administered by the department for the purpose of receiving payments from pool distributors or making payments to them as necessary in order to operate and administer the statewide pool; and*

(iii) *the establishment of a pool expense fund for the purpose of offsetting the costs to the department of administering the pool, funded by a special levy assessed against each pool producer.*

(c) *During the initial startup of a statewide pool, the department may draw from existing cash reserves to fund a pool settlement fund and a pool expense fund, but any withdrawals from the cash reserve must be reimbursed.*

(d) *An order of the board establishing a statewide pooling arrangement that has been approved in a referendum may be rescinded in the same manner as provided for approval of the order under subsection (14)(a). Such order may be amended without a referendum if, prior to amending the order, the board gives written notice of its intended action and holds a public hearing as required under the Montana Administrative Procedure Act.*

(15) The requirements hereinabove set forth concerning notices of hearings for the establishment of milk pricing formulas shall apply to any hearings regarding base or quota plans or statewide pooling arrangements or abandonment thereof.

(16) Rules adopted pursuant to this section shall be enforced and audited for compliance by the milk control bureau of the department of commerce."

**Section 2. Extension of authority.** Any existing authority of the department of commerce to make rules on the subject of the provisions of this act is extended to the provisions of this act.

**Section 3. Effective date.** This act is effective on passage and approval.

Approved March 29, 1987.

The report of investigation shall be filed with the court by the investigator *at the time the petition is filed or* within 30 days from the issuance of the order for investigation, unless time therefor is extended by the court. Summary decree.** (1) If the child is a member of the extended family of one of the petitioners or is a stepchild of the petitioner or the court finds that the best interests of the child will be furthered thereby, the court in its discretion, after examination of a report ordered or received pursuant to 40-8-122, may waive the entry of an interlocutory decree and the waiting period of 6 months provided in 40-8-124 and grant a final decree of adoption if satisfied that the adoption is in the best interests of the child.

(2) *The department or the child placing agency may recommend in the investigation report filed with the petition for adoption that the court issue a summary decree as provided for in subsection (1) if:*

(a) *a period of 6 months has elapsed since the department or licensed child placing agency placed the child for adoption; and*

(b) *the department or licensed child placing agency conducted an investigation during that period."*

**"40-8-124. Interlocutory and final decree.** (1) Upon examination of the report described in 40-8-122, if such report has been considered necessary by the court, and after hearing, the court may issue an interlocutory decree giving the care and custody to the petitioners pending the further order of the court.

(2) When a petition has been filed seeking the adoption of a child, the court must cause service of process to be made on the parent or parents of the child, except in those cases hereinafter provided, in the following manner:

(a) The court shall order a citation to issue to the parent or parents in the name of the state of Montana and under the seal of the court directing such parent or parents to appear in court at a time to be fixed by the court and show cause why the petition should not be granted.

(b) Such citation, together with a copy of the petition for adoption, shall be personally served upon such parent or parents. If, however, any such parent or parents cannot be found within this state, service may be had by publication of a copy of the citation in the manner provided for the publication of summons by Rule 4, M.R.Civ.P.

(3) If, after completion of such service, any parent so served does not appear, the court may act upon the petition and the order of the court thereon shall be binding upon all persons so served; provided that any such

person may appeal from the order in the manner and form provided for appeals from a judgment in civil actions.

(4) The petitioners and the child shall appear at the hearing, unless the presence of the child is waived by the court.

(5) Service of process, as aforesaid, need not be made on a parent who has consented in writing to an adoption or on any parent whose consent to adoption is not required under the provisions of 40-8-111, and service of process shall not be made on any parent who has relinquished his child to the department of social and rehabilitation services or an adoption agency licensed by the department.

(6) After an interlocutory decree has been issued by the court *or after the date of placement for adoption*, the investigator, if any, shall observe the child in his adoptive home and report in writing to the court within 6 months on any circumstances or conditions which may have a bearing on the adoption. After 6 months from the date of the interlocutory decree *or the date of placement for adoption*, the petitioners may apply to the court for a final decree of adoption. The court shall thereupon set a time and place for final hearing. Notice of the time and date of the hearing shall be served on the department *or the licensed child placing agency or any other person named by the court*. The investigator, if any, shall file with the court a written report of his findings and recommendations and certify that the described investigation, if any, has been made since the granting of the interlocutory decree *or the date of placement for adoption*. After hearing on said application, at which the petitioners and the child shall appear, unless the presence of the child is waived by the court, the court may enter a final decree of adoption if satisfied that the adoption is for the best interests of the child. If the adoption is denied, an appropriate order shall be made as to the future custody of the child."

Section 6. **Extension of authority.** Any existing authority of the department of social and rehabilitation services to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 29, 1987.

[HB 273]

AN ACT TO ALLOW THE SUPERINTENDENT OF PUBLIC INSTRUCTION TO ADOPT RULES FOR THE CALCULATION OF TUITION FOR SPECIAL EDUCATION PUPILS; AND AMENDING SECTIONS 20-5-305 AND 20-5-312, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 20-5-305, MCA, is amended to read:

**"20-5-305. Elementary tuition rates.** (1) Whenever a pupil of an elementary district has been granted approval to attend a school outside of the district in which he resides, under the provisions of 20-5-301 or 20-5-302, such district shall pay tuition to the elementary district where the pupil attends school. *Except as provided in subsection (2),* the basis of the rate of tuition *shall be* determined by the attended district. The rate of tuition shall be determined by:

(a) totaling the actual expenditures from the district general fund, the debt service fund, and, if the pupil is a resident of another county, the retirement fund;

(b) dividing the amount determined in subsection (1)(a) by the ANB of the district for the current fiscal year, as determined under the provisions of 20-9-311; and

(c) subtracting the total of the per-ANB amount allowed by 20-9-316 through 20-9-321 that represents the foundation program as prescribed by 20-9-303 plus the per-ANB amount determined by dividing the state financing of the district permissive levy by the ANB of the district, from the amount determined in subsection (1)(b).

(2) *The tuition for a full-time elementary special education pupil must be determined under rules adopted by the superintendent of public instruction for the calculation of elementary tuition for full-time elementary special education pupils as designated in 20-9-311 for funding purposes."*

Section 2. Section 20-5-312, MCA, is amended to read:

**"20-5-312. Reporting, budgeting, and payment for high school tuition.** (1) *Except as provided in subsection (2), at the close of the school term of each school fiscal year, the trustees of each high school district shall determine the rate of tuition for the current school fiscal year by:*

(a) totaling the actual expenditures from the district general fund, the debt service fund, and, if the pupil is a resident of another county, the retirement fund;

(b) dividing the amount determined in subsection (1)(a) above by the ANB of the district for the current fiscal year, as determined under the provisions of 20-9-311; and

(c) subtracting the total of the per-ANB amount allowed by 20-9-316 through 20-9-321 that represents the foundation program as prescribed by 20-9-303 plus the per-ANB amount determined by dividing the state financing of the district permissive levy by the ANB of the district, from the amount determined in subsection (1)(b) above.

(2) *The tuition for a full-time high school special education pupil must be determined under rules adopted by the superintendent of public instruction for the calculation of tuition for full-time high school special education pupils as designated in 20-9-311 for funding purposes.*

(3) Before July 15, the trustees shall report to the county superintendent of the county in which the district is located:

(a) the names, addresses, and resident districts of the pupils attending the schools of the district under an approved tuition agreement;

(b) the number of days of school attended by each pupil;

(c) the amount, if any, of each pupil's tuition payment that the trustees, in their discretion, shall have the authority to waive; and

(d) the rate of current school fiscal year tuition, as determined under the provisions of this section.

(4) When the county superintendent receives a tuition report from a district, he shall immediately send the reported information to the superintendent of each district in which the reported pupils reside.

(5) When the district superintendent receives a tuition report or reports for high school pupils residing in his district and attending an out-of-district high school under approved tuition agreements, he shall determine the total amount of tuition due such out-of-district high schools on the basis of the following per-pupil schedule: the rate of tuition, number of pupils attending under an approved tuition agreement, and other information provided by each high school district where resident district pupils have attended school.

(6) The total amount of the high school tuition, with consideration of any tuition waivers, for pupils attending a high school outside the county of residence shall be financed by the county basic special tax for high schools as provided in 20-9-334. In December, the county superintendent shall cause the payment by county warrant of at least one-half of the high

school tuition obligations established under this section out of the first moneys realized from the county basic special tax for high schools. The remaining obligations must be paid by June 15 of the school fiscal year. The payments shall be made to the county treasurer of the county where each high school entitled to tuition is located. The county treasurer shall credit such tuition receipts to the general fund of the applicable high school district, and the tuition receipts shall be used in accordance with the provisions of 20-9-141.

(7) For pupils attending a high school outside their district of residence but within the county of residence, the total amount of the tuition, with consideration of any tuition waivers, must be paid during the ensuing school fiscal year. The trustees of the sending high school district shall include the tuition amount in the tuition fund of the preliminary and final budgets. This budgeted tuition amount is not subject to the budget adjustment provisions of 20-9-132. The county superintendent shall report the net tuition fund levy requirement for each high school district to the county commissioners on the second Monday of August, and a levy on the district shall be made by the county commissioners in accordance with 20-9-142. This levy requirement shall be calculated by subtracting from the total expenditure amount authorized in the final tuition fund budget the sum of the cash balance in the tuition fund at the end of the immediately preceding school fiscal year plus any other anticipated money that may be realized in the tuition fund. The trustees shall pay by warrants drawn on the tuition fund the tuition amounts owed to each district included in the county superintendent's notification. Payments shall be made whenever there is a sufficient amount of cash available in the tuition fund but no later than the end of the school fiscal year for which the budget is adopted. However, if the trustees of either the sending or receiving high school feel the transfer privilege provided by this subsection is being abused they may appeal to the county superintendent of schools who shall hold a hearing and either approve or disapprove the transfer."

Approved March 29, 1987.

## CHAPTER NO. 280

[HB 370]

AN ACT TO GENERALLY REVISE THE LAWS RELATING TO THE  
OPENCUT MINING ACT; AND AMENDING SECTIONS 82-4-402,  
82-4-403, 82-4-423, 82-4-431, 82-4-433, 82-4-434, AND 82-4-441, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 82-4-402, MCA, is amended to read:

**"82-4-402. Policy.** It is the policy of this state to provide for the reclamation and conservation of land subjected to opencut *mineral* mining. Therefore, it is the purpose of this part to preserve natural resources, to aid in the protection of wildlife and aquatic resources, to safeguard and

reclaim through effective means and methods all agricultural, recreational, home, and industrial sites subjected to or which may be affected by open-cut *mineral* mining to protect and perpetuate the taxable value of property, to protect scenic, scientific, historic, or other unique areas, and to promote the health, safety, and general welfare of the people of this state."

Section 2. Section 82-4-403, MCA, is amended to read:

**"82-4-403. Definitions.** When used in this part, unless a different meaning clearly appears from the context, the following definitions apply:

(1) "Affected land" means the area of land and land covered by water that is disturbed by open-cut mining operations, including the area from which overburden or mineral is to be or has been removed and upon which the overburden is to be or has been deposited, roads constructed to gain access to the mineral, areas of processing facilities on or contiguous to the open-cut mine, treatment and sedimentation ponds, and mineral stockpile areas on or contiguous to the open-cut mine.

(17) "Soils materials" are those horizons containing topsoil or other soils leached free of deleterious salts and capable of sustaining plant growth and recognized as such by standard authorities."

Section 3. Section 82-4-423, MCA, is amended to read:

**"82-4-423. Contracts for reclamation.** The board is hereby authorized to enter into contracts with operators in the name of the state of Montana which will provide for the reclamation of lands on which opencut mining of *minerals* has been or is to be conducted. The board is authorized to sue and be sued in the name of the state of Montana to enforce the provisions of any contract, and the board shall bring such court actions and take such other steps and actions as may be necessary to enforce the provisions of such contracts."

Section 4. Section 82-4-431, MCA, is amended to read:

**"82-4-431. Contract for reclamation required.** (1) After March 16, 1973, no operator may conduct opencut-mining operations which will result in the removal of 10,000 cubic yards or more of product or overburden until he has entered into a contract with the board for the reclamation of the land affected. An operator conducting a number of operations, each of which results in the removal of less than 10,000 cubic yards of product or overburden but which result in the removal of 10,000 cubic yards or more of product or overburden in the aggregate, is subject to the provisions of this part, *except as provided in this section.*

(2) (a) *Except as provided in or conditioned under subsections (2)(b) and (2)(c), an operator who holds a contract for reclamation may operate an opencut mine without first securing an additional contract or an amendment to the existing contract or bond if the mine meets the following criteria:*

(i) *the total amount of material and overburden removed does not exceed 1,000 cubic yards; and*

(ii) *the operator notifies the department of state lands prior to beginning such operations and, within 30 days of notifying the department, submits a completed site information form, salvages and stockpiles all root-bearing*

*soil materials, regrades the affected area to 3:1 or flatter slope and blends the reclaimed area into the adjacent topography, and during the first appropriate growing season replaces all topsoil and reseeds or revegetates as required by the department.*

*(b) The department may refuse to allow the operator to operate an opencut mine under subsection (2)(a) if, at the time of notification by the operator to the department, the operator has a pattern of violations or is in current violation of this part or rules adopted under this part or provisions of a contract for reclamation.*

*(c) The department may require an additional bond as a condition for the operation of an opencut mine under subsection (2)(a).*

*(3) Opencut mines described in subsection (2) may not be placed in flowing, ephemeral, or intermittent streams, in the bottom or head of a confined drainage, in an area where the operation will intercept ground water or intercept any slope that is naturally steeper than 3:1, or in any area where mining would be restricted by other laws."*

Section 5. Section 82-4-433, MCA, is amended to read:

**"82-4-433. Bond.** (1) A bond required to be filed in this part by the operator shall be in such form as the board prescribes, payable to the state of Montana and conditioned upon the operator's full compliance with all requirements of this part and all rules of the board. The bond shall be signed by the landowner or operator, as appropriate, as principal, and by a good and sufficient corporate surety licensed to do business in the state of Montana, as surety. The bond shall be in an amount not to exceed the costs of restoration required by this part as determined by the board. The amount of the bond may not be less than \$200 or more than \$1,000 per acre unless the department determines, in writing, that the cost of restoration of the land exceeds \$1,000 per acre. Upon such a determination, the bond amount must be set by the board at the cost of restoring the land.

(2) In lieu of the bond, the operator may deposit with the board cash and government securities or a bond with property sureties in an amount equal to that of the required bond on conditions as above prescribed. In the discretion of the board, surety bond requirements may be fulfilled by the operator's posting a bond with land and improvements and facilities thereon as security, in which event no surety may be required. The penalty of the bond or amount of cash and securities shall be increased or reduced from time to time as provided in this part. The bond or security remains in effect until the *affected land* has been reclaimed as provided under the contract and the reclamation has been approved and the bond or security has been released by the board. The bond or security shall cover only actual *affected land* and may be increased or reduced to cover only such acreages as remain unreclaimed.

(3) If the license of a surety upon a bond filed with the board pursuant to this part is suspended or revoked, the operator, within 30 days after receiving notice thereof from the board, shall substitute for that surety a good and sufficient surety licensed to do business in the state. Upon failure of the operator to make substitution of surety, the board may suspend the

contract of the operator to conduct operations upon the land described in the contract until the substitution has been made.

(4) The board shall cause the reclamation of any affected land with respect to which a bond has been forfeited.

(5) Whenever an operator has completed all of the requirements under the provisions of this part as to any affected land, he shall notify the board thereof. If the board releases the operator from further obligation regarding such affected land, the penalty of the bond shall be reduced proportionately."

Section 6. Section 82-4-434, MCA, is amended to read:

**"82-4-434. Reclamation plan part of contract — requirements.** The contract shall meet the following requirements:

(1) The operator shall submit a reclamation plan to the board before commencing any opencut mining and may not commence mining before the plan receives approval from the board. The operator may request and receive a meeting with the board prior to submission of the plan. If the board does not notify the operator that it has approved or disapproved a plan within 30 days after the board has received the plan, the board is considered to have approved the plan. The board, however, for sufficient cause, may extend its period of consideration for an additional 30 days if it notifies the operator prior to the end of the original 30-day period. The board shall submit each reclamation plan or amendments to the reclamation plan to the landowner for his recommendations and shall consider those recommendations in deciding whether to approve or disapprove any plan or amendments. The board may seek technical help from any state or federal agency. The board shall submit the plan immediately to the director of the university of Montana statewide archaeological survey for evaluation of possible archaeological or historical values in the area to be mined. The board may approve a reclamation plan only if the board has found that the plan provides for the best possible reclamation procedures available under the circumstances at the time, so that after mining operations are completed the affected land will be reclaimed to a productive use. Once the reclamation plan is accepted in writing by the board, it shall become a part of the contract but is subject to annual review and modification by the board.

(2) The board may not approve any reclamation plan unless the plan provides:

(a) that the land will be reclaimed for one or more specified uses, including but not limited to forest, pasture, orchard, cropland, residence, recreation, industry, habitat for wildlife, including food, cover, or water, or other uses;

(b) that to the extent reasonable and practicable, the operator will establish vegetative cover commensurate with the proposed land use;

(c) whenever operations result in a need to prevent acid drainage or sedimentation on or in adjoining lands or streams, for the construction of earth dams or other reasonable devices to control water drainage, provided

the formation of such impoundments or devices will not interfere with other landowners' rights or contribute to water pollution;

(d) that to accomplish practical utilization of soil materials, such material will be utilized for placement on affected areas, if required by the reclamation plan after completion or termination of that particular phase of the mining operations, at a depth sufficient for plant growth on slopes of 3:1 or less;

(e) that grading will be commensurate with the topography sought and land use designated;

(f) that metal and other waste will be removed or buried;

(g) that all access, haul, and other support roads will be located, constructed, and maintained in such a manner as to control and minimize channeling and other erosion;

(h) that the operator will submit a progress report annually to the board;

(i) that all operations will be conducted so as to avoid range and forest fires and spontaneous combustion and that open burning of carbonaceous materials will be in accordance with suitable practices for fire prevention and control;

(j) that archaeological and historical values in areas to be mined will be given appropriate protection;

(k) that except for rock faces, bench faces, and excavations used for water impoundments, each surface area of the mined premises which will be disturbed will be revegetated when its use for extractive purposes is no longer required;

(l) that seeding and planting will be done in a manner to achieve a permanent suitable vegetative cover for wildlife, livestock, and retardation of erosion and that all seed will be drilled unless otherwise provided in the plan;

(m) that reclamation will be as concurrent with mining operations as feasible and will be completed within a specified length of time; and

*(n) that surface and ground water will be given appropriate protection, consistent with state law, from deterioration of water quality and quantity that may arise as a result of the operation.*

(3) If reclamation according to the plan has not been completed in the time specified, the board after 30 days' written notice shall order the operator to cease mining and, if the operator does not cease, shall institute an action to enjoin further operation and may sue for damages for breach of contract, for payment of the performance bond, or for both.

(4) (a) At any time during the period of reclamation the operator may for good reason submit to the board a new reclamation plan or amendment to the existing plan, including extensions of time.

(b) The board may approve the proposed new reclamation plan or amendments to the existing plan if:

(i) the operator has in good faith carried on reclamation according to the existing plan and the proposed new plan or amendments to the existing plan will result in reclamation as or more desirable than the reclamation proposed under the existing plan; or

(ii) it is highly improbable reclamation will be successful unless the existing plan is replaced or amended.

(c) When accepted, the proposed new reclamation plan or the proposed amendments to the existing plan become a part of the contract.

(5) The operator shall provide a performance bond or an alternative acceptable to the board in an amount commensurate with the estimated cost of reclamation, but in no case may the bond be less than \$200 per acre. The estimated cost of reclamation shall be set forth in the reclamation plan.

(6) The contract, reclamation plan, and amendments accepted by the board shall be a public record and open to inspection.

(7) The contract shall become effective when signed by the board and the operator and shall remain in force until terminated by mutual consent or by the board upon 6 months' notice."

Section 7. Section 82-4-441, MCA, is amended to read:

**"82-4-441. Penalty — enforcement.** (1) A person who violates any of the provisions of this part or rules adopted thereunder *or provisions of a contract for reclamation* shall pay a civil penalty of not less than \$100 or more than \$1,000 for the violation and an additional civil penalty of not less than \$100 or more than \$1,000 for each day during which a violation continues following the service of notice of the violation, and the person may be enjoined from continuing such violation as provided in this section. These penalties are recoverable in an action brought in the name of the state of Montana by the attorney general in the district court having jurisdiction of the defendant or by mutual agreement of the parties involved, in the district court of the first judicial district. Penalty money shall be credited to the general fund.

(2) The attorney general shall, upon the request of the department, sue for the recovery of the penalties provided for in this section and bring an action for a restraining order or a temporary or permanent injunction against an operator or other person violating or threatening to violate an order adopted under this part.

(3) *The civil penalties provided for in this section may be waived for a minor violation if it is determined that the violation does not represent potential harm to public health, public safety, or the environment and does not impair the administration of this part. The board shall adopt rules to implement and administer a procedure for waiver of a penalty under this subsection."*

Section 8. **Extension of authority.** Any existing authority of the department of state lands and the board of land commissioners to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 29, 1987.

## CHAPTER NO. 281

[HB 499]

AN ACT PROHIBITING LENDERS FROM USING OR DISCLOSING INFORMATION WITH RESPECT TO A LOAN OR EXTENSION OF CREDIT INVOLVING CREDIT INSURANCE; AND AMENDING SECTION 33-18-501, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 33-18-501, MCA, is amended to read:

**"33-18-501. Lenders — restrictions on solicitation, rejection, charges, and disclosure — favoring agent prohibited.** (1) No person may require as a condition precedent to the lending of money or extension of credit or any renewal thereof that the person to whom such money or credit is extended or whose obligation a creditor is to acquire or finance negotiate any contract of insurance or renewal thereof through a particular insurer or group of insurers or agent or solicitor or group of agents or solicitors.

(2) No person who lends money or extends credit may:

(a) solicit insurance for the protection of real property, after a person indicates interest in securing a first-mortgage credit extension, until such person has received a commitment in writing from the lender as to a loan or credit extension;

(b) unreasonably reject a contract of insurance furnished by the borrower for the protection of the property securing the credit or lien. A rejection is not unreasonable if it is based on reasonable standards, uniformly applied, relating to the extent of coverage required and the financial soundness and the services of an insurer. Such standards may not discriminate against any particular type of insurer or call for rejection of an insurance contract because the contract contains coverage in addition to that required by the credit transaction.

(c) require that any borrower, mortgagor, purchaser, insurer, solicitor, or agent pay a separate charge in connection with the handling of any contract of insurance required as security for a loan on real estate or pay a separate charge to substitute the insurance policy of one insurer for that of another. This subsection (2)(c) does not include the interest which may be charged on premium loans or premium advancements in accordance with the terms of the loan or credit document.

(d) use or disclose information relative to a contract of insurance which is required by the credit transaction:

(i) for the purpose of replacing such insurance; and

(ii) *without the prior written consent of the borrower;*

(e) require any procedures or conditions of licensed agents, solicitors, or insurers not customarily required of those agents, solicitors, or insurers affiliated or in any way connected with the person who lends money or extends credit.

(3) Each person who lends money or extends credit and who solicits insurance on real and personal property subject to subsection (2) of this section must explain to the borrower in writing that the insurance related to such credit extension may be purchased from an insurer or agent of the borrower's choice, subject only to the lender's right to reject a given insurer or agent as provided in subsection (2)(b). Compliance with disclosures as to insurance required by truth-in-lending laws or comparable state laws shall be compliance with this subsection.

(4) The commissioner may examine and investigate those insurance-related activities of any person which may be in violation of this section. Any affected person may submit to the commissioner a complaint or material pertinent to the enforcement of this section.

(5) Nothing herein prevents a person who lends money or extends credit from placing insurance on real or personal property in the event the mortgagor, borrower, or purchaser has failed to provide required insurance in accordance with the terms of the loan or credit document.

(6) Nothing contained in this section applies to credit life or credit accident and health insurance."

Section 2. **Extension of authority.** Any existing authority of the commissioner of insurance to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 29, 1987.

The department shall notify the applicant of the board's intent to deny, revoke, or refuse to renew a license by mailing a letter to the applicant's last-known address stating the board's intent and setting a time and place for a hearing. If the applicant fails without cause to appear at the hearing or if the board determines that the applicant is not entitled to a license, the board shall deny, revoke, or refuse to renew the applicant's license.

(3) *The investigation shall be for the purpose of determining the probability that the alleged conditions exist or that the alleged offenses were committed. The investigation may include requiring the person to submit to a physical examination or a mental examination, or both, by a physician or physicians selected by the board if it appears to be in the best interest of the public that this evaluation be secured. The board may examine the hospital records and reports of a licensee as part of the examination, and copies shall be released to the board on written request. If the board has reasonable cause to believe that the alleged conditions exist or that the alleged offenses were committed, the department shall mail to the person at his last-known address a specification of the charges against him, together with a written notice of the time and place of the hearing on such charges, advising him that he may be present in person and by counsel if he so desires to offer evidence and be heard in his defense. The time fixed for the hearing may not be less than 30 days from the date of mailing the notice.*

(4) *A person, including a member of the board, may file a sworn complaint with the department against a person having a license to practice podiatry in this state charging him with the commission of any of the offenses set forth in [section 8] or with any of the offenses or conditions set forth in subsection (1) or (2) of this section. (5) *At the hearing the board shall adopt a resolution finding the person complained against guilty or not guilty of the matters charged. If the board finds that the offenses or conditions referred to in [section 8] or subsection (1) or (2) of this section do not exist with respect to the person complained against or if he is found not guilty, the board shall dismiss the charges or complaint. If the board finds that the offenses or conditions referred to in [section 8] or in subsection (1) or (2) of this section do exist or the person is found guilty, the board shall:*

(a) *revoke his license;*

(b) *suspend his right to practice for a period not exceeding 1 year;*

(6) *In a case of revocation, suspension, or probation, the department shall enter in its records the facts of the action and of subsequent measures taken by the board with respect to that action.*

(7) *On the expiration of the term of suspension, the licensee shall be reinstated by the board if he furnishes the board with evidence that he is then of good moral character and conduct or restored to good health and that he has not practiced podiatry in this state during the term of suspension. If the evidence fails to establish to the satisfaction of the board that the holder is then of good moral character and conduct or restored to good health or if the evidence shows he has practiced podiatry in this state during the term of suspension, the board shall revoke the license at a hearing held in accordance with the notice and procedure provided in subsection (1). The revocation is final.*

(8) *If a person holding a license to practice podiatry under this chapter is by a final order or adjudication of a court of competent jurisdiction determined to be mentally incompetent, seriously mentally ill, or addicted to the use of narcotics, his license may be suspended by the board. The suspension continues until the licensee is found by the court to be restored to reason or cured or until he is discharged as restored to reason or cured and his professional competence has been proven to the satisfaction of the board."*

Section 8. Section 37-6-305, MCA, is amended to read:

**"37-6-305. Deposit of moneys collected.** All fees shall be collected by the department and deposited in the state special revenue fund for the use of the board, subject to 37-1-101(6)."

Section 9. **Unprofessional conduct.** As used in this chapter, "unprofessional conduct" means:

(1) *resorting to fraud, misrepresentation, or deception in applying for or in securing a license or in taking the examination provided for in this chapter;*

(2) *obtaining a fee or other compensation, either directly or indirectly, by the misrepresentation that a manifestly incurable disease, injury, or condition of a person can be cured;*

(13) gross malpractice or negligent practice;

(14) practicing podiatry as the partner, agent, or employee of or in joint venture with a person who does not hold a license to practice podiatry within this state; however, this does not prohibit the incorporation of an individual licensee or group of licensees as a professional service corporation under Title 35, chapter 4, nor does this apply to a single consultation with or a single treatment by a person or persons licensed to practice podiatry in another state or territory of the United States or foreign country;

(15) violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of or conspiring to violate parts 1 through 3 of this chapter or the rules authorized by parts 1 through 3; or

(16) any other act, whether specifically enumerated or not, which, in fact, constitutes unprofessional conduct.

**Section 10. Extension of authority.** Any existing authority of the board of medical examiners to make rules on the subject of the provisions of this act is extended to the provisions of this act.

[HB 689]

AN ACT PROVIDING THAT UNDER THE WORKERS' COMPENSATION ACT AN INDEPENDENT CONTRACTOR'S ELECTION OF EXEMPT STATUS REMAINS IN EFFECT UNTIL THE INDEPENDENT CONTRACTOR NOTIFIES THE WORKERS' COMPENSATION DIVISION OF A CHANGE IN HIS STATUS; AND AMENDING SECTION 39-71-401, MCA.

*Be it enacted by the Legislature of the State of Montana:*

Section 1. Section 39-71-401, MCA, is amended to read:

**"39-71-401. Employments covered and employments exempted.**

(1) Except as provided in subsection (2) of this section, the Workers' Compensation Act applies to all employers as defined in 39-71-117 and to all

employees as defined in 39-71-118. An employer who has any employee in service under any appointment or contract of hire, expressed or implied, oral or written, shall elect to be bound by the provisions of compensation plan No. 1, 2, or 3. Every employee whose employer is bound by the Workers' Compensation Act is subject to and bound by the compensation plan that has been elected by the employer.

(2) Unless the employer elects coverage for these employments under this chapter and an insurer allows such an election, the Workers' Compensation Act does not apply to any of the following employments:

- (a) household and domestic employment;
- (b) casual employment as defined in 39-71-116(3) except employment of a volunteer under 67-2-105;
- (c) employment of members of an employer's family dwelling in the employer's household;
- (d) employment of sole proprietors or working members of a partnership other than those who consider themselves or hold themselves out as independent contractors and who are not contracting for agricultural services to be performed on a farm or ranch, or for broker or salesman services performed under a license issued by the board of realty regulation, or for services as a direct seller engaged in the sale of consumer products to customers primarily in the home;
- (e) employment for which a rule of liability for injury, occupational disease, or death is provided under the laws of the United States;
- (f) any person performing services in return for aid or sustenance only, except employment of a volunteer under 67-2-105;
- (g) employment with any railroad engaged in interstate commerce, except that railroad construction work shall be included in and subject to the provisions of this chapter;
- (h) employment as an official, including a timer, referee, or judge, at a school amateur athletic event, unless the person is otherwise employed by a school district.

(3) (a) A sole proprietor or working member of a partnership who holds himself out or considers himself an independent contractor and who is not contracting for agricultural services to be performed on a farm or ranch, or for broker or salesman services performed under a license issued by the board of realty regulation, or for services as a direct seller engaged in the sale of consumer products to customers primarily in the home must elect to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3, but he may apply to the division for an exemption from the Workers' Compensation Act for himself.

(b) The application must be made in accordance with the rules adopted by the division. The division may deny the application only if it determines that the applicant is not an independent contractor.

(c) When an application is approved by the division, it is conclusive as to the status of an independent contractor and precludes the applicant from obtaining benefits under this chapter.

*(d) When an election of an exemption is approved by the division, the election remains effective and the independent contractor retains his status as an independent contractor until he notifies the division of any change in his status and provides a description of his present work status.*

(4) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of compensation insurance. A workplace is any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over such place of business or property for the purpose of carrying on his usual trade, business, or occupation. The sign will be provided by the division, distributed through insurers or directly by the division, and posted by employers in accordance with rules adopted by the division. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a \$50 fine for each citation."

Section 2. **Extension of authority.** Any existing authority of the division of workers' compensation to make rules on the subject of the provisions of this act is extended to the provisions of this act.

Approved March 29, 1987.
